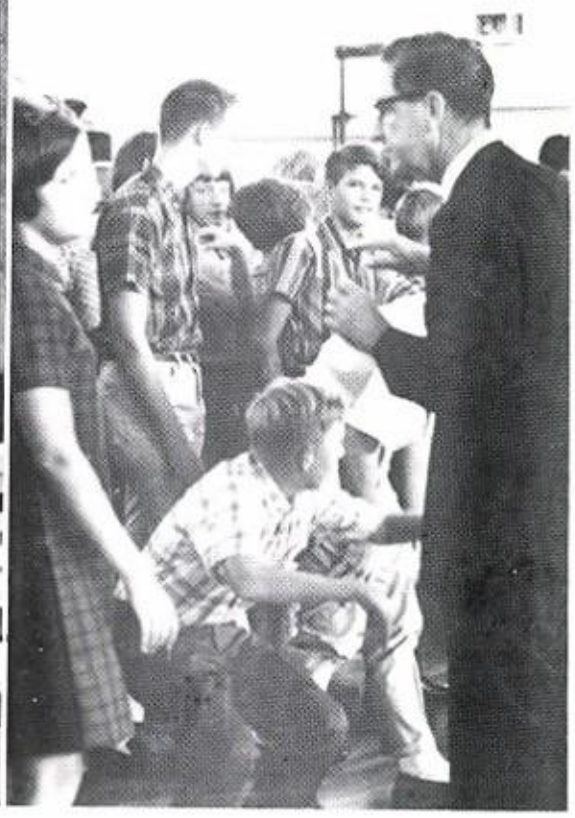
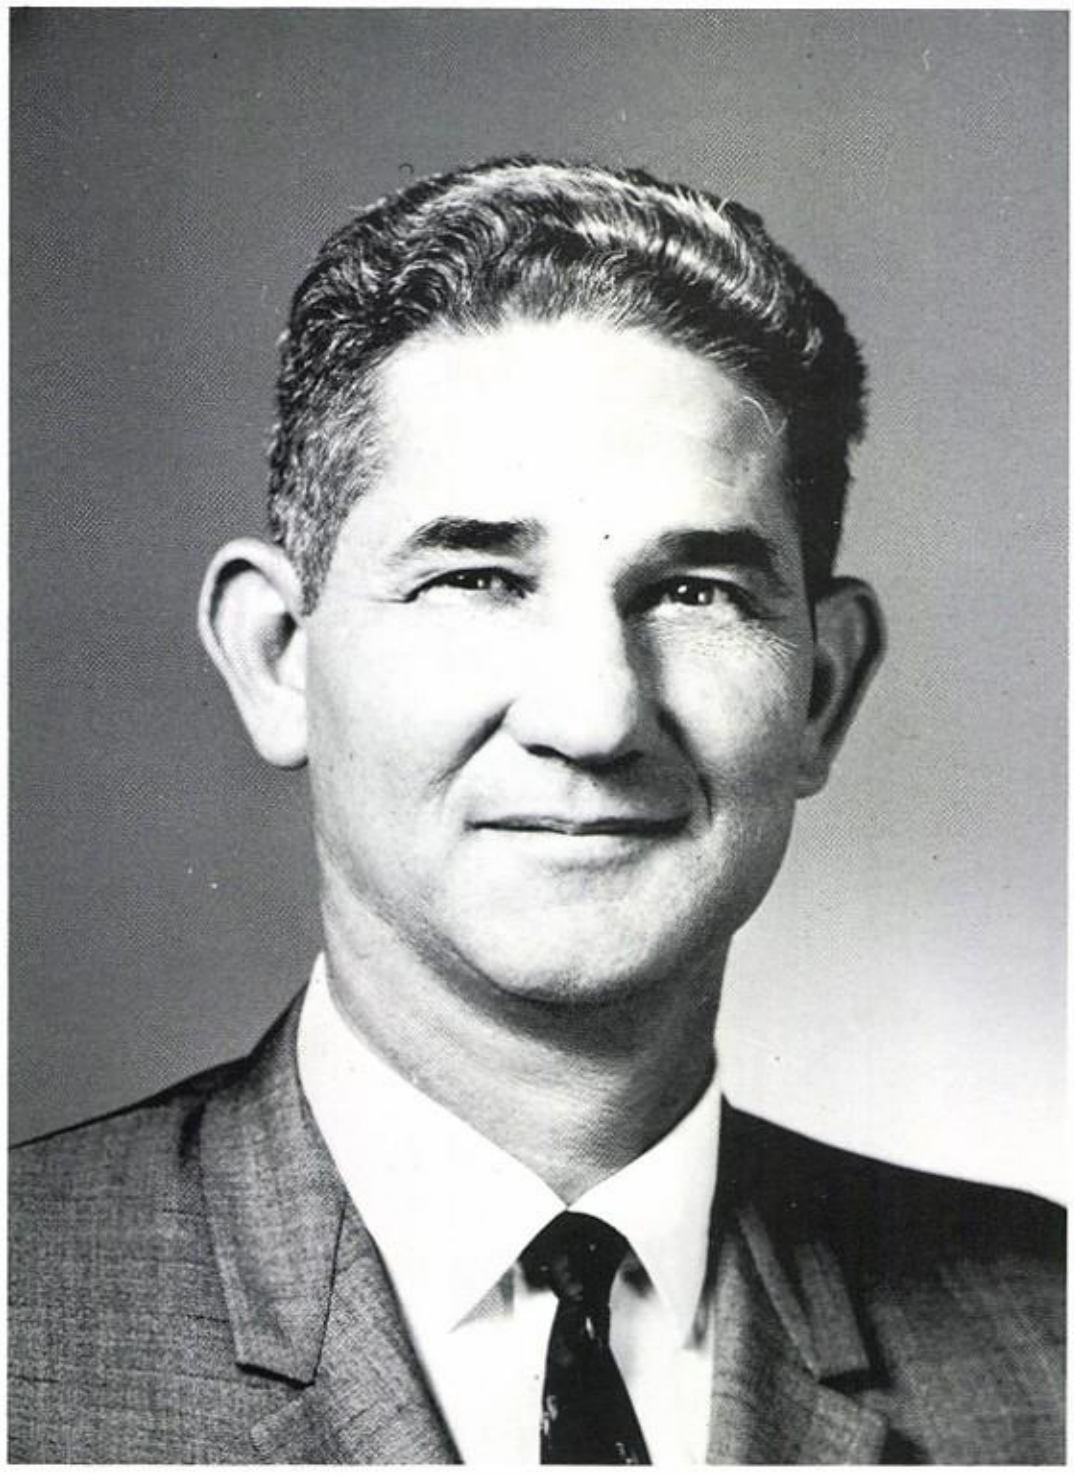
MR. LONNIE B. KELLER
Principal

An efficient and capable administrator, Mr. Lonnie B. Keller is responsible for many phases of our school's operation. Experienced and highly trained, he discusses numerous questions with teachers as well as students. While most of his schedule is filled with school activities, he manages to devote part of his time to civic duties as well as helping to beautify our campus and city. Under his guidance, our school is kept running smoothly.



MR. WILBURN LYNCH
Assistant Principal

Always working in close association with Mr. Keller is our Assistant Principal Mr. Wilburn Lynch. Although Mr. Lynch has only been here one year, he has become well acquainted with the student body and its problems. Through experience and guidance, this efficient educator has helped in many school matters and encouraged student cooperation in various school affairs.



Pasadena High could never operate as smoothly without the great assistance of her office ladies. Telephone calls, admits, lost folders, and lost students are only a few of their daily problems. Students and teachers alike find that there are few questions that these efficient office workers cannot solve.

Everybody keeps busy and on her toes (or maybe we should say feet).

Counselors and Deans Prove To Be Indispensable

BISHOP, MARGO
Senior Counselor
M.A. University
of Houston

Every student quickly learns how indispensable his dean and his counselor are during his high school career. Towering problems are put in their right perspective by these big helpers. Questions concerning schedule changes, college preparations, future courses, and discipline are solved through their helpful advice. Such student advisors provide for a closer student-faculty relationship.

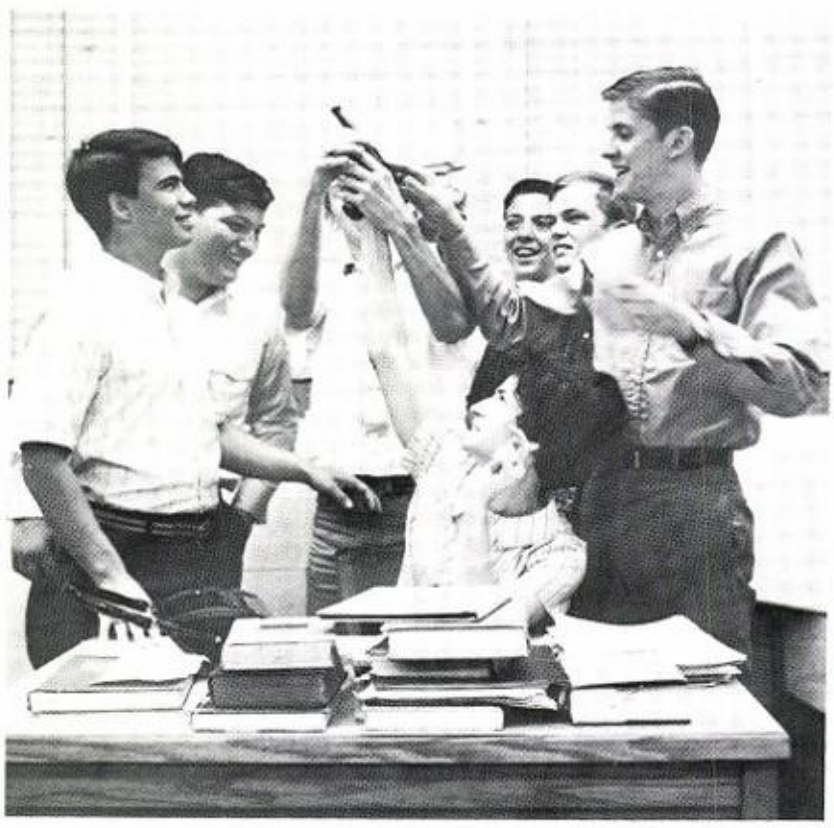
"This, class, is a blackboard. B L A C K - B O A R D . Do you understand?"

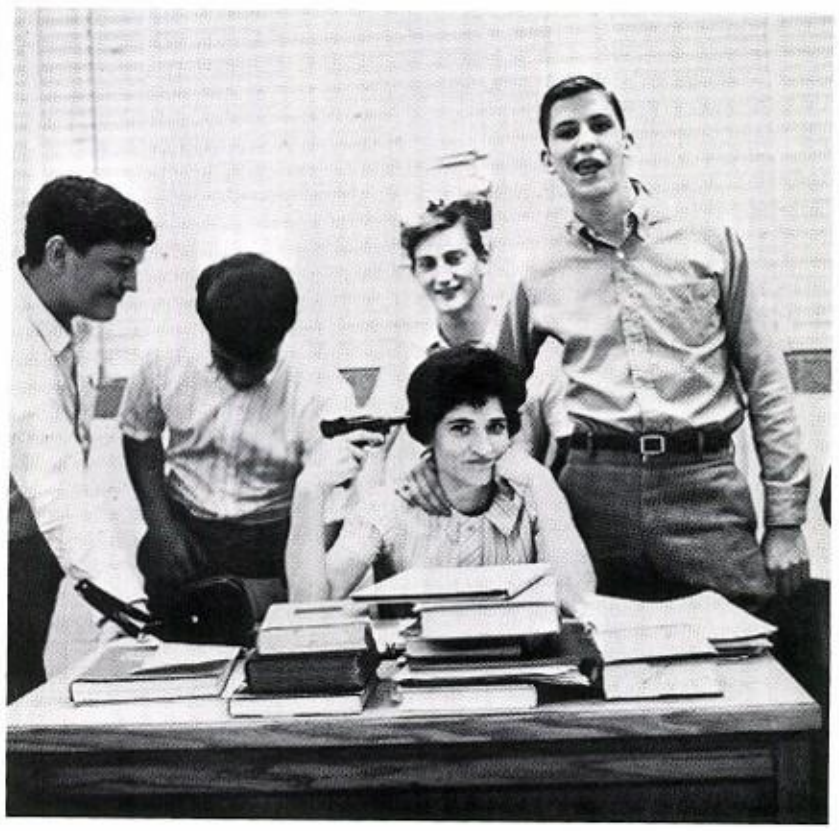
Have you ever come to school with that "blue Monday" feeling in the middle of the week? Do you have one of those days when everything goes wrong? Has it ever occurred to you that our faculty has bad days too. Let's stop and take a look at a "typical teacher's tortuous" day full of headaches, tired feet, sore throats, jangled nerves and shaky hands.

It was of Those



Students take advantage of the faculty.

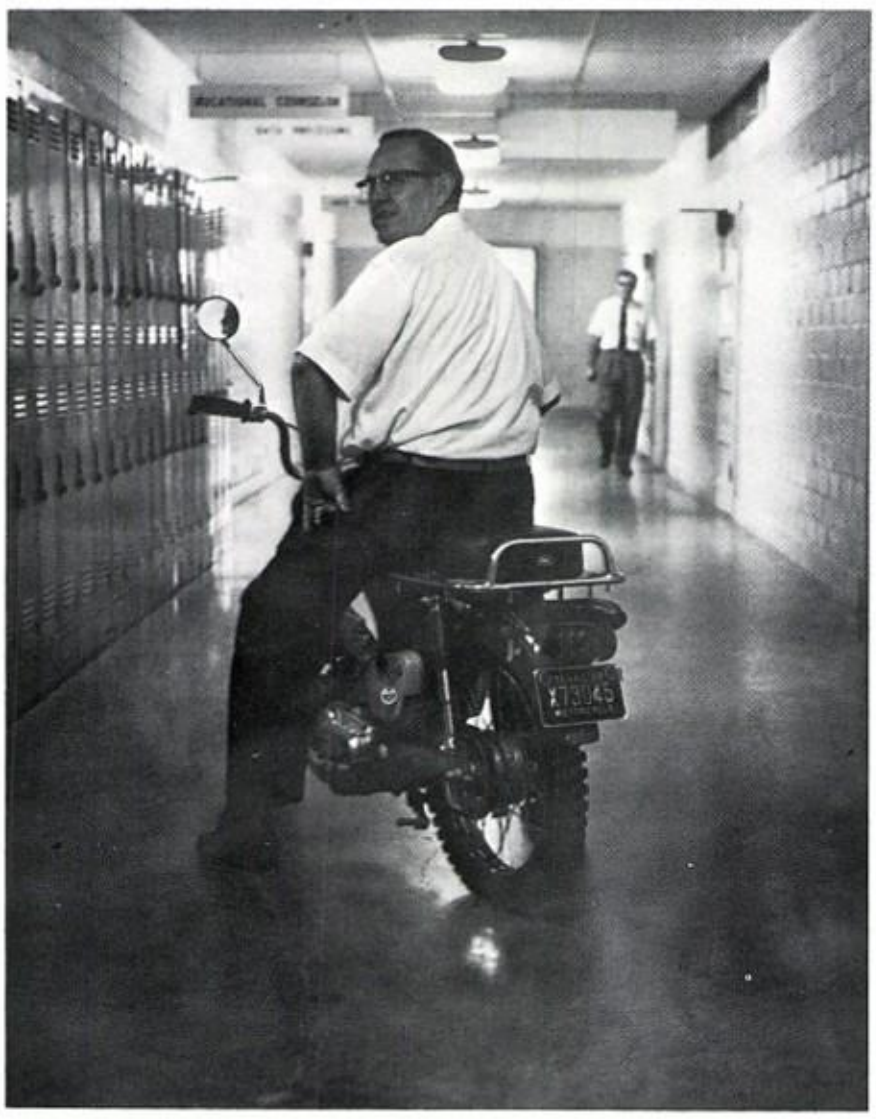
This may sometimes lead to an unbearable day.



Many teachers have unusual ways of relaxing and relieving inner tensions.

Just One Days . . .

Even teachers have trouble getting to class on time. Motor Mad Murphy makes a futile effort to get to the room before the bell.



As pressure mounts, faculty members often lose their self-composure.

Open House and Teas Honor Retiring Teachers

Mr. Wall first came to our school as a coach.

Two teachers reached the retirement age during this school year at Pasadena. Mrs. Lane and Mr. Wall have often worked together in their faithful years of teaching. Math teachers play an important role in the development of young minds. Mr. Wall has willingly devoted much of his time to teaching many students. Shorthand and typing are two subjects that prepare students for future business careers. Mrs. Lane has well done her share to promote prospective business leaders.

Breakfasts

After much persuasion on the part of the senior girls, Mr. Keller approved a senior spirit breakfast to be held in the snack bar on the day of the Rayburn game. Two weeks later, several seniors woke up at the crack of dawn to attend a breakfast at Satellite Restaurant and cheer the team to victory over Brazosport.

These early morning risers received their breakfast orders at the Satellite Restaurant.

Selecting the most beautiful girl at Pasadena High was a task that required much time and consideration. After filling out applications, the senior girls vying for the title of Most Beautiful were narrowed to thirty-five contestants by a committee of eleven faculty members. After weeks of preparations, the day of the pageant arrived. The beauty contestants were first judged in street clothes by a group of six judges from the Houston area. Next came the tea, which gave the judges a chance to analyze the personalities of the girls. These activities played a major role toward the selection of the most beautiful girl at Pasadena High.

Contestants wait nervously for judging to begin.

Magical Year

The sudden downpour and dark skies failed to discourage seniors on their final day at PHS. After the last test was completed, they adjourned to the cafeteria where they were served a special meal on specially decorated tables. Activities began with an assembly in the auditorium where special awards were presented and talented members of the class performed. Presentation of the LBK awards and the reading of the class prophecy livened the atmosphere as it brought back many happy memories of the past years. After a short intermission, seniors reassembled to begin receiving the caps and gowns.

At the Senior Day assembly, seniors proudly stand to sing the Alma Mater.

At their annual appearance at the Sam Rayburn pep rally, the faculty cheerleaders led the classes in a spirit contest. The senior class's display of enthusiasm far surpassed that of the lower classmen. Gary Boeger, senior president, was awarded first prize, a Cheer Box. (Later, informants disclosed that the seniors would have won the contest had they remained silent, but this was only rumor.)

Exes Relive School Days

Jesse Lankford and the Royal Sounds give a noon-hour preview of the night's entertainment.

The nervous anticipation, the excitement, and the final preparation of another school year are embodied in the traditional week of homecoming. The final day of homecoming welcomes the exes officially at the afternoon pep rally, when a unique fusion of the past and present can be seen. The presence of the exes intensifies the importance of high school and gives the present students a feeling of ownership; a challenge to preserve something intangible left by these former students.

The quick minds and funny quips of Jennifer Cates and Al Williams won for them the recognition as the wittiest of the class of '68. Jennifer belonged to FTA her junior and senior years and was a delegate to the state convention. The Data Processing Club also claimed the membership of Jennifer her third year, and her pleasing looks made her a candidate for Most Beautiful. Al Williams' great humor and adroitness for monologues made many school programs quite lively. After holding the position of vice-president of YFC for two consecutive years, Al became president his senior year.

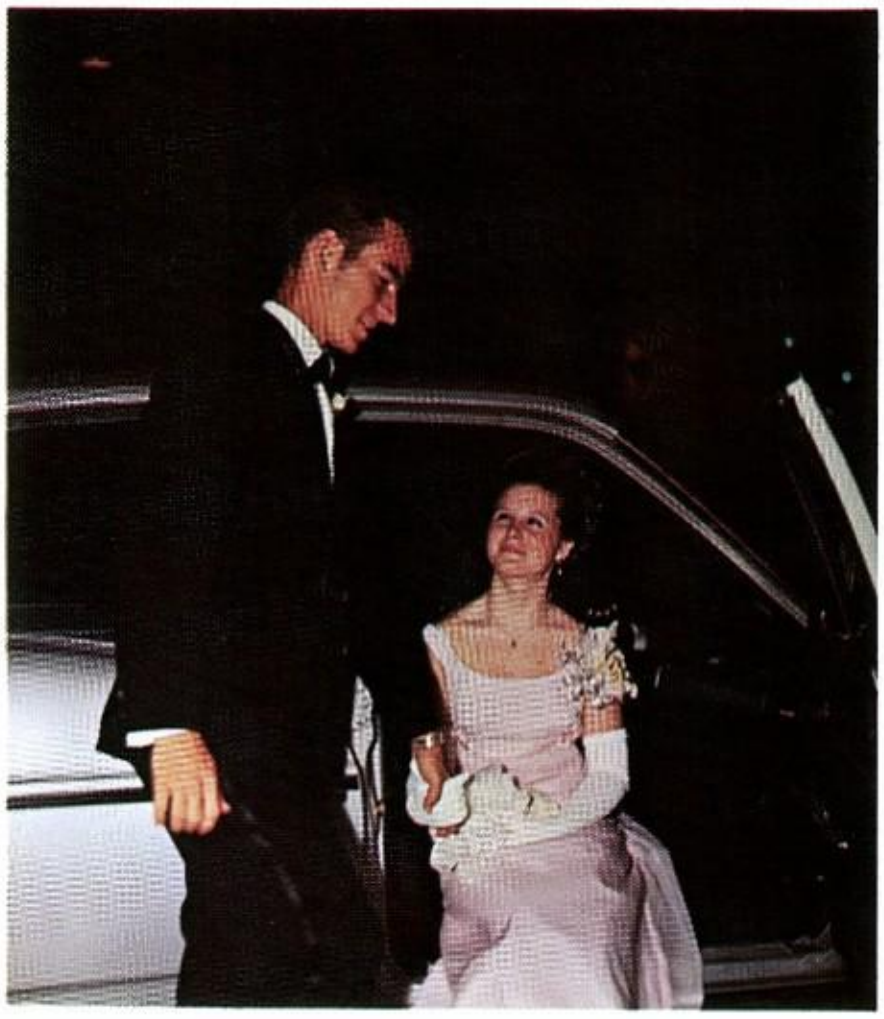
Seniors Radiate

Happy smiles from Cyndy Adams reveal the excitement of arrival at the senior prom with escort Lynn Johnson.



Rev. Richard L. Irvin, guest speaker at the Senior Banquet, spoke on the responsibilities students must face in the future.

"Spirit of '68"

April 27 will long remain a precious memory to the class of 1968, for this was the date of the Senior Prom and Banquet. A buffet style dinner was prepared for the guests in the Granada Room of the Nassau Bay Hotel. Entertainment was provided by a quartet from the choir and a piano accompanist. Pictures were taken of each couple as they arrived, so seniors could look back on this event with fond memories. For the first time, both events were scheduled to allow those who wished to attend both the Prom and Banquet to do so. Jesse Lankford and the Royal Sounds provided the perfect music, and Sylvan Beach provided the perfect setting for a most treasured evening.

Although blue was the predominant color of many gowns, the atmosphere of the prom was anything but blue as seen by these lively dancers.

Achieving a well-rounded personality is the goal of almost everyone. Excelling in personality were Penny Nowak and Cary Lawhon. These elected winners of Personality Plus brightened up the campus and the spirits of everyone they met. Penny was crowned Homecoming Queen, was elected cheerleader for three years, and was also selected as a Rotarian. Along with Penny could be found that great spirit-provoker Cary, who shared the head cheerleader spot with Penny their senior year. Cary was a devoted cheerleader his sophomore year and livened up many school pep rallies. A favorite with the girls, he was chosen FHA Beau.

The ability to do many things well is exemplified this year through the actions of Elaine Eaton and Lanny White. Elaine had been active in FTA for four years, serving as its parliamentarian in her senior year. Her vivacious and outgoing personality placed her a finalist for Miss PHS and earned her the title of Miss Merry Christmas her junior year. "Super L. O." certainly brought fame to PHS and created terror in competing schools when it came to sports. Lanny was on the varsity football team for three years, won All-District halfback as a junior, and was named All-State halfback as a senior.

Success has come to Barbara Hagerman and Billy Epstein in big proportions, and the seniors of '68 predicted a future of more good fortune by selecting them Most Likely to Succeed. Barbara was representative to Girls' State last summer. She was District Corresponding Secretary for the Texas FTA and a four-year recipient of Academic Excellence Awards. Billy has been an integral part of Pasadena's speech department, serving as National Forensic League's vice-president his sophomore year and its president his junior and senior years. He was a National Merit Scholarship Finalist and served as treasurer of the Interact Club.

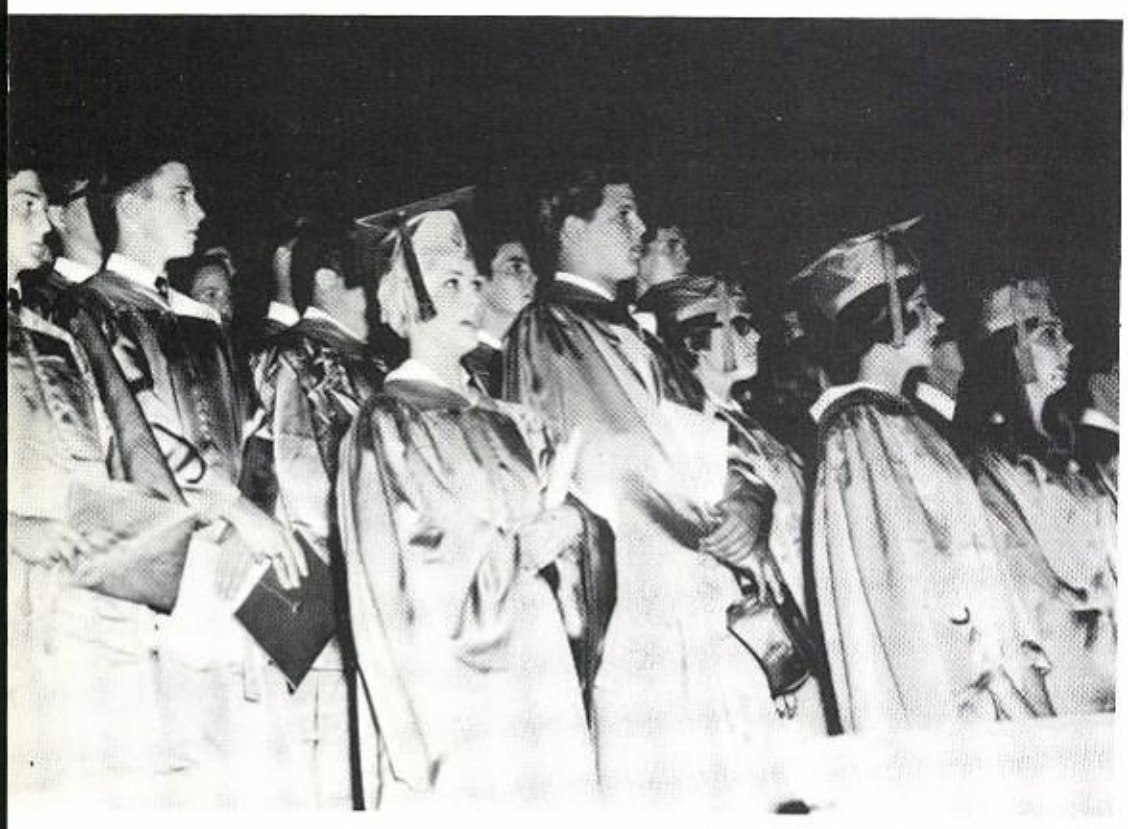
Commencement — of Magical

Perfect weather prevailed on the night of May 28 as this year's seniors filed into Memorial Stadium to receive their diplomas. Anxious seniors finally realized the importance of the many days of rehearsal and practice for graduation. After an inspiring message by Rev. Ben H. Skyles and the student address, Mr. Keller proceeded with the certification of the senior class and the presentation of the diplomas. Despite the tension, the ceremony proved to be a success, and many proud parents displayed their approval. The Class of 1968 pondered the significance of the year's magical moments as they concluded the event by singing their Alma Mater.

Before—Students wait anxiously for the signal to begin the procession.

During—Seniors nervously file across the platform to receive the diplomas they deserved.



After—Graduates realize the importance of commencement as they sing their Alma Mater for the last time.

With diplomas in hand, the relieved graduates rush through the recessional.

The Climax of a Year

Moments

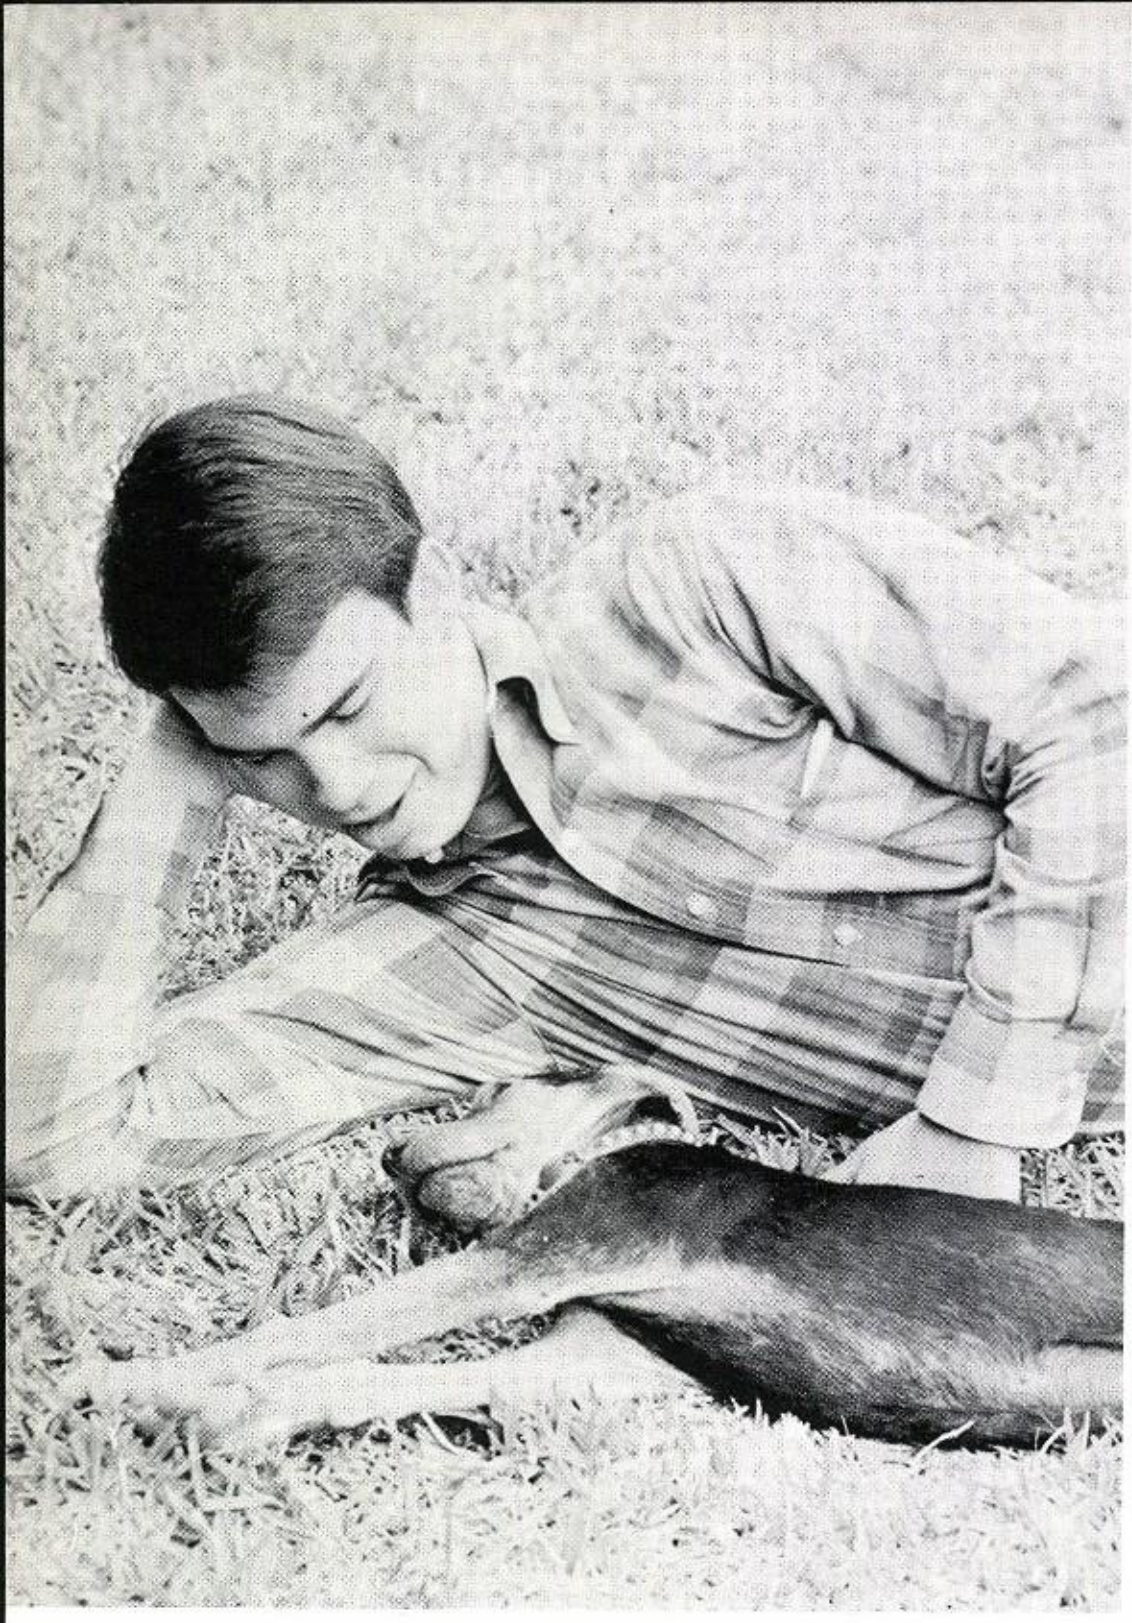
The rush to turn in caps and gowns proved hectic to the homeroom teachers.

Twelve years of school earn the right to turn one's tassel.

Student speaker, Jo Ann Wehunt, presents her address entitled "Without Vision, the People Perish".

Senior-itis

As the year draws to an end, many seniors find it hard to stay enthusiastic over attending school or studying. As a result, they seldom come to school or study. Although the faculty accuses these seniors as being sufferers of "senior-itis," the students vow that this could never be true—they have been suffering from this since they were freshmen!



Even though Cary Lawhon's dog is better than your dog, he still catches senioritis.

A member of FTA, Diane was also a member of the Acappella Choir, Choraliers, and National Honor Society. She has been the organist of her church for the past three years.

Ricky Shuman's sense of humor helped earn his honor of favorite. He moved from freshman football to varsity football position of quarterback. Ricky was a member of the Biology Club and a Rotarian. He was a member of Interact and Student Council, was vice-president of the student body, and was selected to Who's Who in American High Schools.

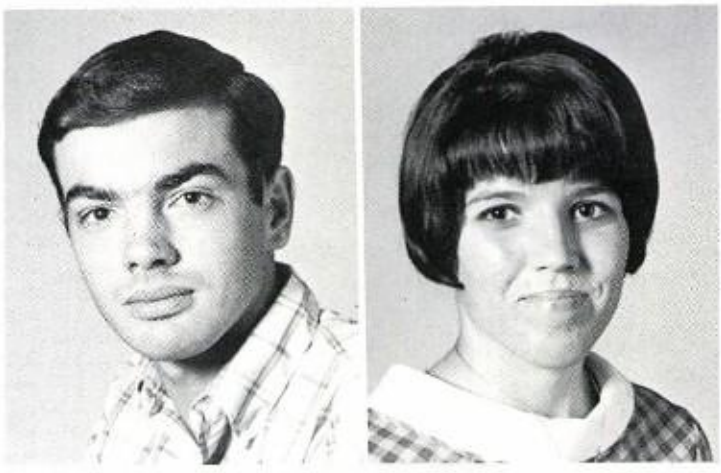
Outstanding

Junior Larry Clark goes for two!

The accomplishments of the 634 juniors at Pasadena High School proved merit as outstanding students. Many were club officers, athletes and cheerleaders. Others demonstrated their abilities in the drill team, band, and publications staffs. The junior class well demonstrated that it was a group of skilled leaders and doers who brought much pride to P.H.S.



Charpentier, Jesse
Chatham, Margie

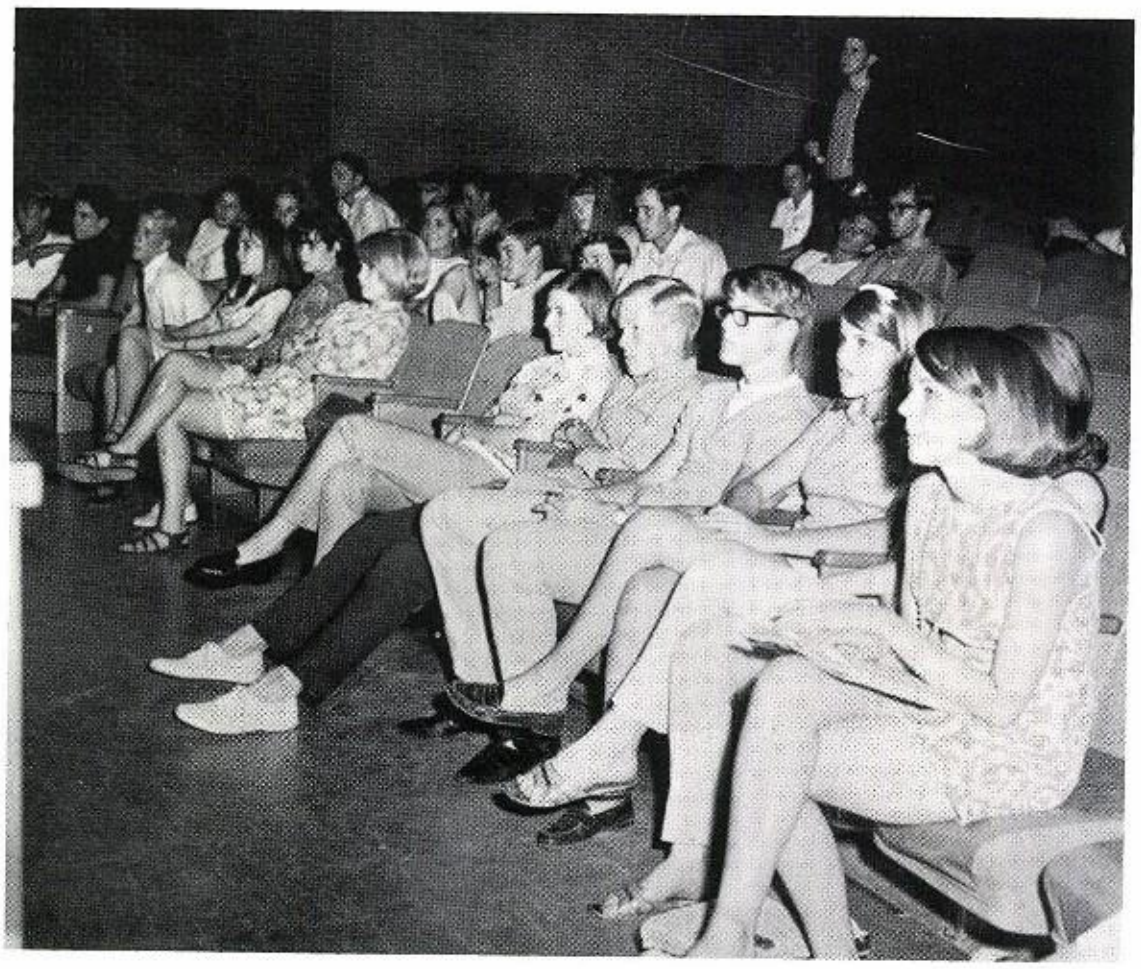
Mini Michelle exposed her "shapely legs" while modeling the latest fashions.

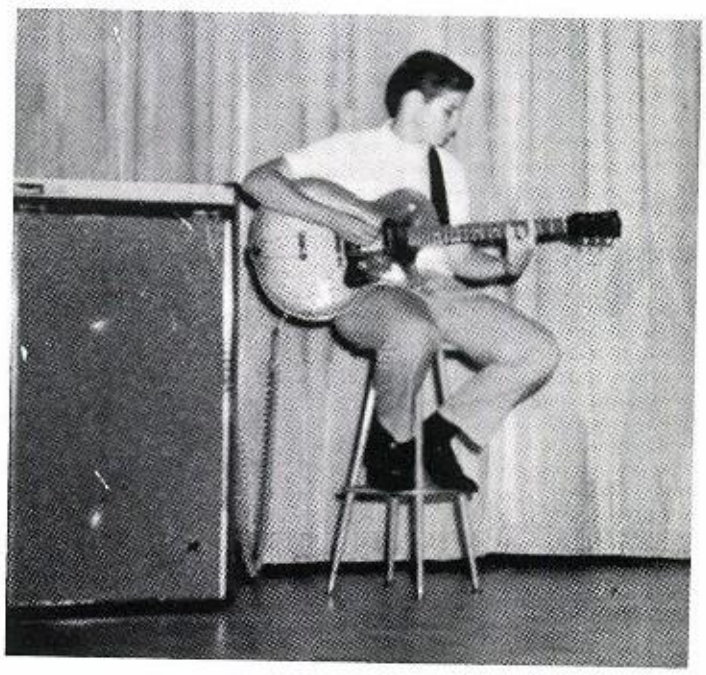
The funny host team of David Williamson and Gary Boeger livened up the senior talent show with their spontaneous quips.

Wayne McPhaul assists lovely Donna as she questioned the lucky dates on The Dating Game.

Senior Talent — Best Yet!

Anxious performers await their turn to rehearse for the talent show.





David Funderburg was a source of freshman pride when he sang the songs of Glen Campbell.

The 1968 Senior Talent Show proved to be a hilarious episode in the lives of all PHS students. With the assistance of many teachers, the class presented various acts ranging from singing and dancing, to a fashion show by the football team. A selection of the perfect date was the climax of the seniors' version of "The Dating Game." "Many hidden talents" were revealed and "much hidden beauty."

Boys seem to find the need to shed their hair, but . . .

This type of watch resembles those worn by skin divers.

Fashions Form and Fade

As fads and trends continually change, PHS students keep one step ahead. Fashions seem to be going backwards instead of toward the more modern ways, reverting to the dress of the twenties. Girls' dresses appeared with frilly ruffles, full skirts, and wide belts. Girls became girls again as curls came back to their hair, and boys are boys again in their military look in Nehru jackets and wide leather watchbands. Will the real girl look last, or will the styles be completely opposite of today's trend?

. . . girls find it necessary to don extra locks.

Joan McClain wears her frilly white dress in the latest fashion, while Paul Kirkpatrick shows his mod plaid slacks and rah-rahs.

Cool sandals frequented school to escape the heat and to identify the "surfer."

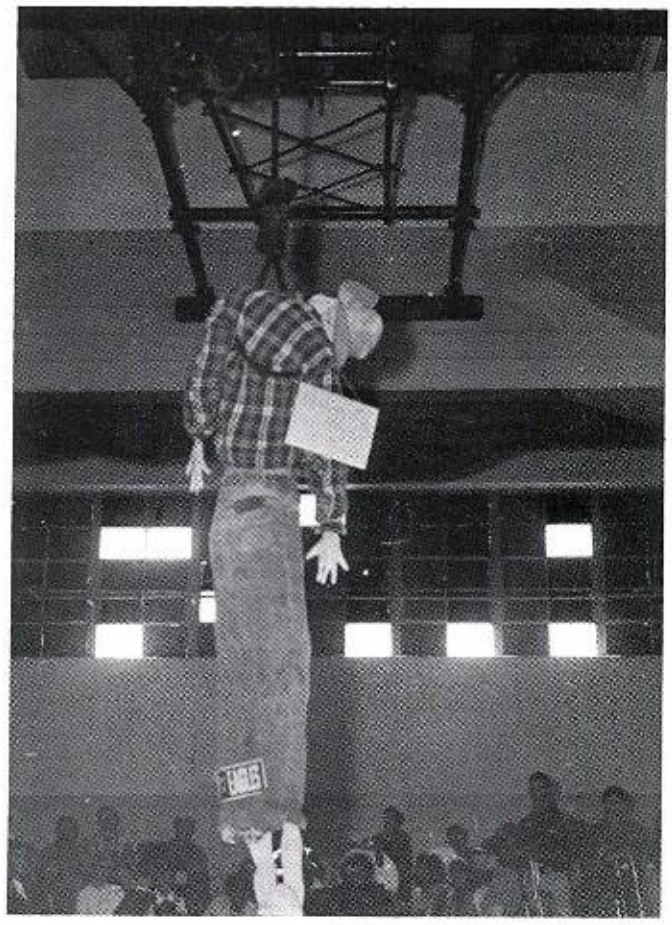
City Competition Creates

After the long procession around the school, Mr. Ritch prepares the hearse for Hector's body.

Has P.H.S. begun a new tradition for its annual bout with the South Houston Trojans? The students celebrated the death of the Trojan mascot, Hector, by following his funeral procession led by sympathetic faculty members and students. As Hector's coffin was placed in the hearse, P.H.S. began preparing for the tough battle with the Trojans, which ended in a Pasadena-South Houston tie for city champs.

Students and photographers gather to observe the departure of Hector's hearse.

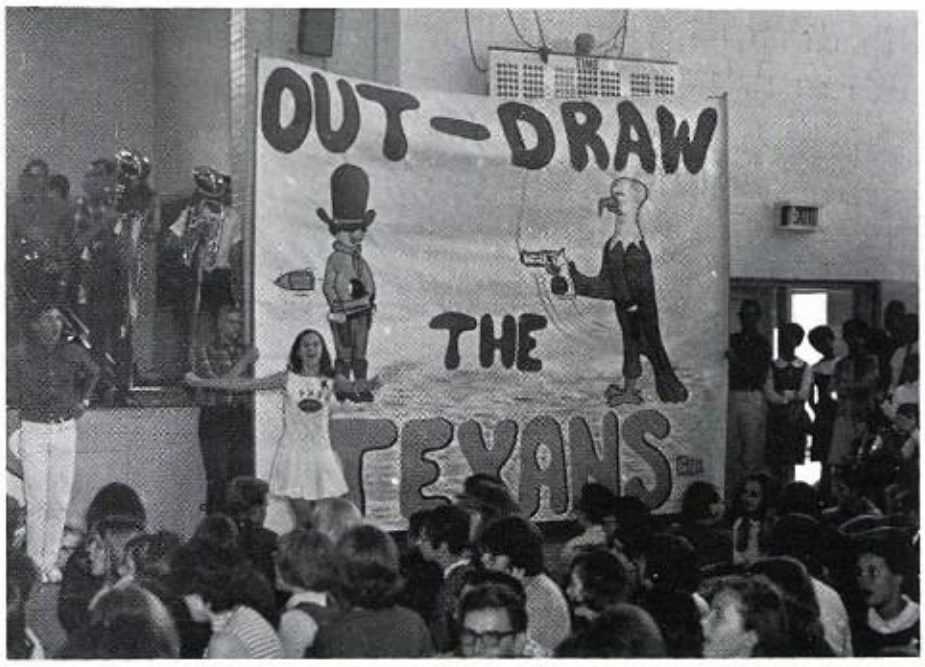


A Texan hangs at the end of his rope.

Lively Atmosphere

Introducing the Goatropers from Gunkie High . . .

The 1967-68 football team of Pasadena High School proved again the fighting power of bald eagles after they still reigned supreme over the Sam Rayburn Texans. Some of the more spirited teachers at P.H.S. could not hold back their energetic determination for another Eagle victory over those Texans, and just had to form a cheering squad of their own. By starting the recent tradition of headshaving, the football boys at P.H.S. can boast of THEIR originality.



Students at pep rally show their approval of the art department's spirited effort.

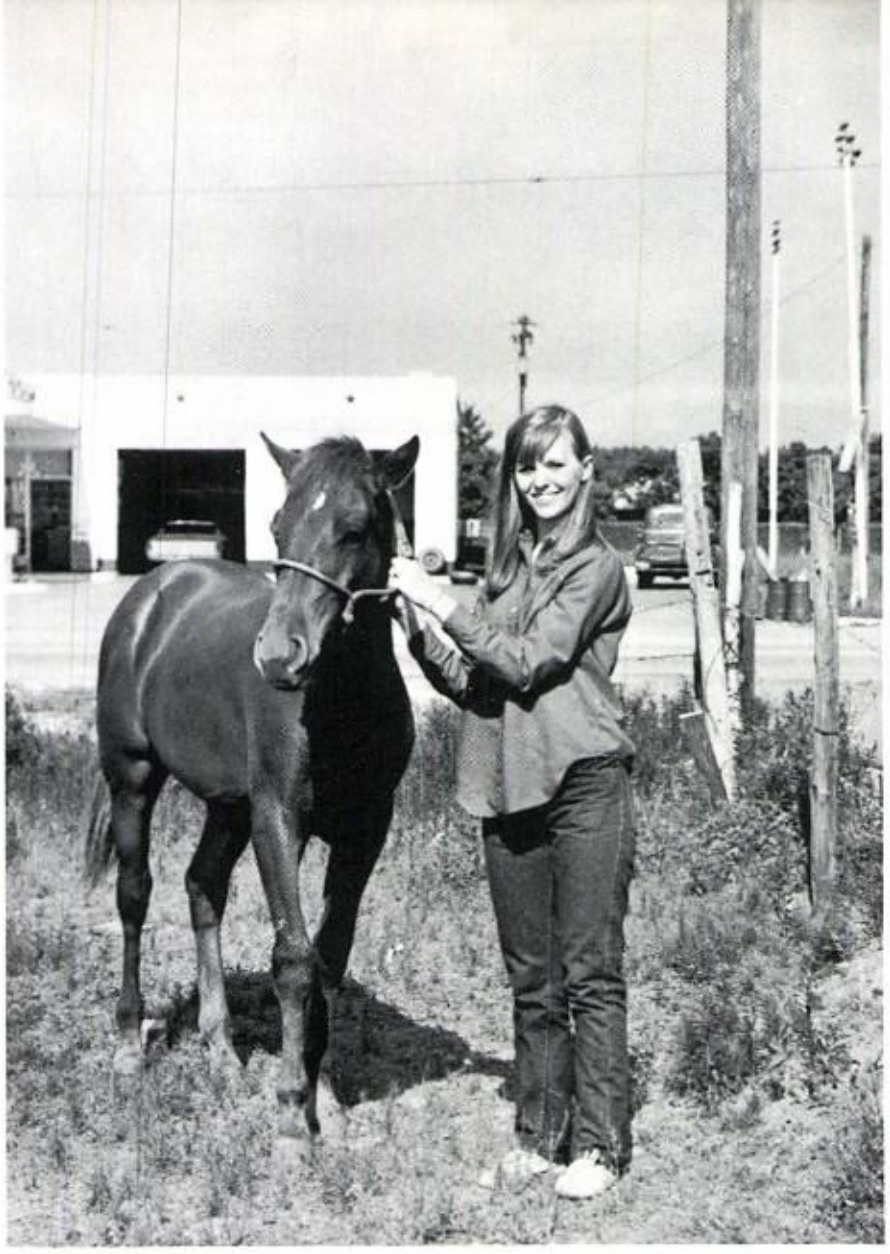
CHARLIE QUINN GLENDA PHILLIPS



Finishing up their first year as upperclassmen with success were Glenda Phillips and Charlie Quinn, this year's junior favorites. Glenda was a member of Student Council and was elected Miss Merry Christmas for the junior class. Sweetheart contests also preoccupied Glenda, for she was a finalist in both the Future Farmers of America and for the Valentine court. Glenda is active in all sports, especially horseback riding. Student Council also held the membership of friendly Charlie Quinn. He is a member of the Methodist Youth Fellowship and enjoys classical music, as seen by his membership in the Mendelssohn Quintet Club of Boston's Fan Club, which entitles him to hear free Boston concerts. This versatile fellow also likes to ride the waves on a surfboard.

Annual Party Provides Fun for All

Volleyball is the answer for the more sports-minded kids at the publication party.

Once again the **Pasadenian** sponsored the annual all-school Favorites Party where students were offered a choice of three activities. For the kids who enjoy dancing, music was provided by the "Cherry Stompers", and equipment for volleyball and table tennis were found upstairs in the gym. The snack bar was opened where students could enjoy the wide variety of refreshments while they took a break from the strenuous activities of the party. Climaxing the party was the announcement of the class favorites for 1967-68.

Thirsty kids crowd the snack bar for refreshments at the Favorites Party.

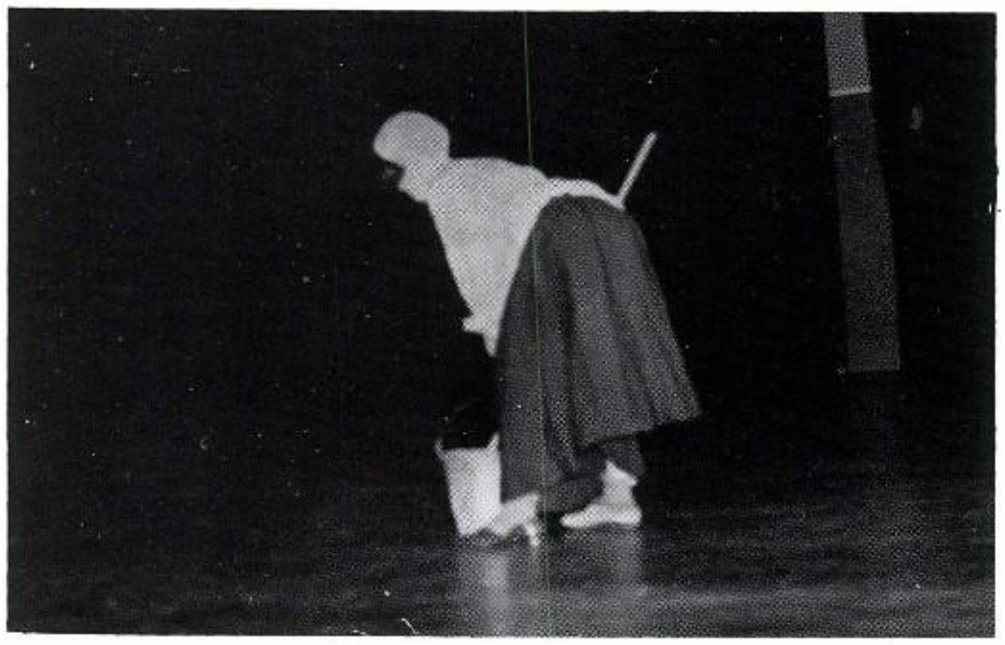
Drill team members open the Eagle Escort Review with "Funny."

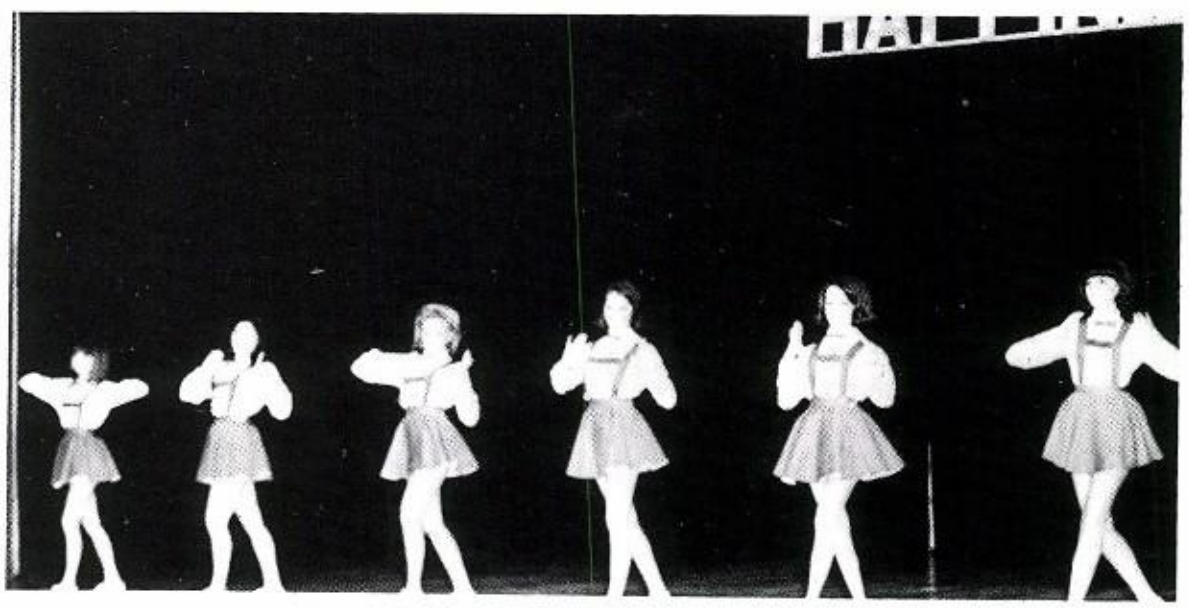
Happiness Is . . .

Kathy Hemby gracefully enacts Carol Burnett's version of "The Stripper."



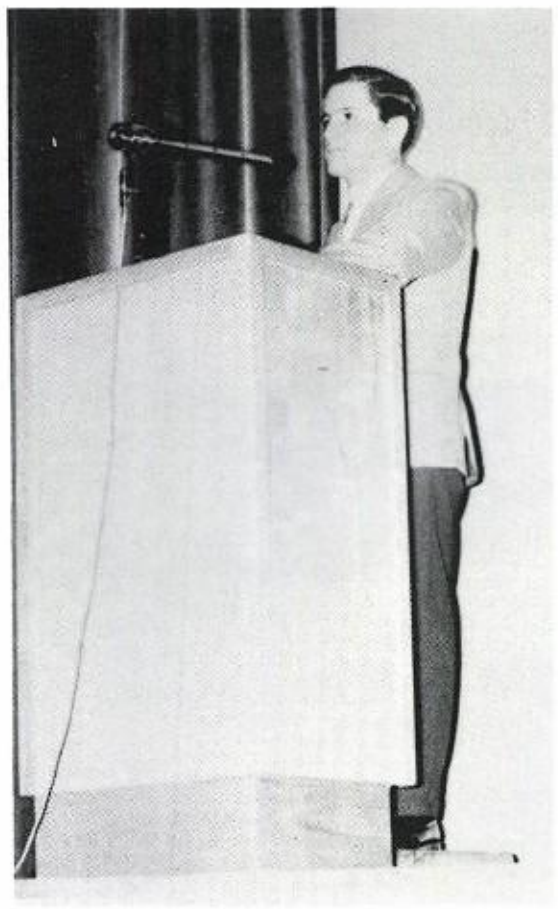
"Fever" is given a new style by senior Judy Kressley.

Eight girls perform their routine to "Walking Happy."



Entertainment by the "Lumpy Mattress" provided a break for the Eagle Escort members.

The Eagle Escort Review livened up the campus of PHS once again with their January 19 showing of "Happiness Is . . . " Sponsored by Mrs. Claudette Richardson and Mrs. Sandra Bryan, the entertainment was set into action with an overture of "Everything's Coming Up Happiness." The master of ceremonies, Tommy Ohm, introduced special individual acts and spots such as the iridescent banjo number to the tune of "Mame" and an original Japanese dance to "Kaiser Bill Batman's Theme." Like any interesting show, the routine was broken by those perpetual commercials. The finale was presented with "We Have Entertained You."



Happiness to Tommy Ohm meant a substitute at fourth period who did not know the lunch schedule.

Eagle Escort members begin their performances with a walking cane routine.

DANA COTTON PAM NICHOLSON

Sophomore Favorites

Two sophomores who ranked high among their classmates were Pam Nicholson and Dana Cotton. Pam's enthusiasm enabled her to become a basketball cheerleader and a member of Eagle Escort in her freshman and sophomore years. Well-respected by her classmates, Pam has served actively with the Student Council and enjoys skiing and playing tennis in her spare time.

Dana is known on campus for his friendly quietness and easy-going manner. A sports enthusiast, he has completed a successful year on the junior varsity football team and was a gridder last year on the freshman team.

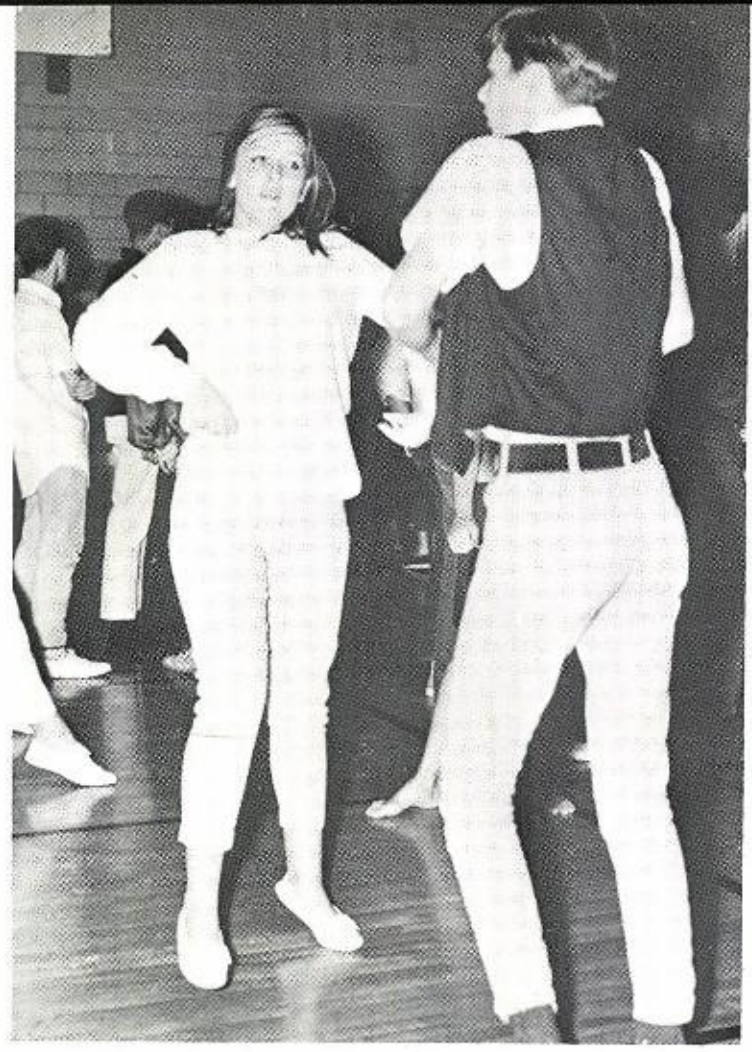
Trials and Tribulations

Many futile cries such as these could be heard all around the PHS campus this year. Because of the frequent infringement of this school rule, gum-chewing became the highest offense on the detention hall list. A new ruling was passed on the length of girls' skirts, limiting them to three inches above the knee. Many boys had to shed their long locks to keep within the boundaries of good grooming.

Three days detention—caught in the act of chewing gum.

"My dress isn't too short, is it?"

"But I just got a haircut last week!"



Freshman class gets acquainted at their party on October 26.

Femininity—the look that symbolizes the real girl. Campus styles of 1968 have come alive and revived the days of Bonnie and Clyde. Ruffles and lace gently frame necklines and wrists while bright accessories accent pastel hues. Finishing off this soft girlish image is a whole new world of soft girlish curls.

Debbie Shook and Steve Trncak rounded up their first year of high school with many friends, as seen by their selection as Freshman Favorites. Not only was Debbie secretary of her class, but served also as FHA parliamentarian and as a Student Council representative. Debbie's hobbies include sewing and skiing.

Interact club member Steve Trncak participated on this year's Junior Varsity Basketball team and has been chosen for a member of next year's varsity team. Steve also enjoys skiing and surfing in his leisure time.

Under the supervision of Mrs. Trumpy, the student's classwork is made easier.

No matter what the vocation, some form of mathematics is applied to all aspects of daily life. Math courses at P.H.S. include related math, algebra, geometry, advanced math, trigonometry, and elementary analysis. These courses always challenge students to use their own reasoning power and provide knowledge for the college-bound students.

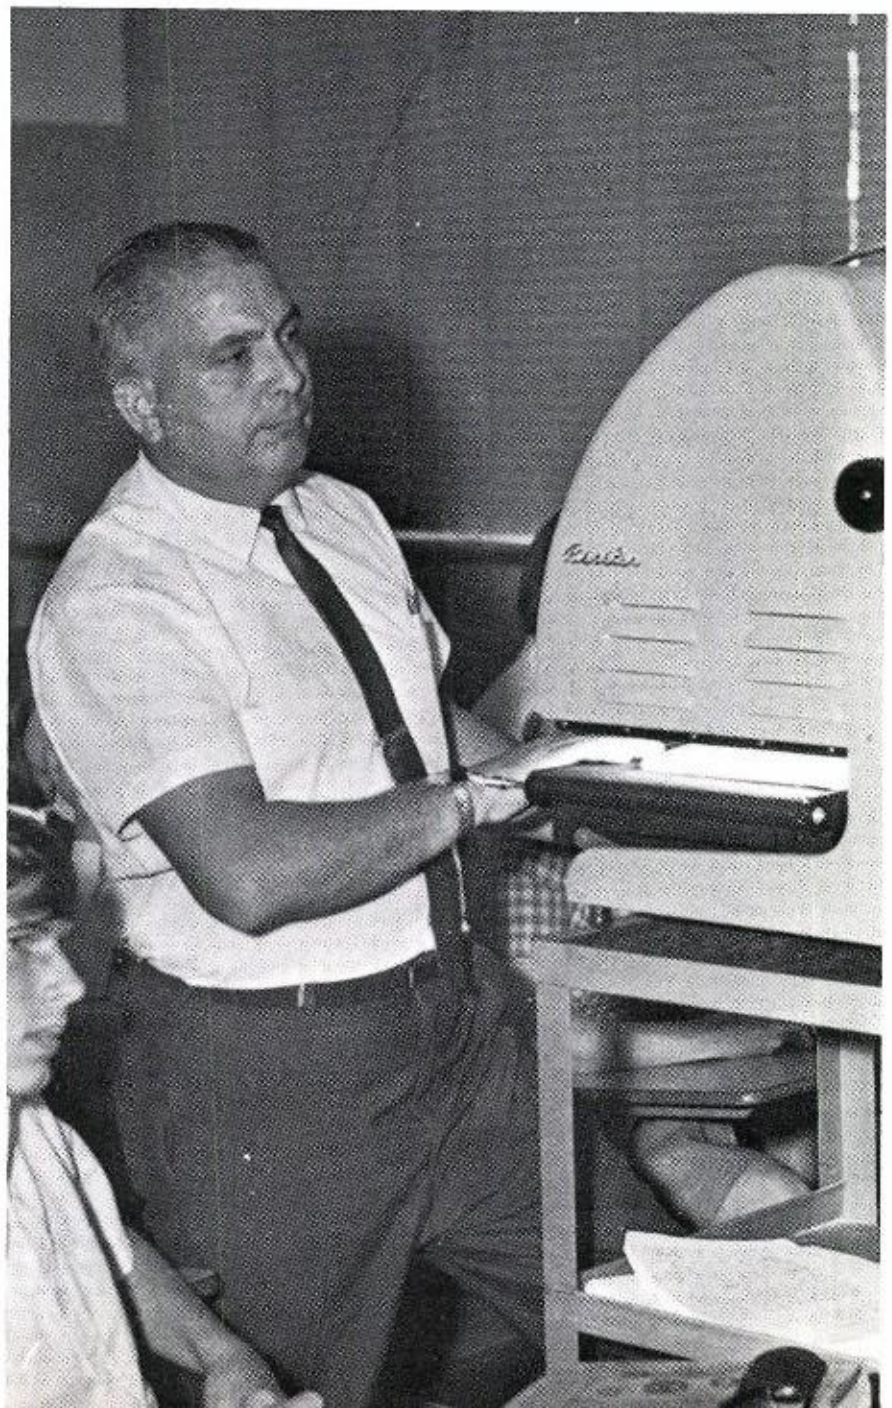
Knowledge of

Mr. Clark uses an opaque projector to increase English class knowledge.



English Key to Communication

The importance of a strong English background is justifiably stressed at Pasadena High School. The study of literature depicts the beauty and versatility of the English language and reflects the beliefs and thoughts of the prodigies of the world. The confirmation of the lines of Francis Bacon when he states "*Reading maketh a full man; conference a ready man; and writing an exact man*" is demonstrated by the instructors of English at P.H.S. when they prove how a broad knowledge of the use of one's language lessens problems of communication.

Although learning English is a difficult process, Elsworth Townsend shows that it can be fun.

The class gives Mr. Ritch its undivided attention as he points out the important aspects of "Macbeth."

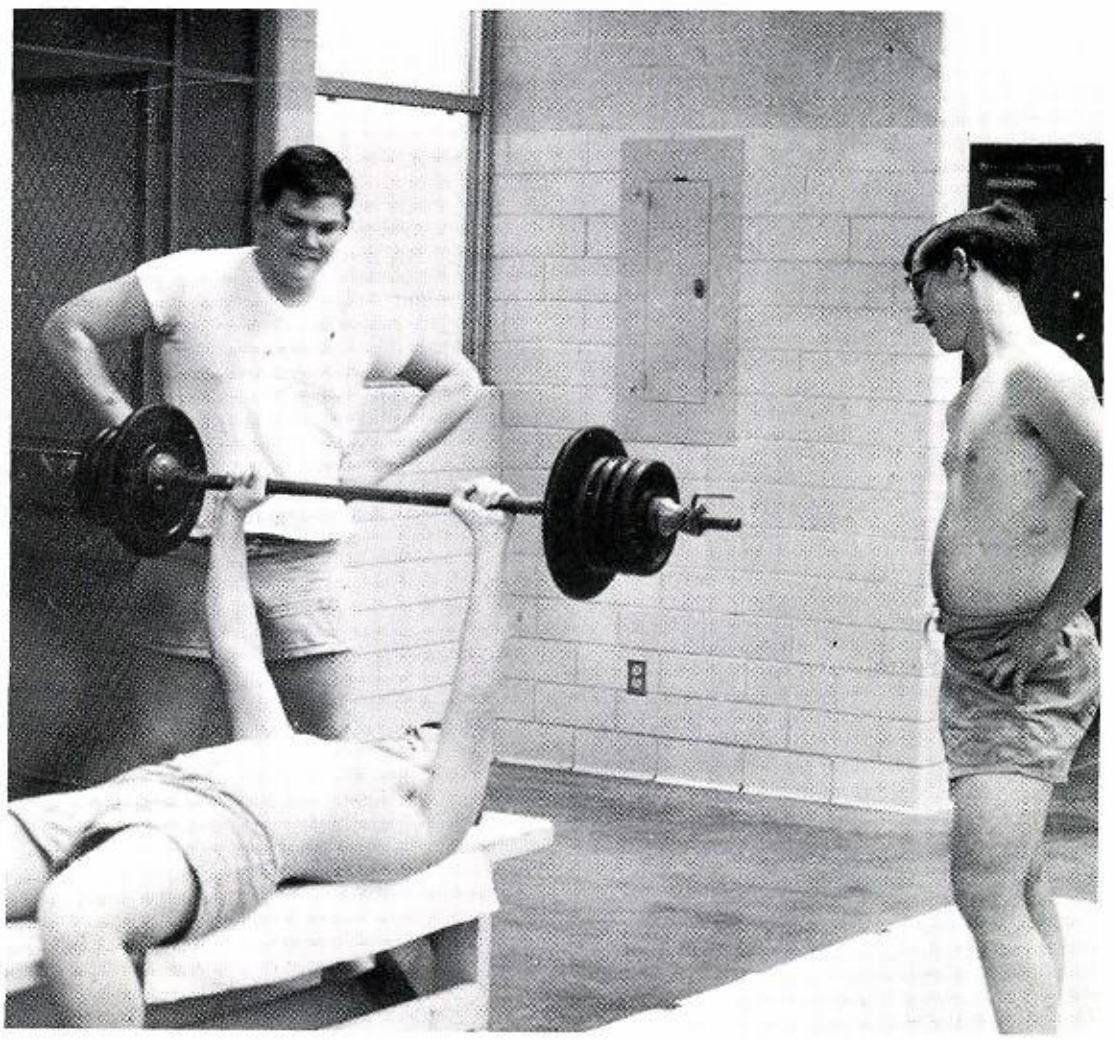
Sidney Perkins and Jimmy Rogers marvel as Donald Holloway demonstrates his Tarzan-like strength.



All year long the P.E. classes at PHS work toward a physical fitness. Football, basketball, volleyball, softball, rhythms, tennis, and archery are just some of the sports activities in which these classes participate. Included in the physical education program are studies in health including first aid, drug abuse, and family living. Not only can P.E. promote leadership, team work, and alert thinking, but can also be a lot of plain fun.

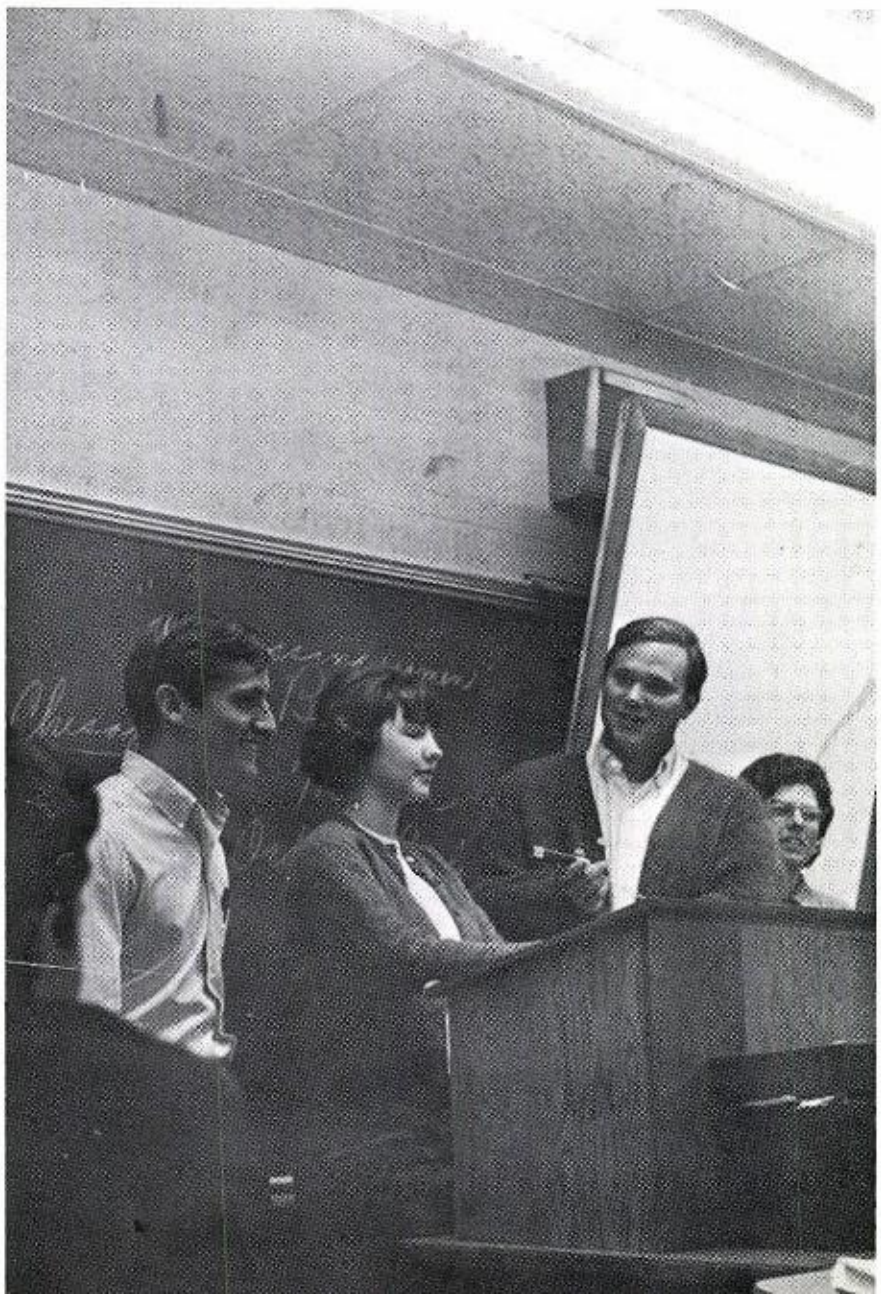
Past . . .

Debates are frequent assignments in Mrs. O'Rear's Texas history class.



Individual assistance by Mr. Bains is appreciated by his students.

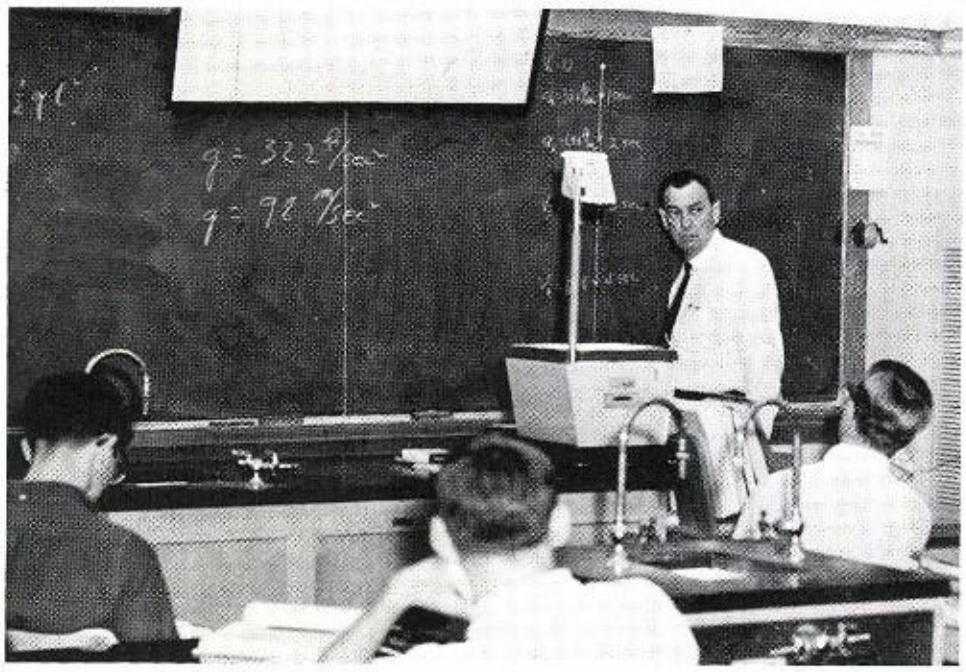
Present . . . Future . . .

The social sciences taught at PHS enable students to better understand how much they influence their lives today. Members of the faculty at PHS who teach social studies help students realize that mistakes of the past benefit not only their generation, but prosperity as well. These classes prepare students to be able to face their duties as responsible citizens of the world.

World geography students take advantage of class time to work on an assignment.

Government class 5th period does not object when the audio visual aids responsibility requires Mr. Lackey's absence. Students find it easy to continue their work.

Students in Mr. Allen's 5th period class work diligently on their American history assignment.



Physics sometimes requires many explanations from Mr. Lander.

The science department at PHS offers an excellent background for college-bound students. The many interesting branches of science prove that progress made in the future depends upon scientific endeavors of today. Science develops a student's ability for discovering things himself and develops his ability to meet the needs of his environment.

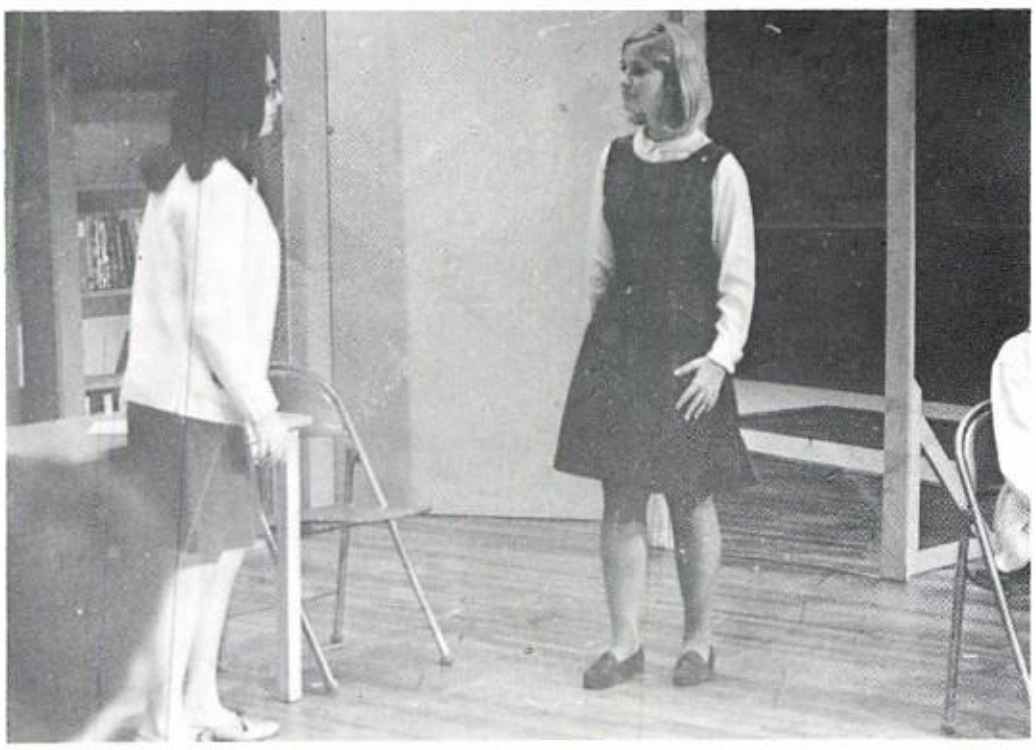
Developed Through Fine Arts

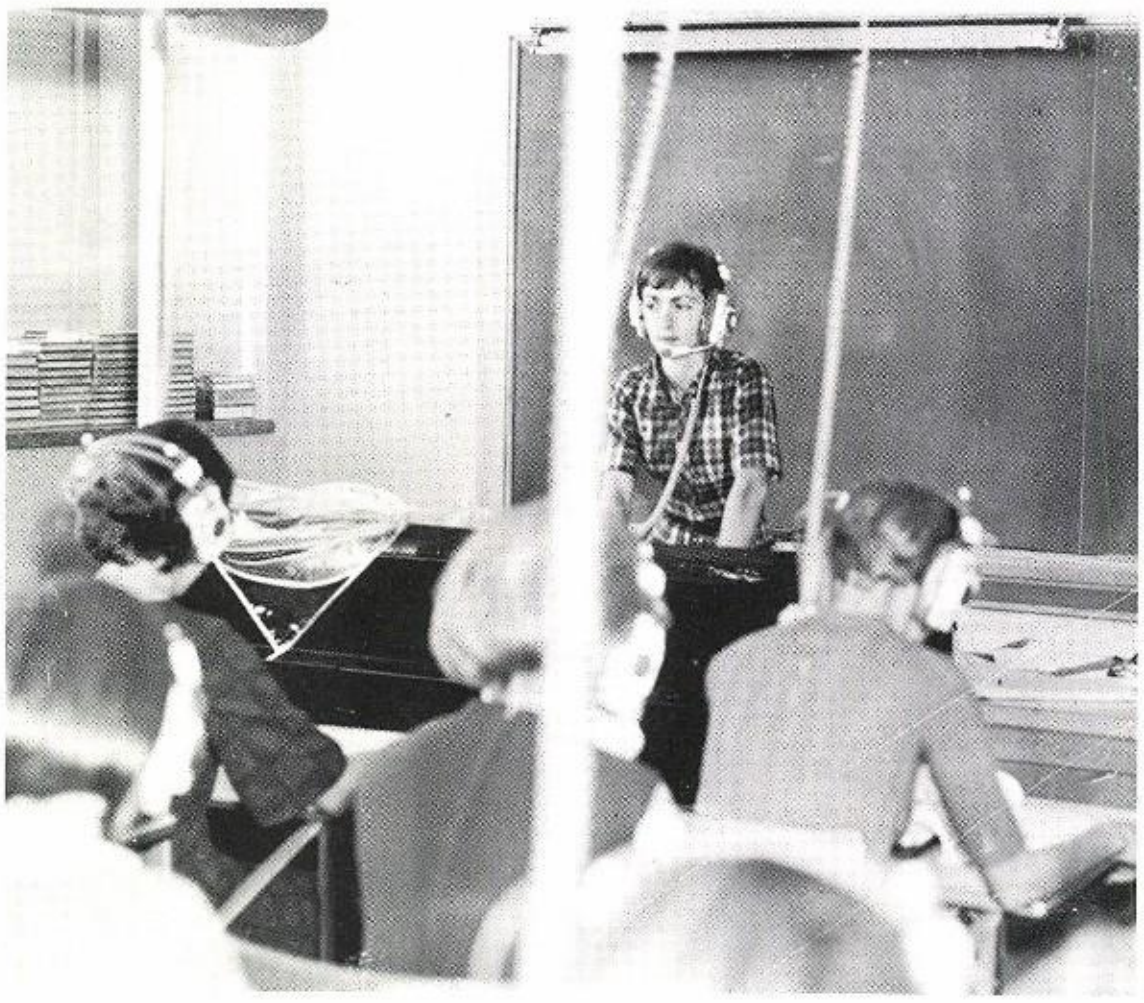


Good dramatists learn to express themselves with feeling as shown by junior Judy Williams and freshman Pauline Englebert.

Home economics allows frequent practice in cooking as well as the privilege of eating in class.

The arts have long been an integral force behind man's cultural development. The fine arts program at PHS contributes to the student's appreciation of his creative abilities and his cultural heritage. The art, speech, choir, and drama departments give the student a chance to express his thoughts and talents through the stroke of a brush, the interpretation of a play, the delivery of a speech, and the harmony of voices. These courses provide an outlet for the creative energies of the student.

Band director James Warren goes over the score of "Born Free" with his sixth period class.

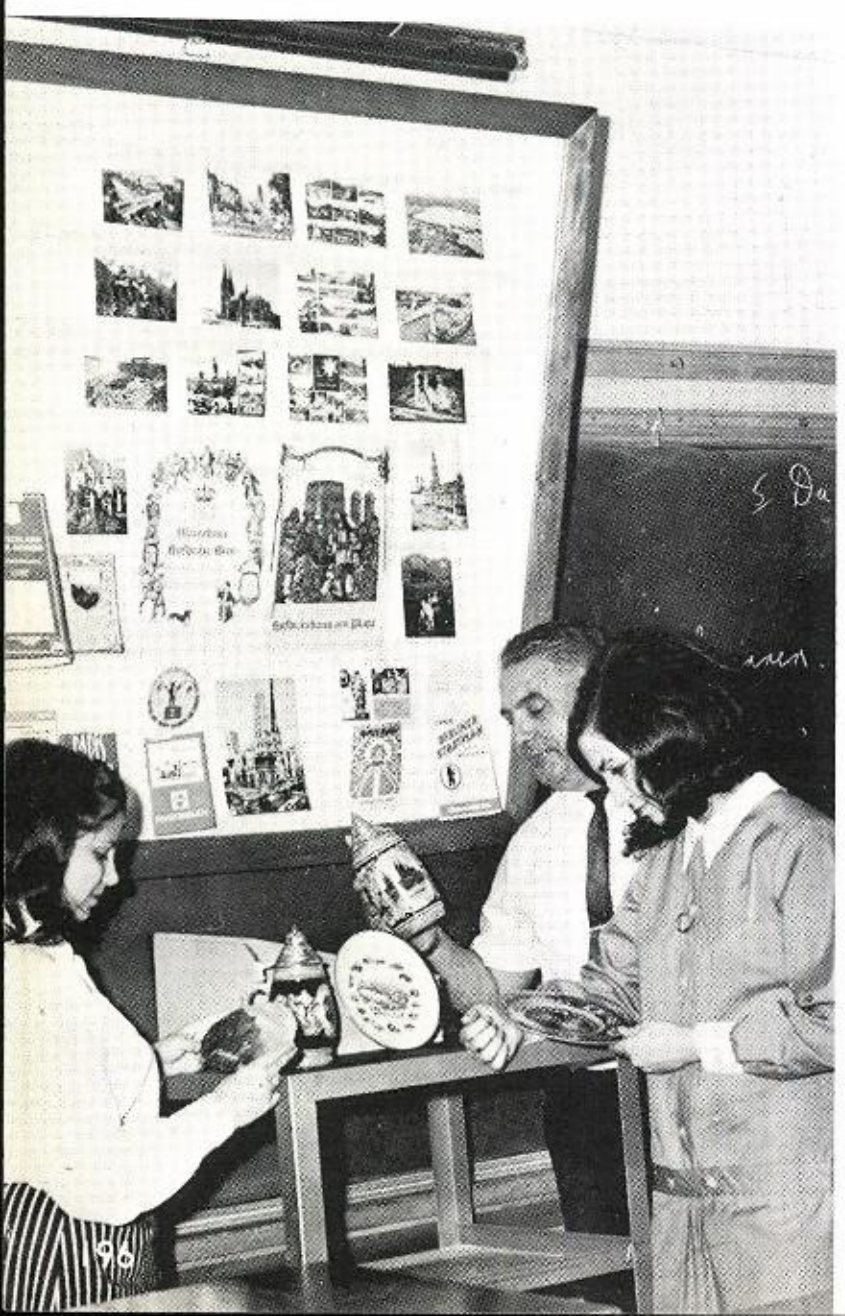


Headsets in this language lab enables Mrs. Benz's combined French II and French III students to share in their study of French.

By the time a student reaches high school, his interests are often drawn to foreign countries and customs. The PHS foreign language department offers chances for those interests to be developed through its French, German, Latin, and Spanish classes. Students learn about the mysteries of other countries and learn more about the peculiarities and similarities of their own language in comparison with others. They realize that world peace can better be achieved through understanding the language and ways of others.

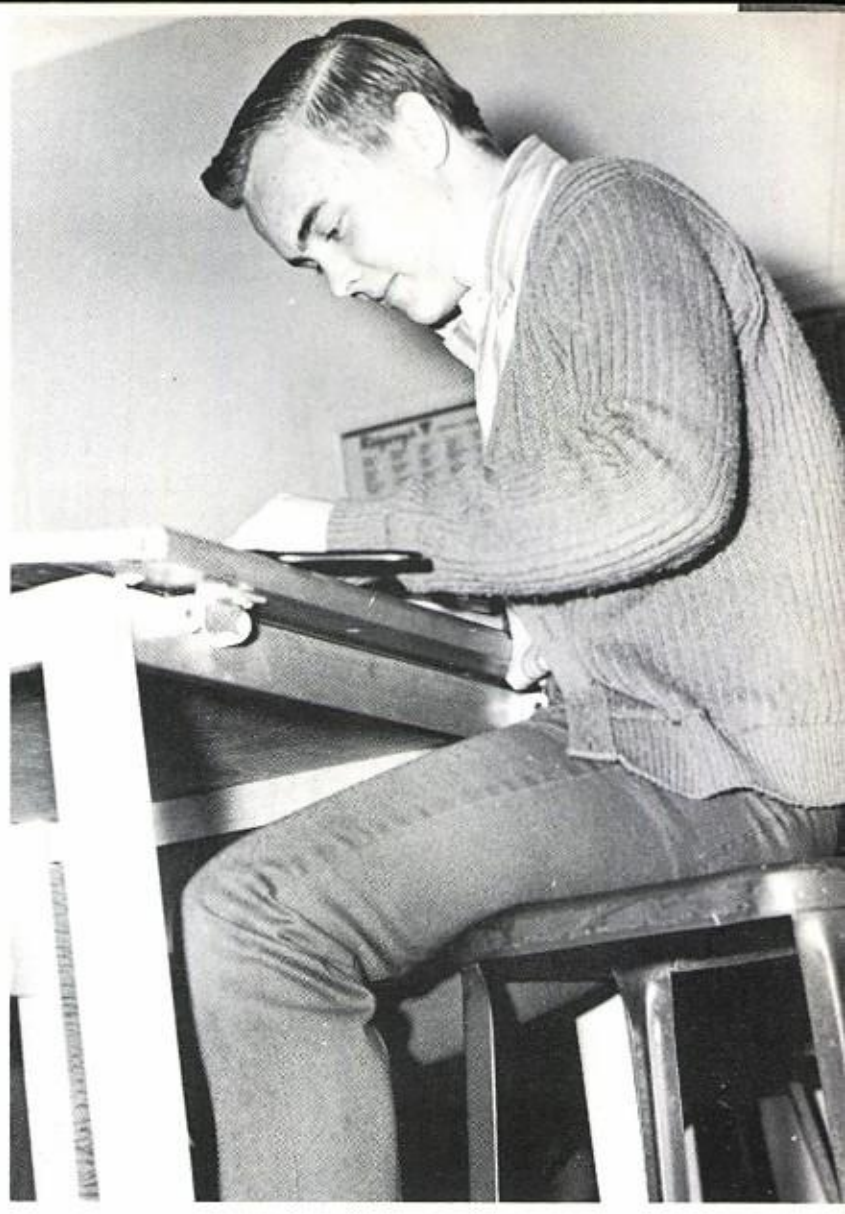
Language Study Starts Path to Peace

Mr. Clark, Paulette Frady, and Cheryl Fuller examine some of the articles that the Clarks collected on their travels through German-speaking countries during the summer of 1967.



Colorful posters of Argentina are arranged by Mrs. Matthews' Spanish II students Linda Buzek and Mark Denson as their study of South American countries gets under way.

Carpentry is a popular subject around PHS, as witnessed in Mr. Murphy's woodshop classes. Here freshman Bob Olmstead carefully uses the cutting machine to make a laminated cutting board for the kitchen.



Under the supervision of Mr. McConnell's combined Mechanical Drafting I and II classes, Paul Williams prepares for a promising vocation in architecture.

Students Train for Future Careers

Training students of today to be skilled workers of tomorrow is one of the major objectives of the PHS vocational program. Such courses as mechanical drafting, auto mechanics, radio and TV, air conditioning and refrigeration, and woodshop, provide training for both those students who plan to attend college and those who wish to pursue their careers immediately after graduation. These classes have well proved their abilities by helping around campus.

America has been a powerful industrial nation since the early 1900's. Business has helped her flourish economically, and the students at PHS have come to realize the importance of efficient business to their country. Thus, many students have chosen to become skilled in secretarial and computer work, as well as in business law. The fine PHS vocational program offers to them the training needed for a world of business.

Personalities

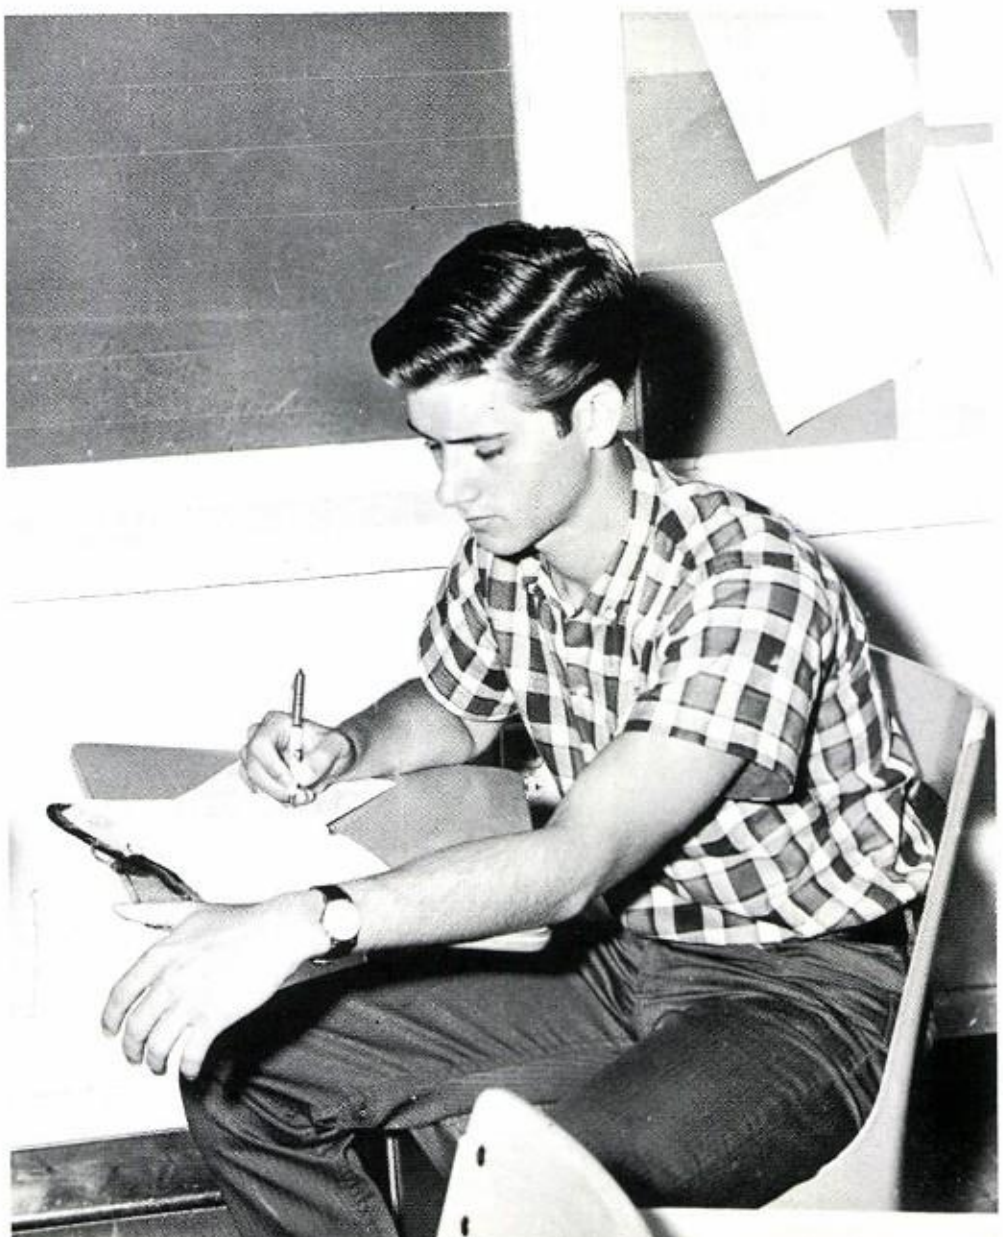
Mr. and Miss PHS

Linda Morgan Al Williams

Known around campus for her quiet friendliness, Linda Morgan received the honor of becoming **Miss PHS.** Besides being a runner-up for senior class favorite, Linda has long served on the Student Council. She held the position of historian for VOE Club as a senior and was a delegate to the VOE convention in Galveston. In addition to being class favorite and valentine princess during her junior year, Linda was a candidate for FFA Sweetheart and for Miss Merry Christmas. She was one of the ten nominees for Homecoming Queen.

Student Body Favors Linda and Al

Winning the title of **Mr. PHS** this year was Youth for Christ President, Al Williams. Al served as vice-president of YFC during his sophomore and junior years and served as the youth pastor for Richey Street Baptist Church. He is a licensed minister. A member of Interact, Al was also chosen as Optimist for the month of November. During his junior year, he was elected Parliamentarian for ICT and held the position of ICT's Sergeant-at-Arms as a senior. His leadership abilities were recognized with his winning of the I Dare You Award. Known around campus for his great wit, Al livened up many school programs. He entertained at the Most Beautiful Pageant, the FFA Sweetheart Contest, and the Interact District Convention. He also acted as Master of Ceremonies at the Interact Sweetheart Contest and the Senior Banquet. Al's great sense of humor won for him the title of the wittiest senior boy.



P.H.S.

After a feverish prelude of excitement and preparation, the night of homecoming finally arrived. During the half-time pause in the victorious game with Sterling, a magical atmosphere settled over the field as the band and drill team paid tribute to homecoming queen contestants.

The crowds grew nervous as Becky Bishop, Penny Nowak, and Sandy Ward were escorted onto the field by Lonnie Weatherly, Jimmy Parker and Brian Geaslin. The winner was announced, and the students cheered as PENNY NOWAK, a forceful symbol of PHS spirit, received the much-deserved crown of Homecoming Queen 1967-68.

1968 Most Beautiful

The eighth annual Most Beautiful Pageant was the last and most exciting event needed for the selection of the loveliest girl at Pasadena High School. The auditorium stage was graced on December 8 with poised and regal-like beauty as the public watched the presentation of the candidates in their formals.

After the six Houston area judges narrowed the competition to fifteen girls, the search for the girls personifying poise, personality, outer and inner beauty ended with the selection of Peggy Cook, Dollie Huffman, Peggy Sayre, Sandy Ward, and Sandra Sheffield as the five most beautiful senior girls. They completed the competition by answering situation questions. Following a few tense moments, the decision of the judges was announced—P e g g y Sayre, whose trademark is her smile, received the traditional red roses, sparkling crown, and cherished title of Most Beautiful.

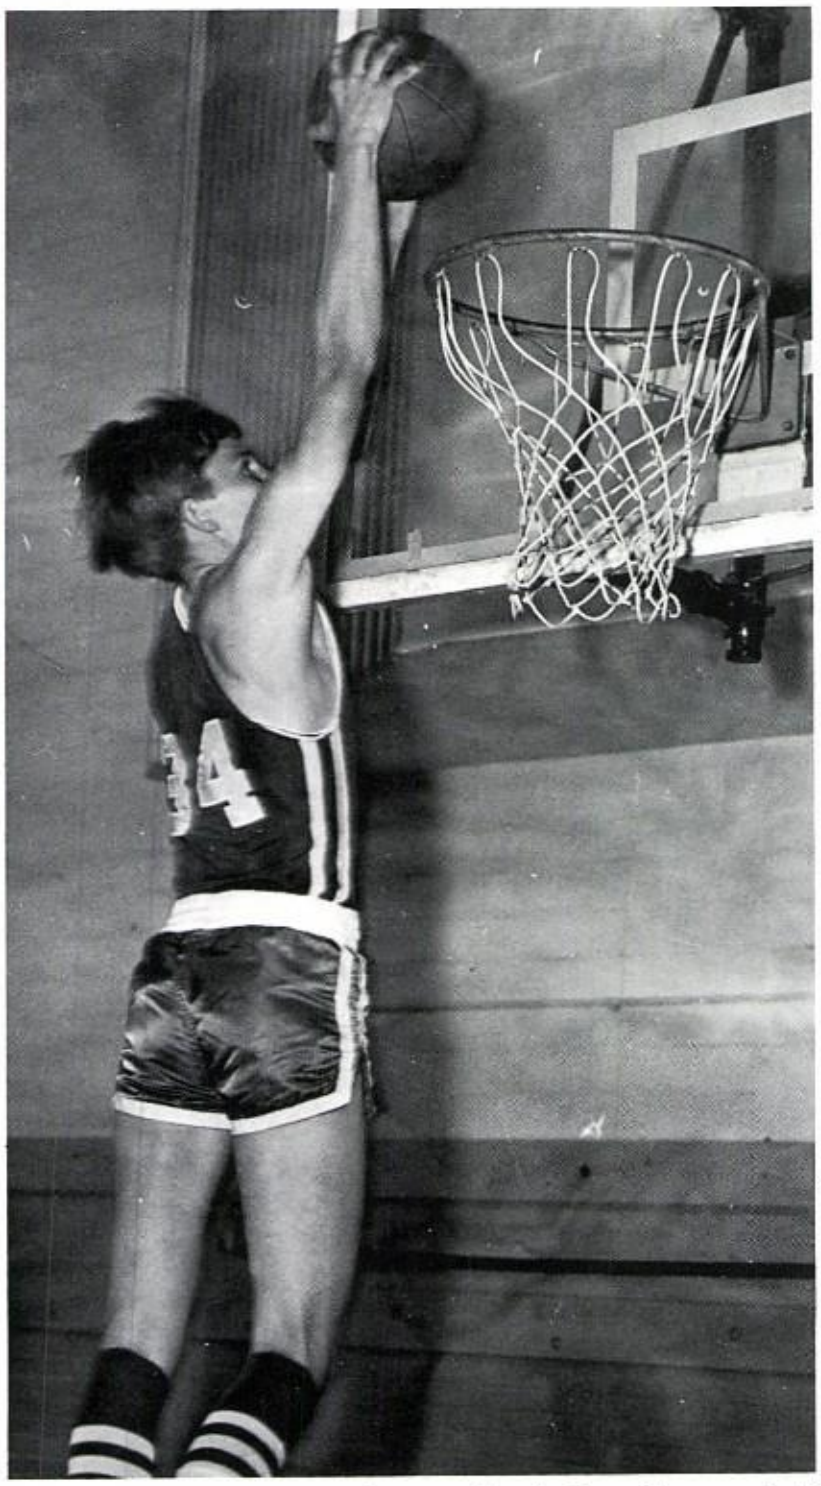
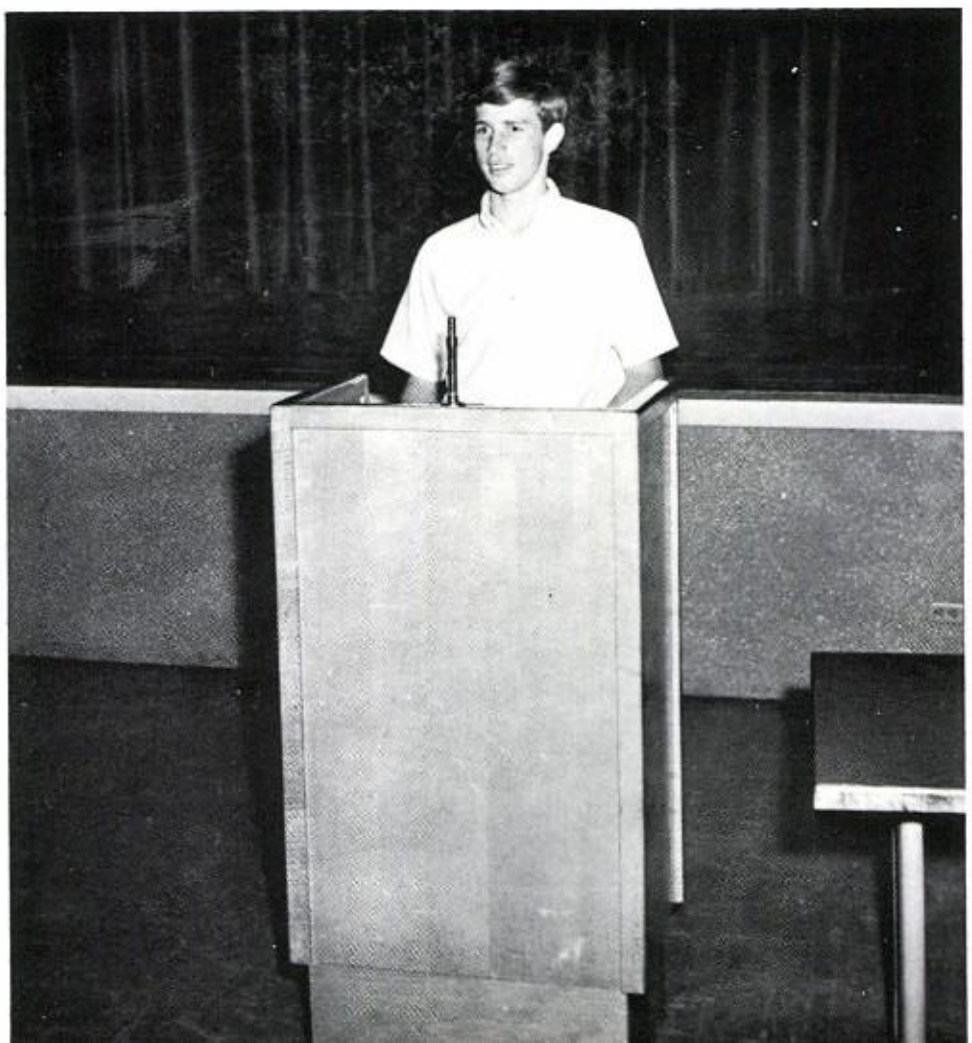
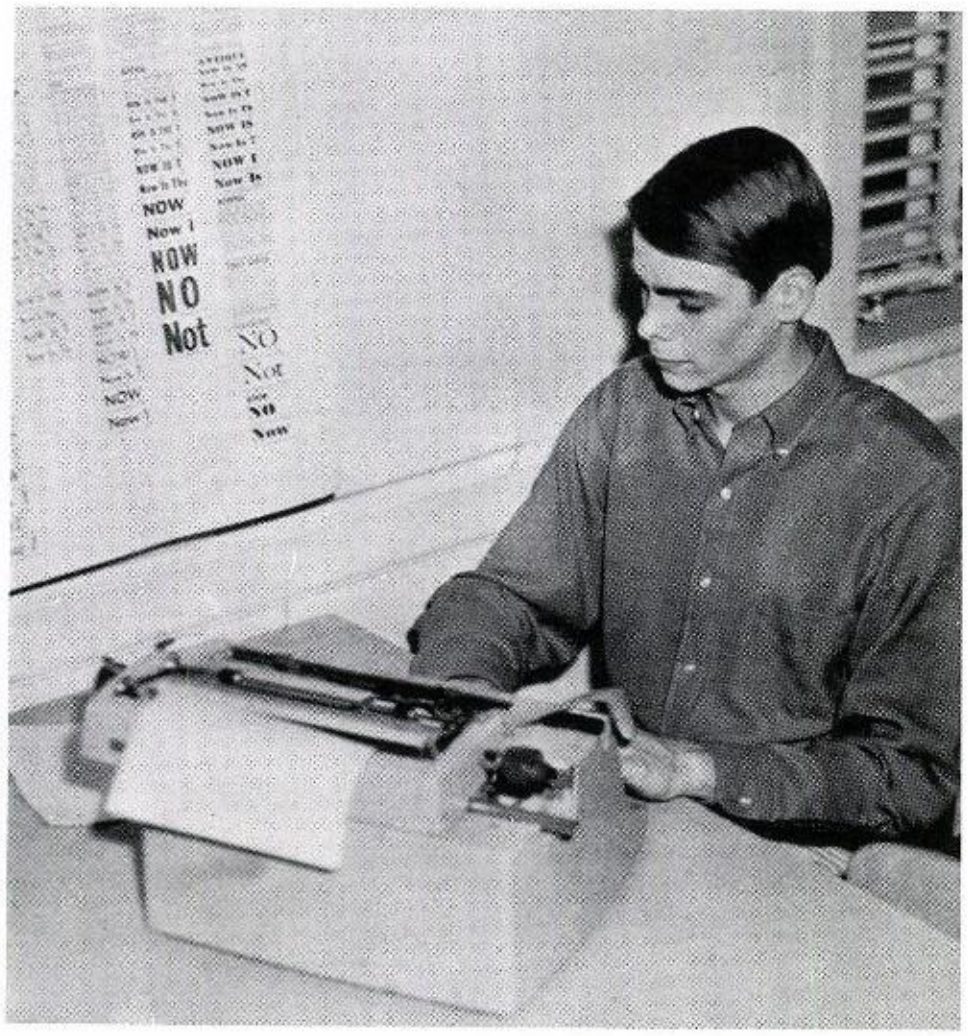
WHO'S WHO

Student Body President Kent Nicholson

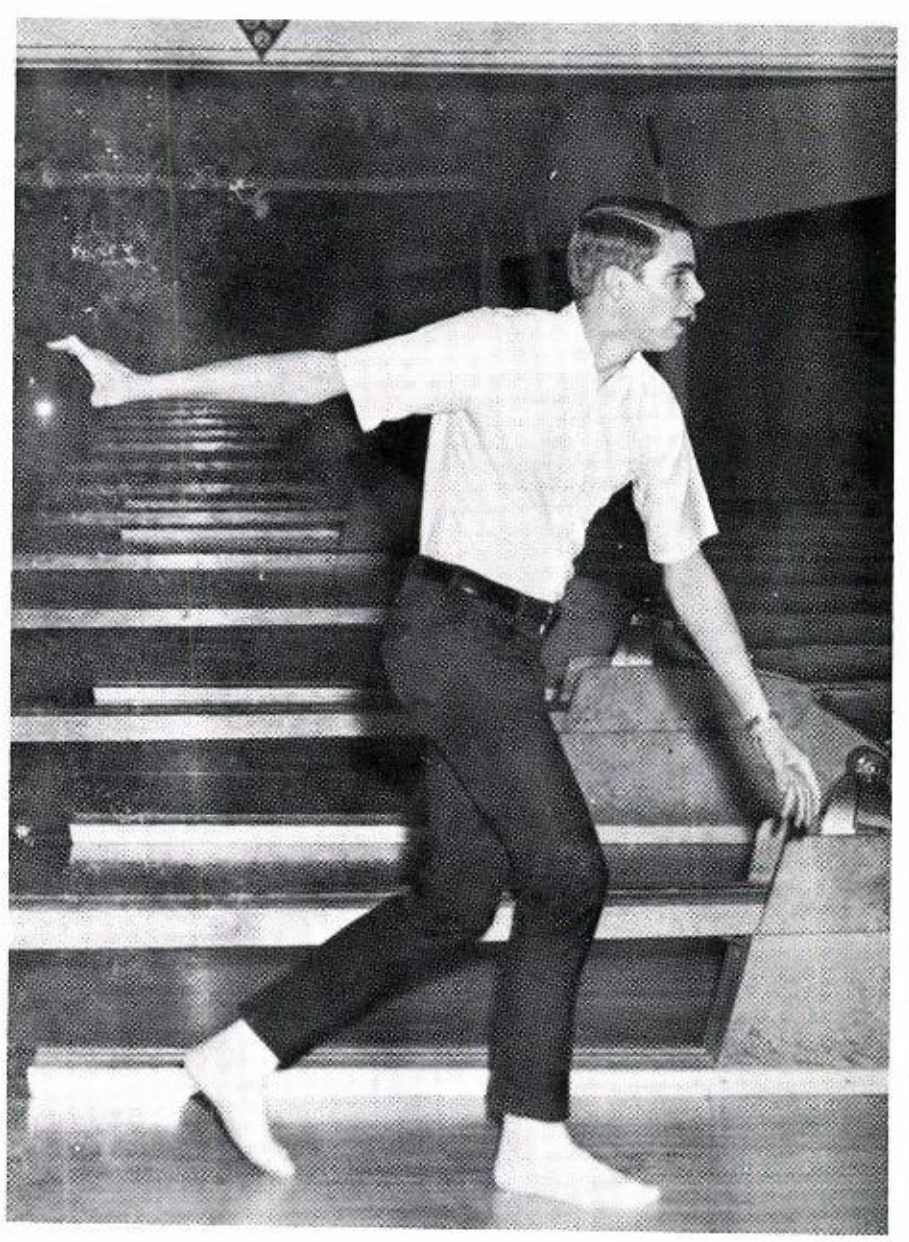


Promoting a good student-faculty relationship was the job well done by Student Body President, Kent Nicholson. The calm and determined manner in which he tackled all jobs earned him many friends and many honors. Not only was he chosen as the Boy of the Month by the Houston Exchange Club, but was given the Outstanding Teenager Award for PHS. Due to his outstanding leadership abilities, Kent received the Elks Leadership Award and the Soroptimist Award. He was a two year letterman in basketball and a one year letterman in golf. Kent's other varied interests included his participation as director of the Interact Club and his membership in the National Honor Society. Kent was also selected as Junior Rotarian for the month of October and was a finalist for Mr. PHS. A four year recipient of Academic Excellence Awards, Kent was a finalist for the Champion and Jones Scholarships and was selected as a member of Who's Who in American High Schools.





Beacon Editor Gary Reichelderfer



It is no wonder that the 1967-68 **Beacon** received an Award of Distinguished Merit under the able leadership of Gary Reichelderfer, BEACON EDITOR. Elected Most Valuable Staffer, Gary attended Journalism Day at NASA with reporter Jim Maloney of the Houston Post. Noted as co-winner of the Outstanding Teenager Award at PHS, Gary also received an award for outstanding work in high school. He was one of four delegates selected to attend the National Journalism Convention in Chicago and a three-year member of Student Council. Amiable Gary Reichelderfer will attend the University of Houston as a journalism major, possibly to pursue a career in court-reporting after completing his college education at the University of Texas.

Pasadenian Editor Joan Abbott

Vivacious and sweet Joan Abbott well displayed her qualities of leadership and organization through her work as Editor of the 1967-68 PASADENIAN. Joan was chosen Editor after she served as junior class editor in her junior year. She was a four-year member of Student Council and a member of Quill and Scroll, and was selected as Miss Junior Optimist for the month of January. Her versatility was illustrated through her active participation in the Future Teachers of America, National Honor Society and through her service as recording secretary and accompanist in the Acappella Choir. GRA has also been a part of Joan's high school life. Noted for her outstanding attributes, Joan was the recipient of the American Legion Leadership Award.

Pasadena High proved a busy place for lively Barbara Hagerman, Outstanding Math Student. She was a member of the National Honor Society for two years and was a recipient of the Academic Excellence Award for four years. Barbara placed as the highest ranking freshman and junior, and was selected as the representative to Girls' State. She was an alternate for the Champion Scholarship. Barbara ranked high with her classmates, too. She served as secretary of her sophomore class and was voted Most Likely to Succeed. A member of FTA, Barbara held the position of District I Corresponding Secretary for the Texas Future Teachers of America in her senior year. She was Rotarian for November and a two-year member of Quill and Scroll. Barbara worked as sophomore editor of the 1967 **Pasadenian** and as senior editor of the 1968 yearbook.

Commercial
Frances Benner

Because of her laudable achievements in commercial courses, Frances Benner has been selected as Outstanding Commercial Student. She participated in the University Interscholasic League in her sophomore year for typing competition, received the Academic Excellence Award for two consecutive years, and was a member of the National Honor Society. Frances has been on the Student Council and a member of the Future Teachers of America. Other activities that Frances enjoyed included her participation in the PHS Marching Band and Symphonic Orchestra for four years. A favorite among band students, Frances was elected Band Sweetheart.

Outstanding History Student Tom Haltom was known around campus for his friendly manner. Tom participated in the French, biology, and history clubs. He was an active Student Council member for four years and played in the PHS Marching Band during his freshman and sophomore years. Tom was a photographer for the 1966 **Pasadenian** and held the position of co-editor of the organizations section of the 1967 **Pasadenian.** As a junior, he was a member of Quill and Scroll and was selected as a National Honor Society member, of which he became president during his last high school year. Pasadena's **News Citizen** chose Tom as a Leader of Tomorrow and he was also chosen as a Student City Councilman.

Mary was awarded the National High School Award of Excellence and won a Junior Forum Scholarship to San Jacinto Junior College. Her extracurricular activities included her position as publicity chairman of the Catholic Youth Organization.

English
Ann Shields

Ann Shields was a runner-up for the 1967 Achievement Awards sponsored by the National Council of Teachers of English. She was awarded a scroll plus recommendations to the colleges of her choice. Thus, having been recognized as one of the outstanding English students in the nation, Ann rightfully deserved a spot in Who's Who. She was selected as Opti-Miss for the month of March and was a member of the National Honor Society during her senior year. Ann was a member of the Future Teachers of America and participated in the University Interscholastic League in Ready Writing for two consecutive years. Ann was recognized as a member of Who's Who in American High Schools.

Rodney Roach's accomplishments and abilities earned for him the honor of Outstanding Science Student for WHO'S WHO. He has been a member of the Junior Technical Society and attended its state convention. Rodney was selected to take the American Chemical Society Scholarship Exam in his sophomore year and placed second from the PHS contestants. He was a member of the National Honor Society and a National Merit Scholarship Finalist, for which he received a Certificate of Merit. Rodney's other interests cover a wide variety of activities, such as his membership in the Library Club and his trip to its state convention, his membership in Thespians, and his participation in speech tournaments. Rodney was chosen as an Optimist and was a Lions Club guest of the month.

Sixth Row: Steve Smith, Larry Leuthke, and Ronnie Willingham.
Seventh Row: David Barnes, Jimmy Pitts, Alan Childers, Pat Norville, Don Wester, manager; Albert Kimball, Ricky Worthington, Wes Morehead, Mike Birtchet, Eddie Foster, Ricky Shuman, Lanny White, Brooks Doughtie, Smitty McKenzie and Bill Patrick.

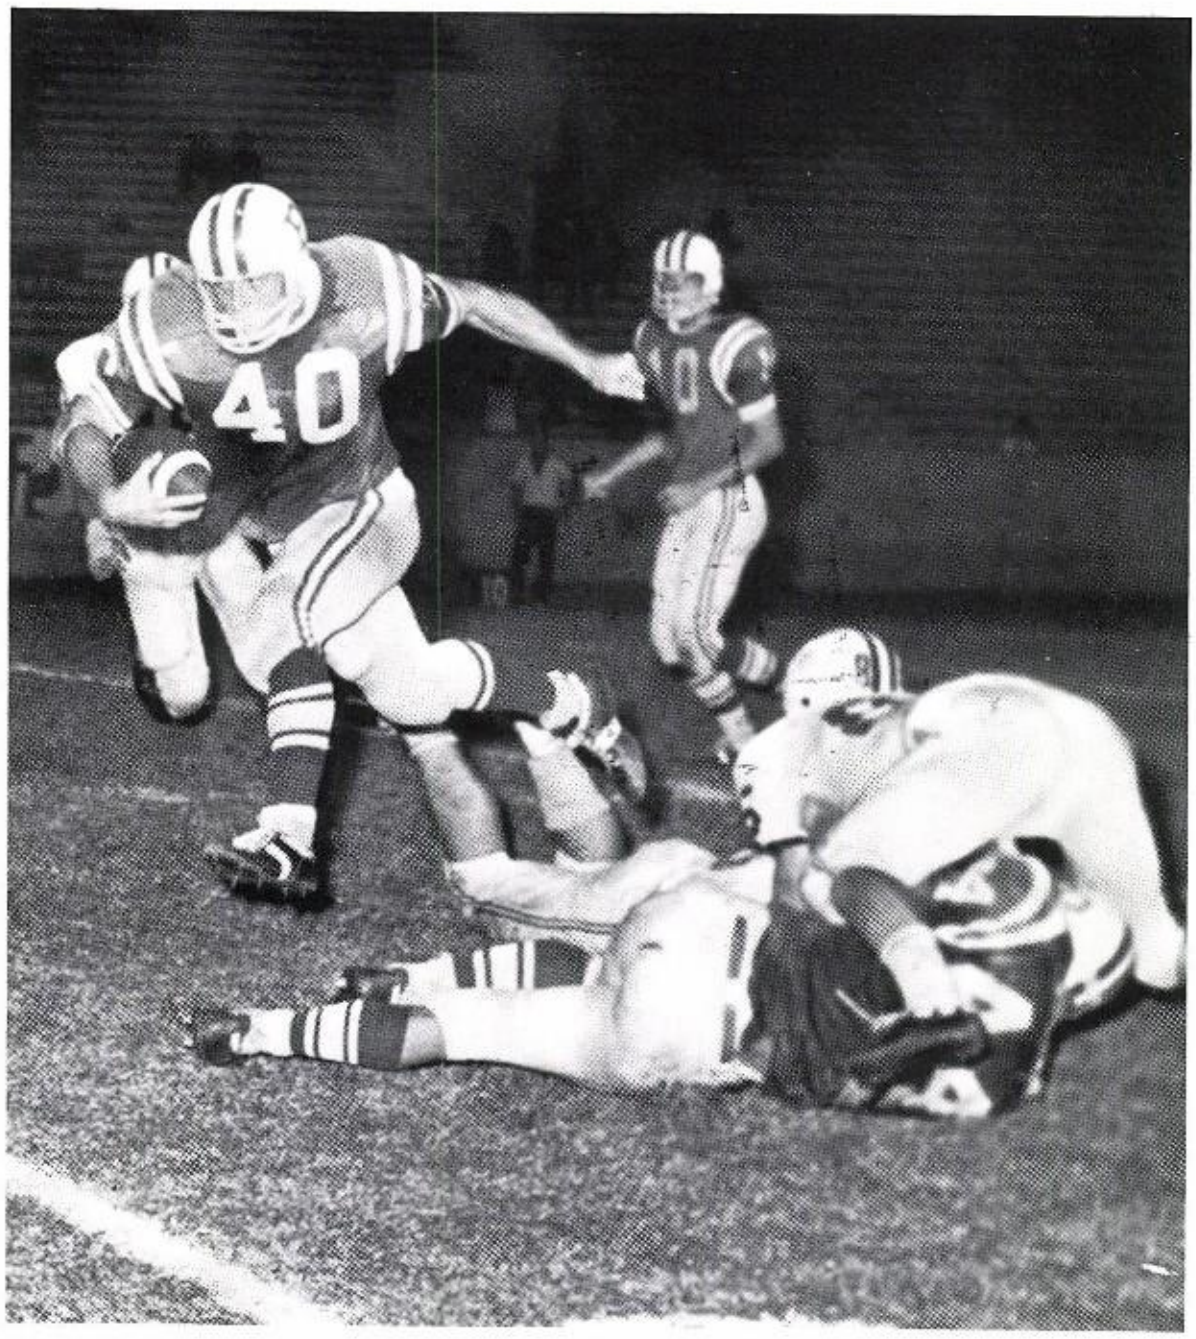
Eddie Foster is tackled after a ten-yard pass.

On September 17, the Eagles were handed their first loss of the season by the powerful Ball High Tornadoes from Galveston.

The Eagles took an early lead on Lanny White's 3-yard crash to paydirt. This was soon trimmed by the Tornadoes, leaving the score 7-6. Early in the fourth quarter the Galveston offense came alive behind the running of a young man with the famous name of Booker T. Washington and marched down the field for a quick score. The two-point conversion was unsuccessful. When they got the ball again, Galveston repeated their previous march with Booker T. rushing past the stunned Eagle defense for the final 26 yards. The unsuccessful extra-point try left the final score 18-7.

Eagles Open Season With 13-7 Victory

Through an opening made by an Eagle lineman, Lanny White picks up first-down yardage.



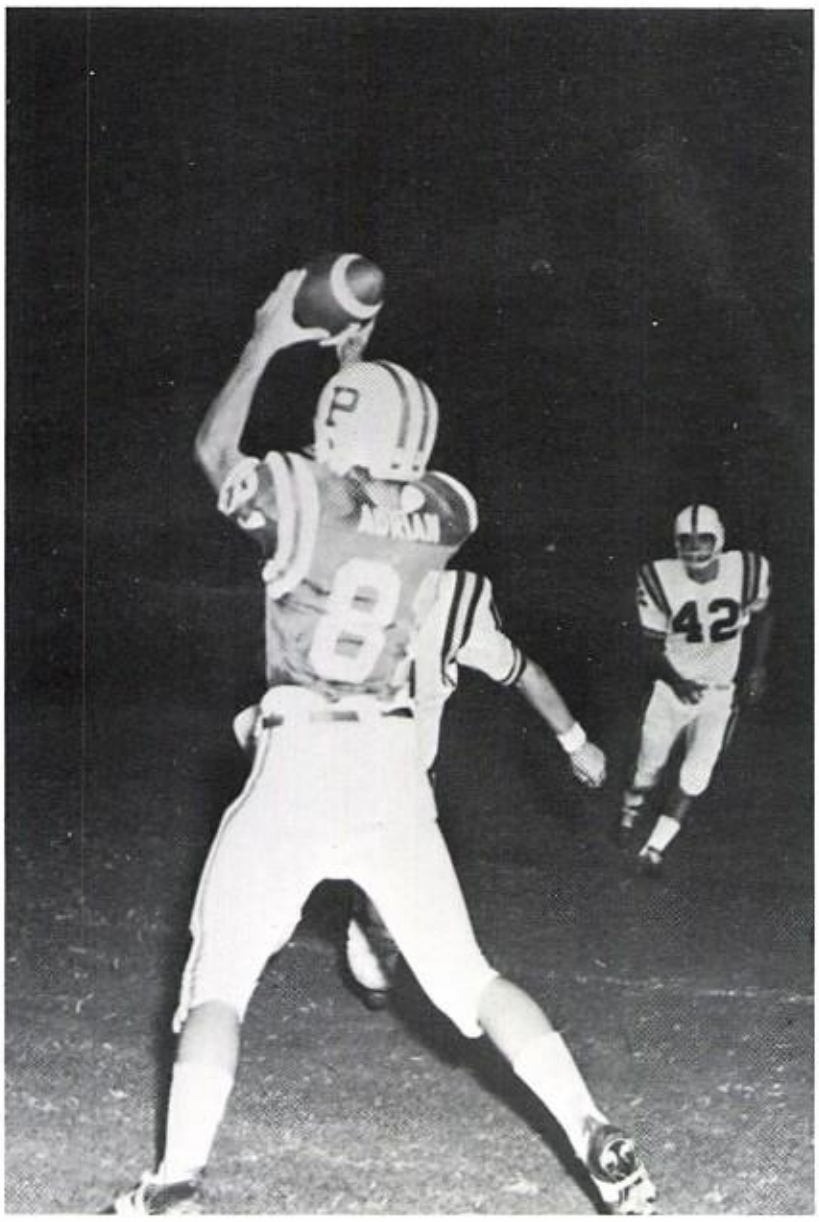
The Eagles squeezed by the Jones Falcons 13-7 to open the 1967 season in their traditional winning style. Lanny White's score capped a second quarter drive to put the Eagles ahead 7-0. A 91-yard kick off return by Jones tied the score 7-7. A long fourth quarter drive, climaxed by a ten-yard run by Smitty McKenzie, put the Eagles back on top. The two-point conversion try was unsuccessful and the game ended with a score of 13-7.

Norville leaps to snare a pass from Smitty McKenzie.

The Eagles got back on the winning track once again with a 6-0 win over Deer Park on September 22. As in the Galveston game, the Eagles scored early but this time were able to hold their lead. A 77-yard first quarter march led the Eagles to the Deer Park 3, where Lanny White slammed over for the score.

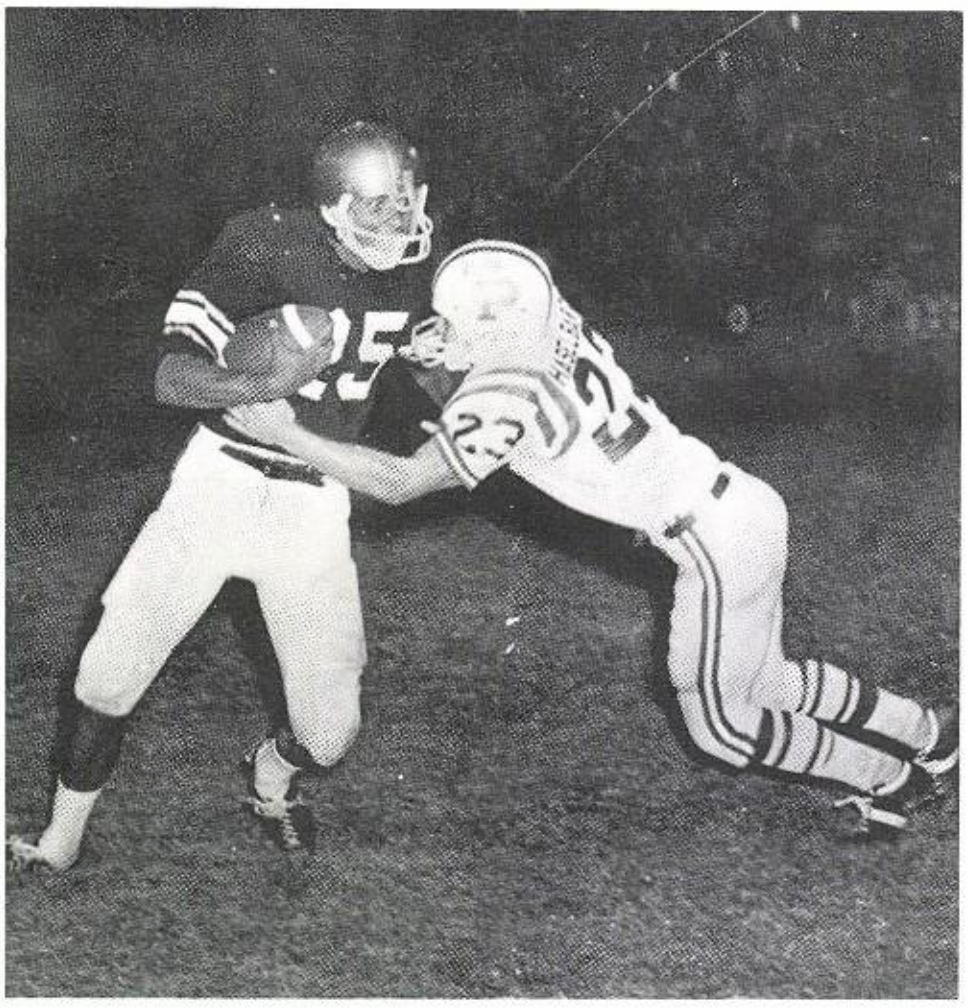
The rugged Eagle defense led by Steve Smith, Champ Traylor, Stanley Goode, and Jimmy Steininger successfully held off the Deer three times to lead the Eagles to victory.

Luck and a stiff defense combined forces to give the Eagles a 6-0 win over Port Neches on September 30. With nine seconds left in the game, Smitty McKenzie faded back and was promptly tackled in what appeared to be the last play of the game. Although the clock showed no time remaining, one of the Indians was guilty of grabbing McKenzie's face mask, so the Eagles were awarded one more down. Once again McKenzie dropped back to pass, but this time he got it away. Sixty-seven yards down field the ball dropped into the arms of Lanny White and he raced across for the touchdown. The extra point was unsuccessful, leaving the final score 6-0.



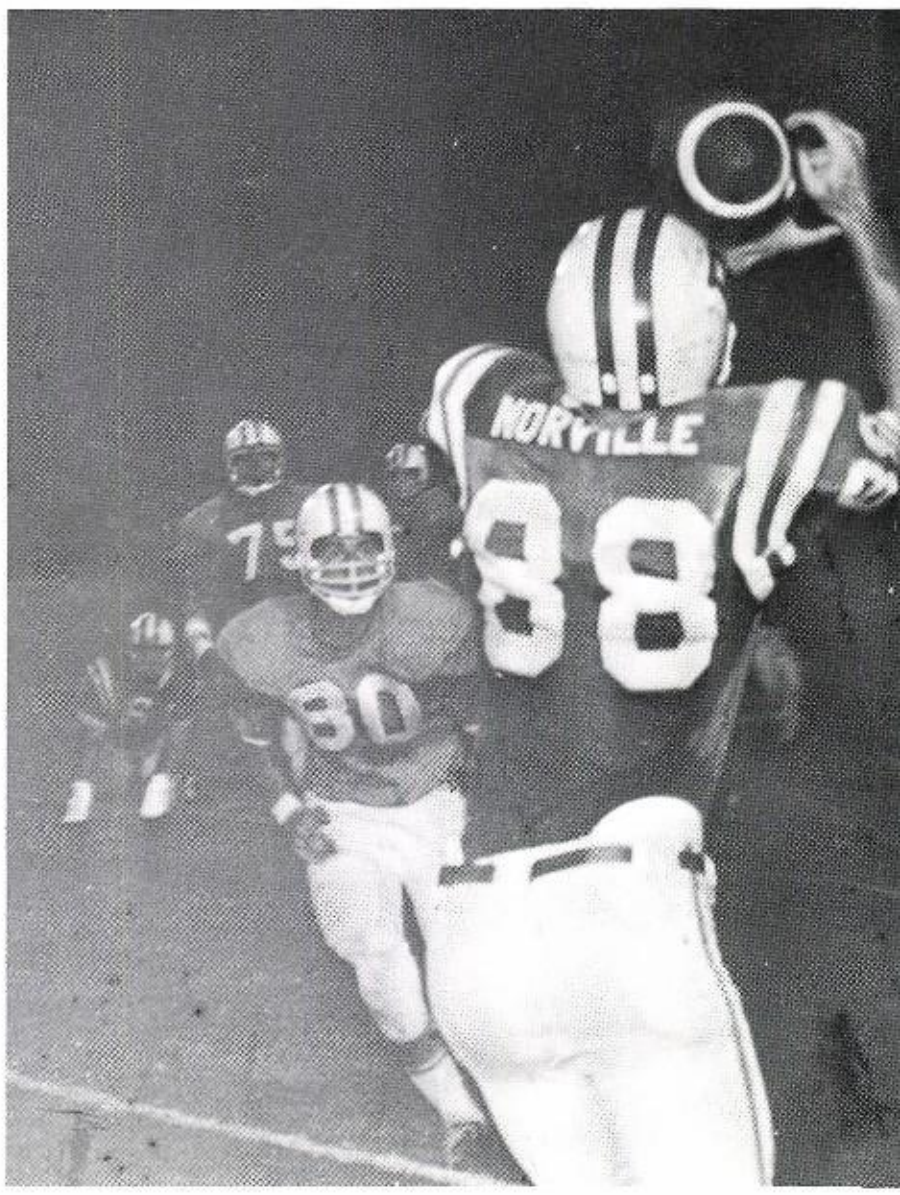
Adrian catches a pass, then goes over for a touchdown.

Lanny White crosses goal after catching 67-yard pass by Smitty McKenzie.



Eddie Haselbarth stops Nederland's kickoff return.

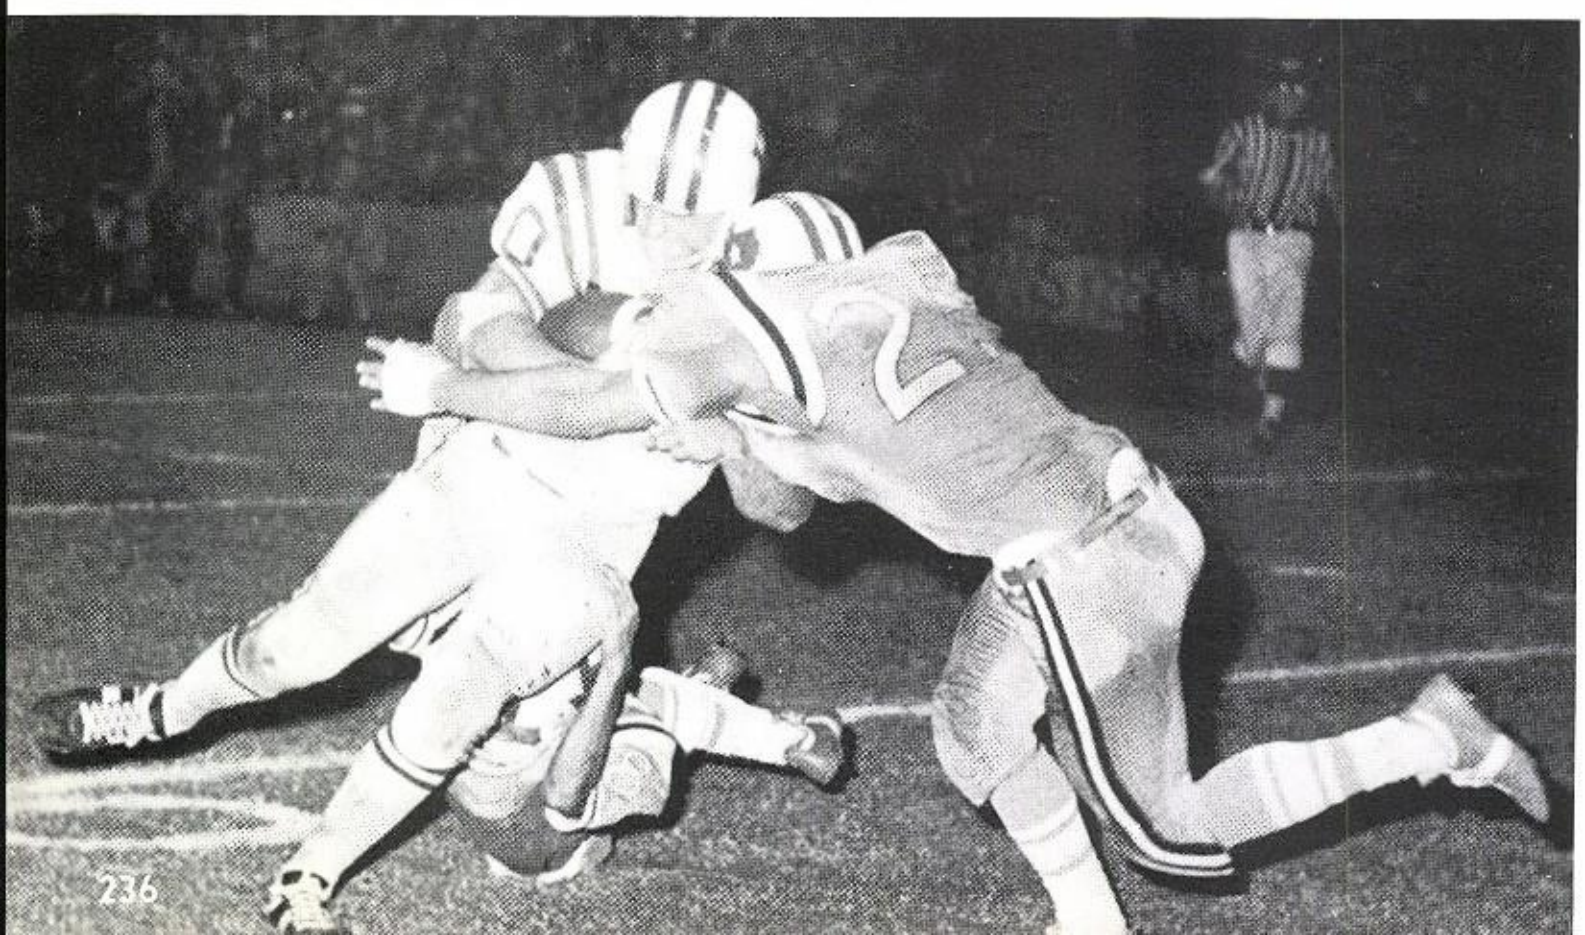
State-ranked Brazosport crushed the Eagle second team 48-8 on November 3 as the first team rested on the bench for the next week's showdown with the South Houston Trojans.



Pat Norville catches a pass to give the Eagles a six-point lead.

Pasadena Downed Sterling

Lanny, temporarily stopped in the backfield, was able to break free and head for paydirt.



Pasadena gains valuable yardage in an end sweep.

Lanny White is stopped after a 15 yard pass from Smitty McKenzie.

The Eagle steamroller with Lanny White at the wheel rolled over the Sterling Rangers 56-20 on October 13. In the finest performance by a back in the history of Pasadena High School, White gained 311 of the Eagles' 669 yards and put 44 points on the board to firmly establish his all-state status.

Much of the credit for White's fine performance belonged to the offensive line led by Larry Leuthke, Steve Smith, John Osborne, Champ Traylor and Mike Birtchet.

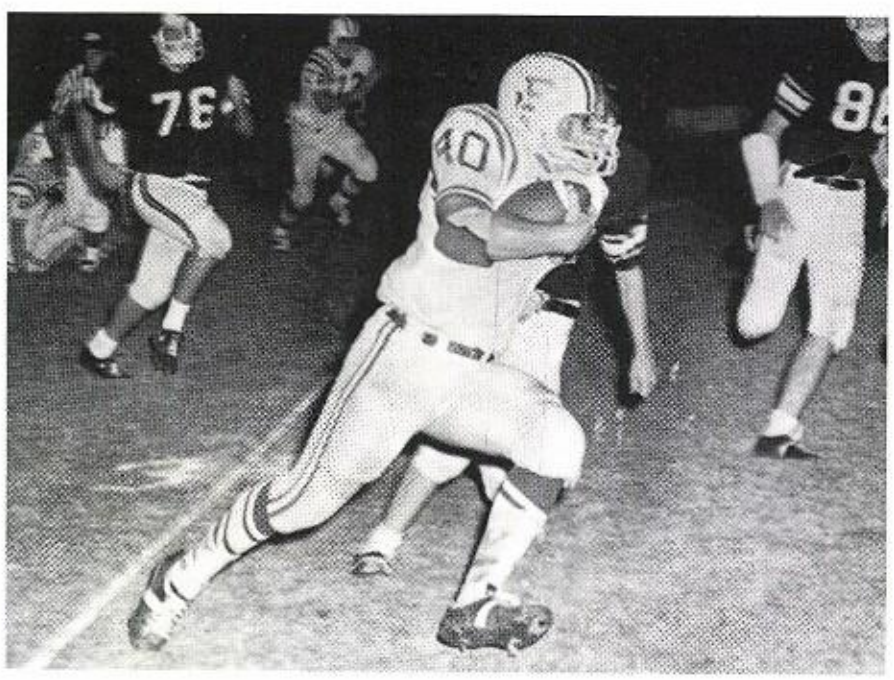
The defensive line, not to be outdone, provided an almost impenetrable wall against the Sterling ground attack, giving the Eagles their most impressive victory of the season.

Larry Andrews prevents a Galveston touchdown.

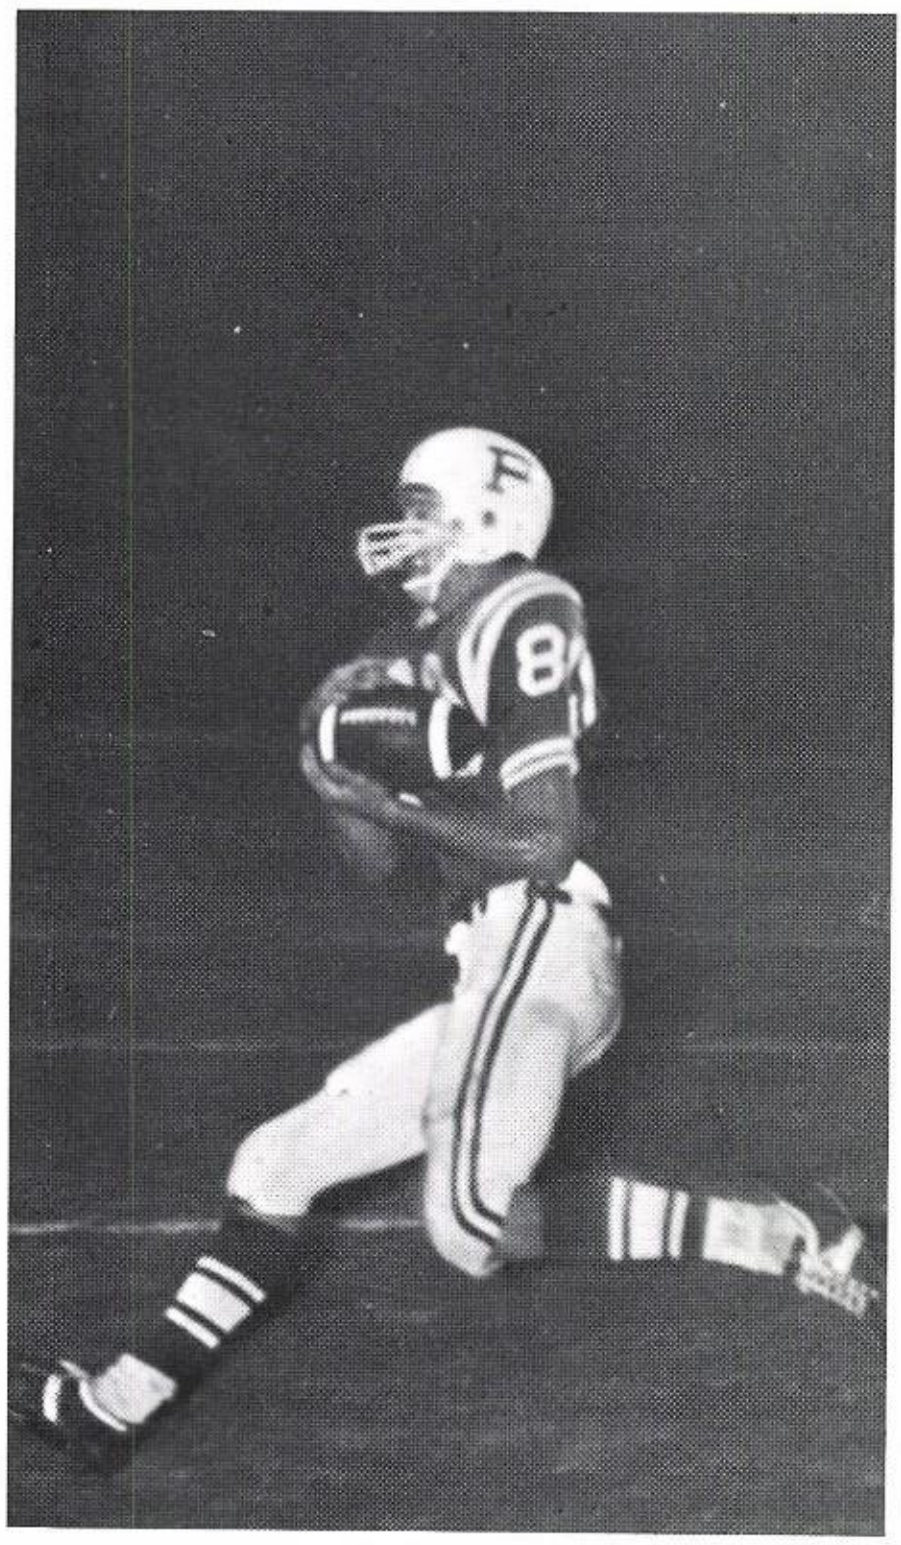
Pasadena recovers another Rayburn fumble.

Rayburn Defeated Once Again

A combination of power, running, and a rugged defense gave the Eagles their fourth victory, in as many tries, over the Sam Rayburn Texans. Lanny White ran 40 yards for a touchdown and added the point after for a 7-0 lead early in the first quarter. In the third quarter Rayburn tallied 9 points on a touchdown and a field goal to take the lead 9-7. The Eagles rallied in the fourth quarter, with a drive of 76 yards in 9 plays. A TD pass to Mike Barmore plus a two pointer left the final score, 15-9. Once again the boys from the "more prosperous side of town" were left yelling, "wait till next year."



Lanny White goes over for six points.



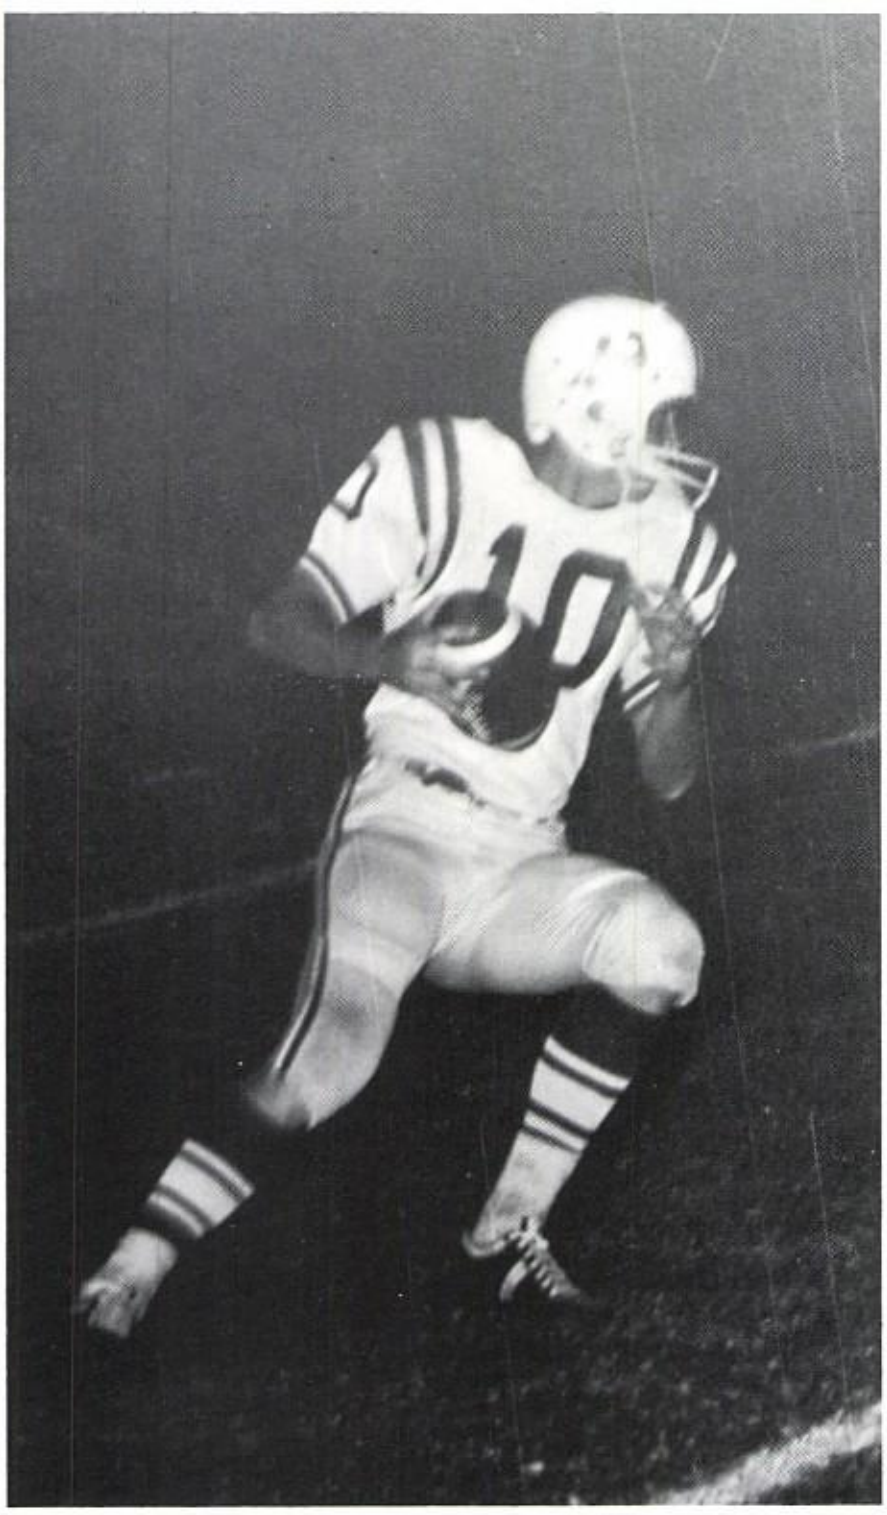
Mike Barmore scores six points for PHS.

Eddie Haselbarth tackles Ball High's Gene Perry after kick-off.

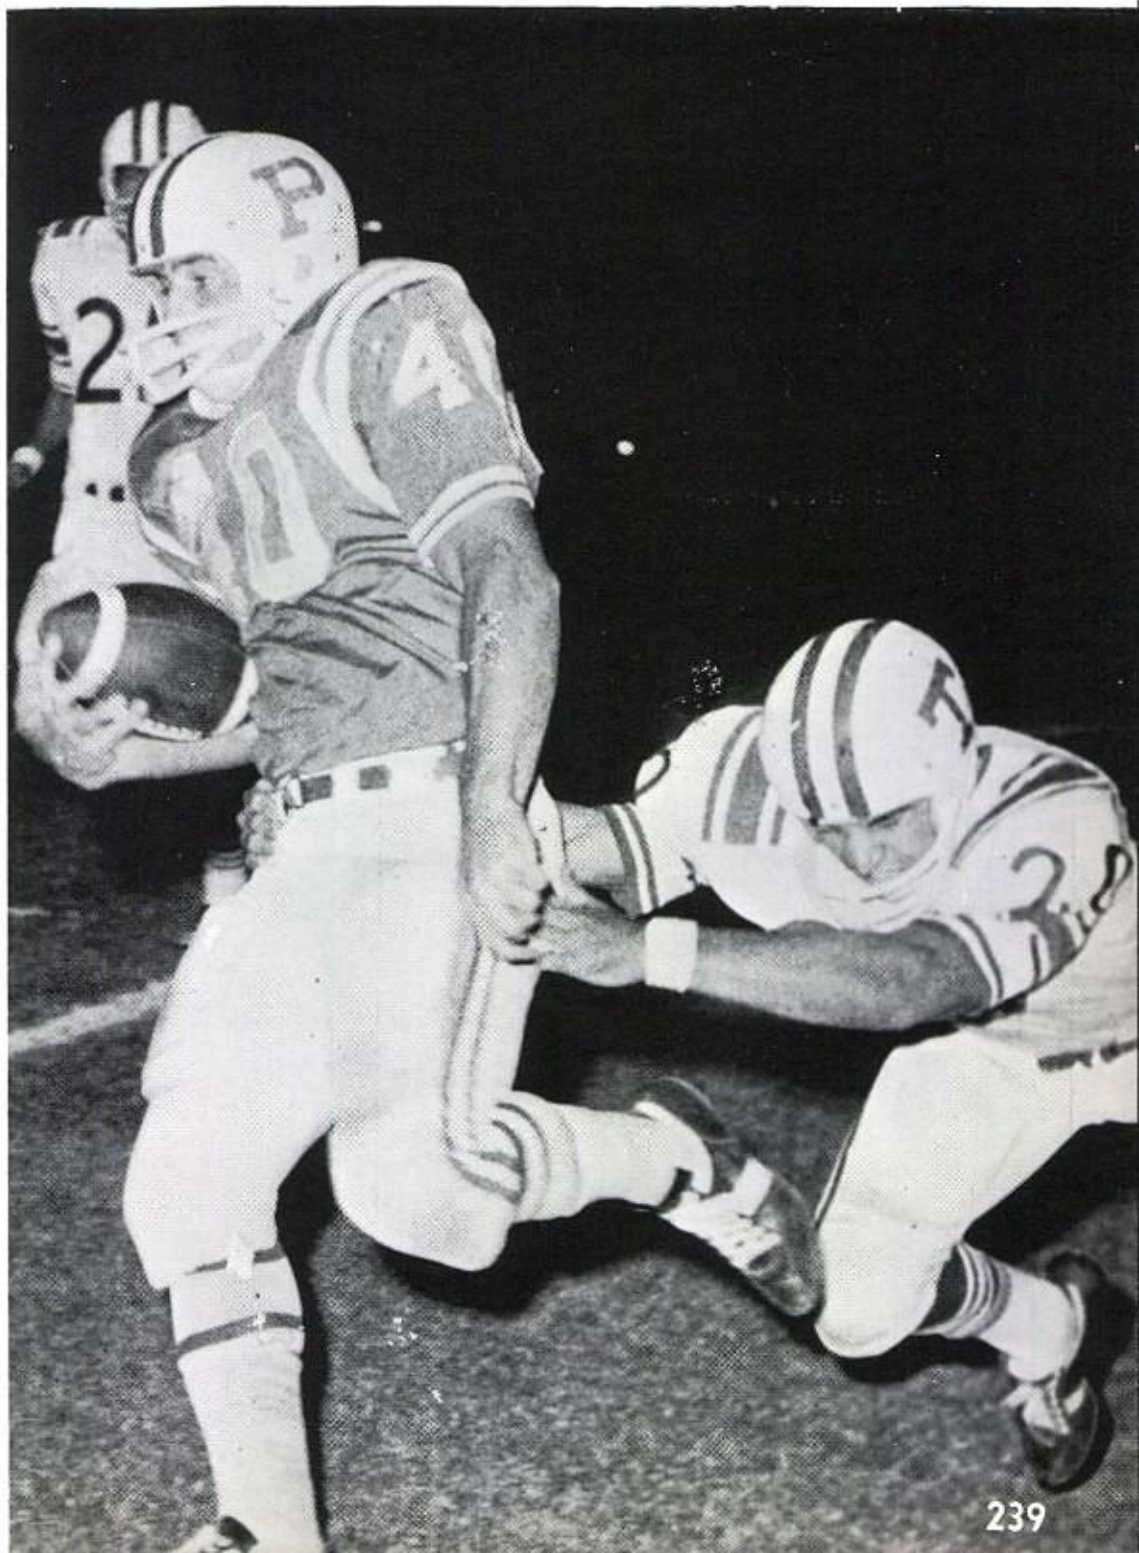
Accurate passing of Smitty McKenzie and Lanny White led the Eagles to a 22-6 win over the Baytown Lee Ganders on October 28. The customary early touchdown drive was climaxed by a seven-yard pass from White to Norville. In the second quarter McKenzie went to the air three times straight for 54 yards and 6 points. The last Eagle tally came on a 9-yard toss from McKenzie to White.

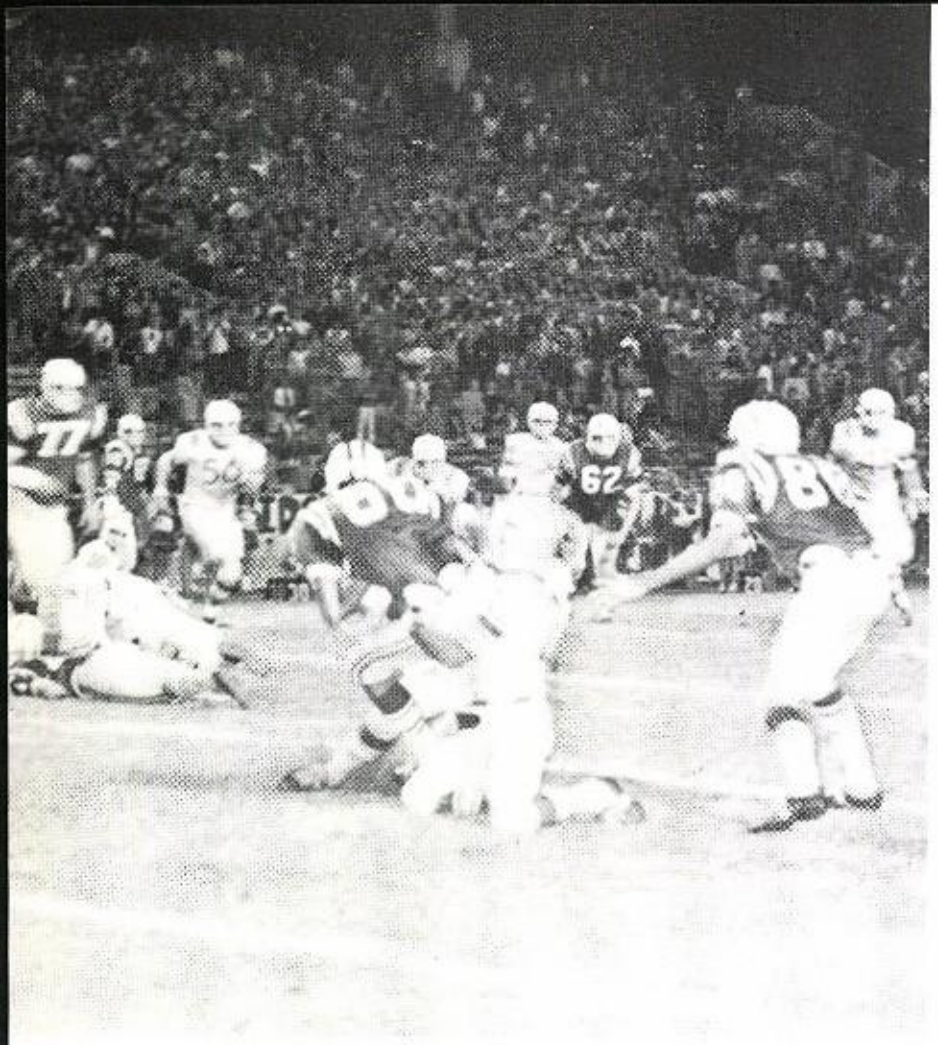
The Eagle defense was solid all during the game and the defensive secondary shone. Jimmy Pitts and Ricky Schuman made many good tackles. Albert Kimball and Pat Norville destroyed the Ganders' passing game with one interception each.

Smitty McKenzie searches down field for an open receiver during the Lee game.

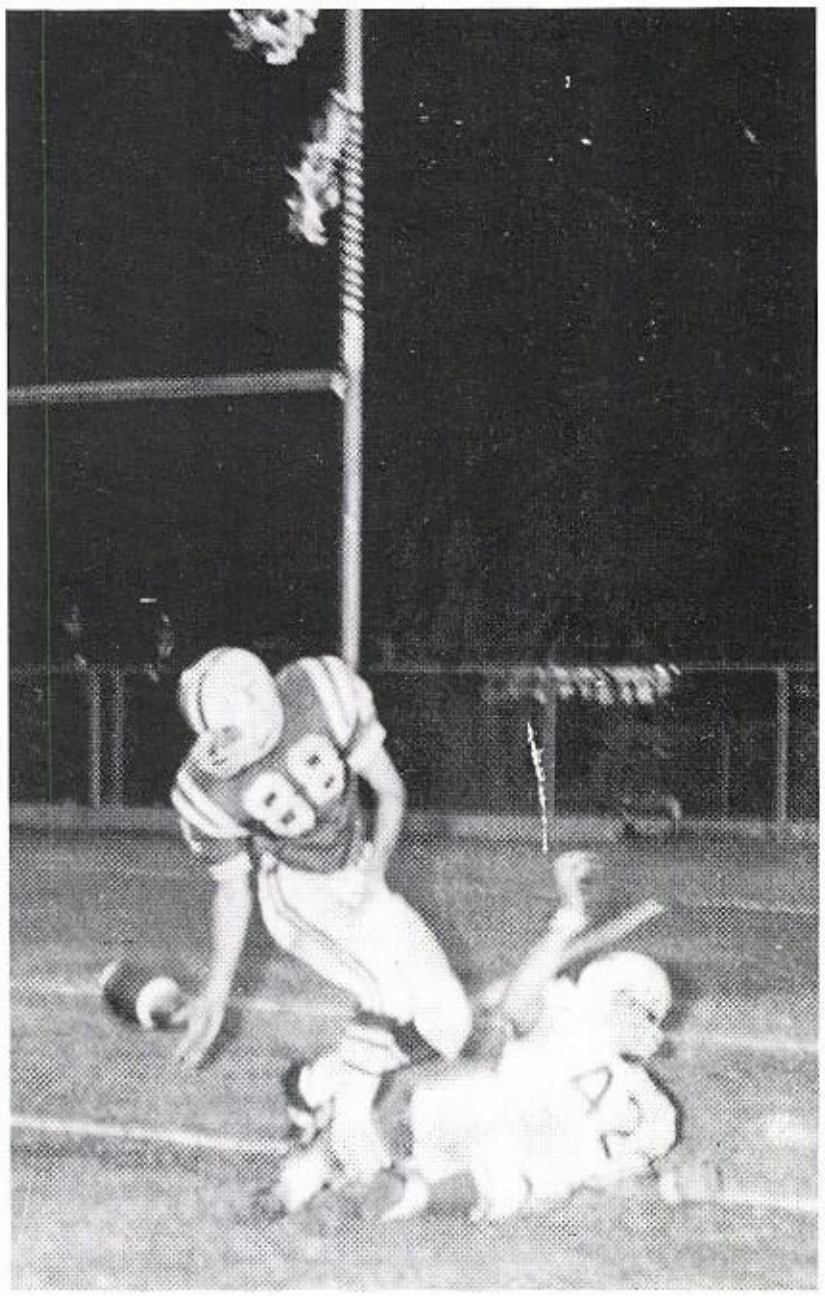


Lanny White very easily gets away from the snares of a South Houston Trojan.



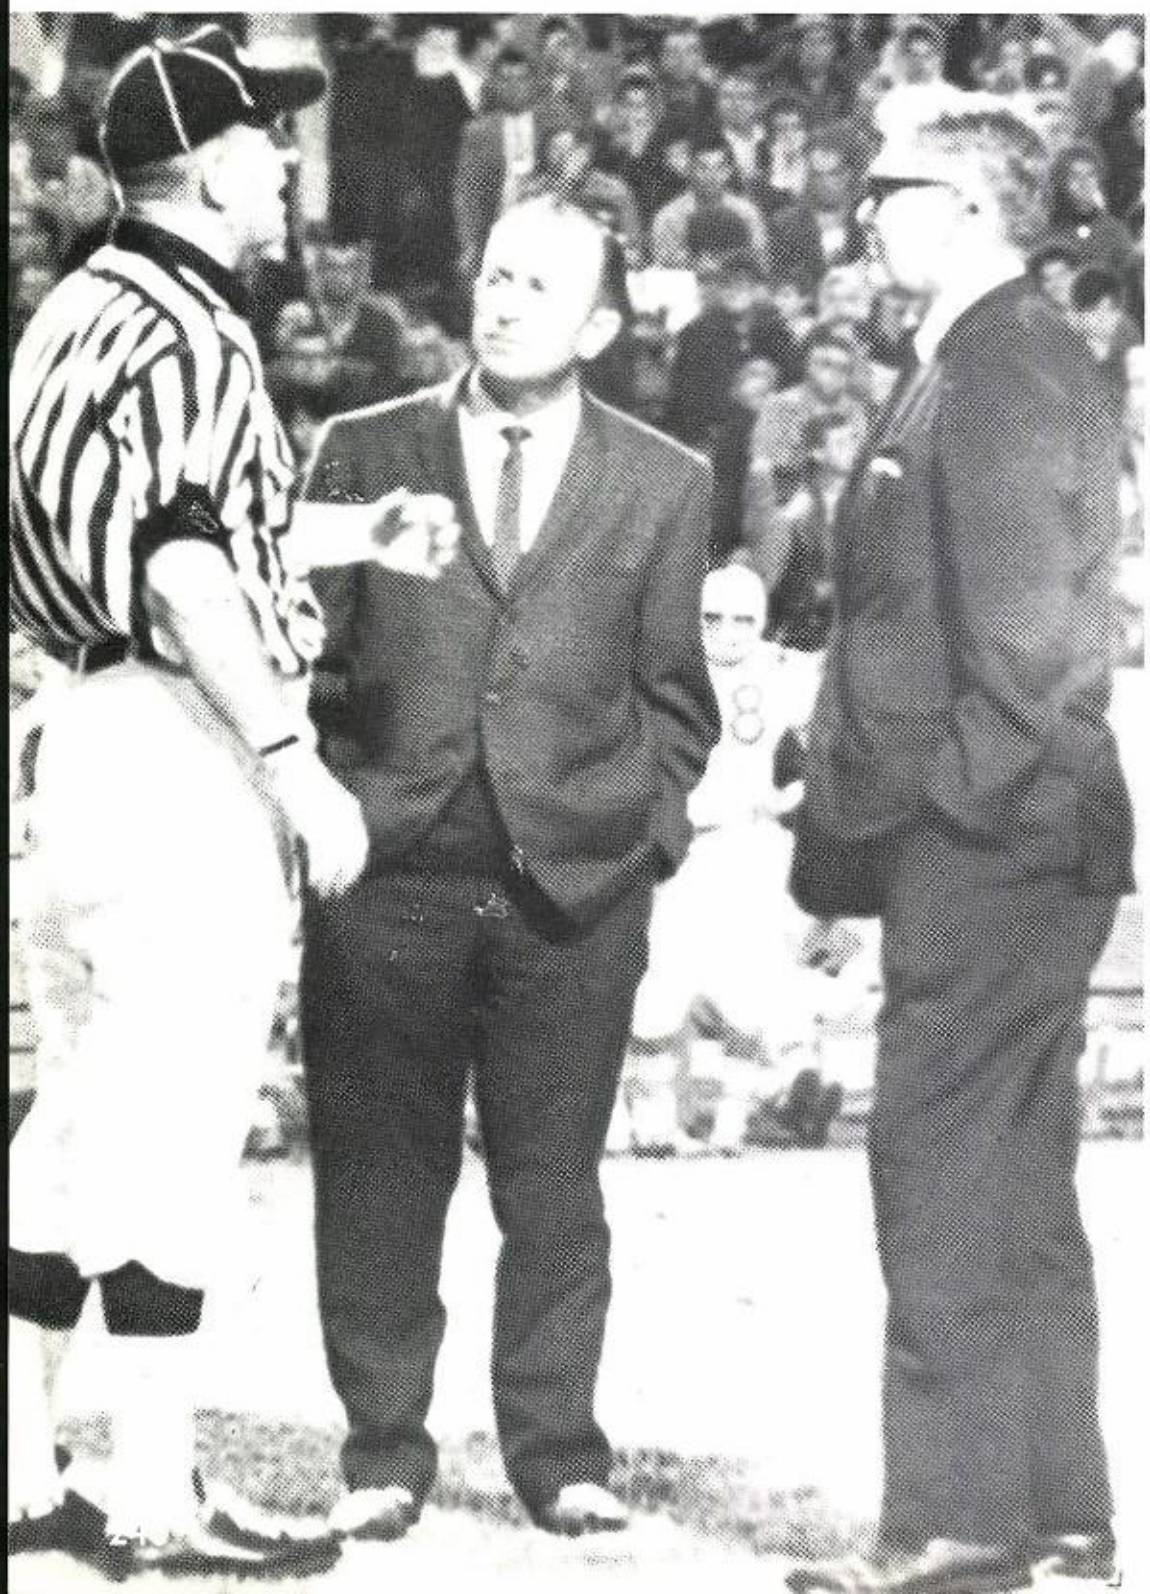


Mike Barmore is pulled down from behind by a charging Trojan.



Pat Norville misses a pass on the Trojan 15-yard line.

Tension mounts in the Eagle-Trojan game as Coach Barfield and Coach Clecker discuss penetrations with the referee.



South Houston's Trojans took advantage of a loose ball in the Pasadena end zone to gain a 13-13 tie and pull one penetration ahead of the Eagles 4-3 with less than four minutes left in the game. After a blocked punt by Champ Traylor, the Eagles drove to the Trojan 33. An incompleted pass on the 15-yard line turned the ball over to the Trojans. With less than a minute remaining on the clock, the Eagles took control once again. McKenzie passed to Kerbow at the 25. Two incompleted passes brought up fourth and two. A pass inside the twenty, which would have tied the game on penetrations, fell incomplete and the Trojans ran out the clock to win the right to represent the north zone of District 12AAAA in the playoffs.

Throughout the 1968 football season at PHS, the student managers, Don Wester, Rudy Sladecek, Ricky Meyer, Bobby Moore, and Corky Williamson proved to be valuable assets to the team. Working behind the scenes, they attended to the maintenance and distribution of the equipment necessary for the four football squads. They made certain that the players and their equipment were in the best possible condition at all times.

Managers: Don Wester, Rudy Sladecek, Ricky Meyer, Bobby Moore, Corky Williamson

All-District: Mike Barmore, Steve Smith, Larry Luethke, Lanny White, Champ Traylor

All-State: Lanny White

Tri-Captains: Lanny White, Stanley Goode, Champ Traylor

The Eagles dominated the North Zone choices for the All-District team of 1967. Five Eagles who made the first team were Champ Traylor and Steve Smith on defense and Larry Luethke, Mike Barmore, and Lanny White on offense. Champ, at linebacker, consistently turned in brilliant performances. Steve filled a vital position on the tough defensive line. Larry, at center, was one of the team's unsung heroes. He received the recognition he deserved with his selection as all-district. Mike was the team's top pass receiver and the second leading scorer. Lanny was the team's leading scorer and most valuable player. His selection as All-State proved him to be one of the most outstanding backs in the history of Pasadena High School.

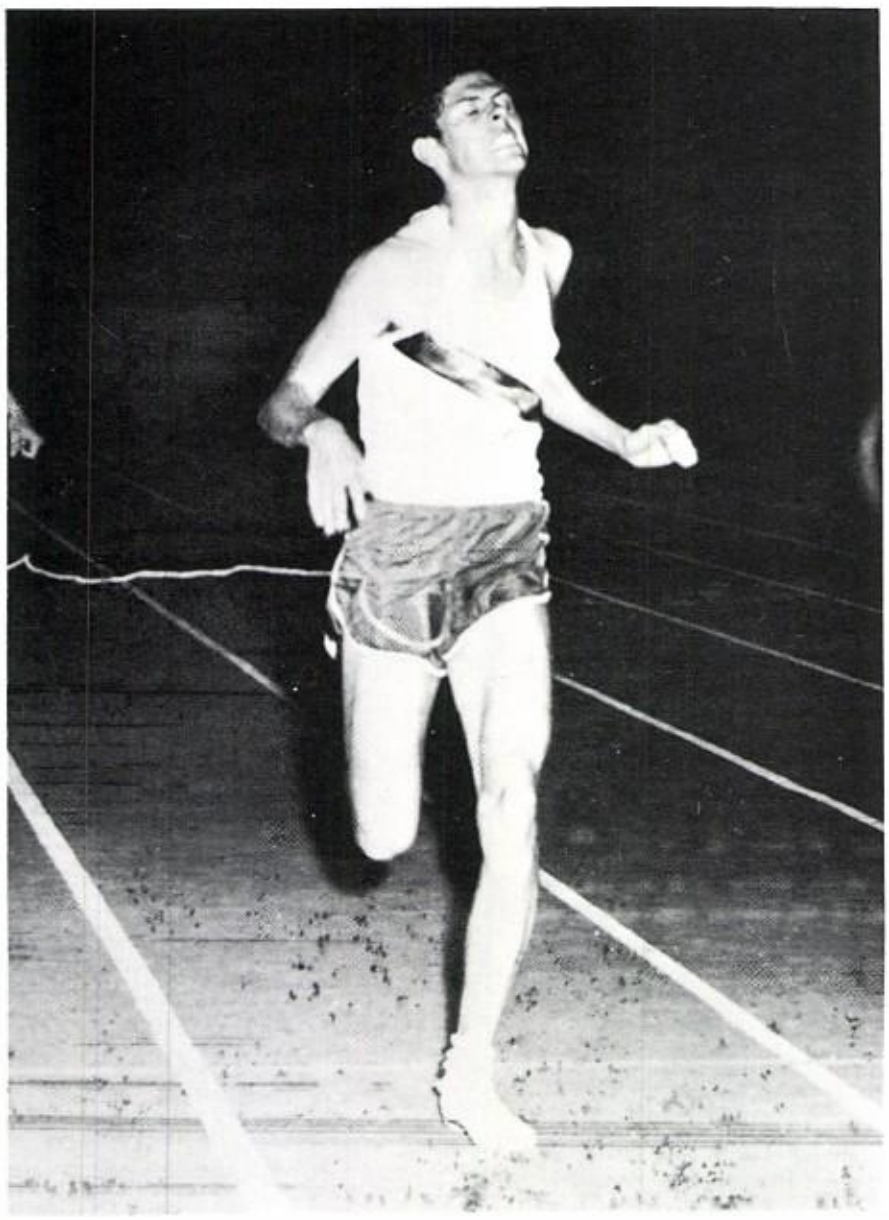
Track

Under the guidance of Coach Tollie McKown, Pasadena captured the District Track and Field Meet for the first time in many seasons and sent eight to Regional competition. Bill LaCaze and Stanley Goode finished first and second in the district discus throw. LaCaze also won first-place honors in regional. Others representing the Eagles in the Regional Meet were Lee Milligan in the 880 yard dash, Barney Reynolds, Ricky Meyers, Corky Williamson, Gailyn Wells and Pat Norville in the mile relay. Norville also ran in the high and intermediate hurdles. Corky Williamson also ran the 220 yard dash.



Corky Williamson takes second place in the 220 yard dash at the district track meet.

Pat Norville easily clears the high hurdles and earns the right to compete in the regional meet.

Second in State

Pasadena Eagles earned a berth in the state finals by winning six out of eight play-off games. The Green nine lost the opener with Galveston Ball High in district competition 2-1 but proved their mettle in the next two games with wins of 6-5 and 3-2.

The mighty Eagles opened the three-game Bi-District series with Beaumont French with a close 1-0 win. Beaumont took the second game 2-1, but the Eagles were victorious in the last battle 1-0 and won the Bi-District crown.

Only two meetings were necessary for the Green Power to eliminate the Galena Park Jackets from state competition with wins of 3-0 and 14-4. In the last game the Eagles riddled Jacket hurlers with five home runs. Champ Traylor, a switch hitter, got two homers, one from each side of the plate. Albert Kimball, Lanny White, and Stanley Goode accounted for the other roundtrippers. In the sixth inning the Eagles sent ten men to the plate and tallied five runs. Lanny White, the winning pitcher, allowed only five hits.

The Pasadena Nine captured the North Zone Championship with a 13-1 over Baytown Sterling. The only two zone losses dealt to the Eagles were due to the efforts of the Rayburn Texans. Stanley Goode, Champ Traylor, Jimmy Steininger, Jimmy Pitts, and Albert Kimball were named to the all-zone team. Goode's pitching talents carried him to a 4-1 record. Champ boasted .400 batting average, and Jimmy Pitts' agility earned him the position of utility infielder. Jimmy Steininger and Albert Kimball were exceptional outfielders. Traylor, Pitts, and Kimball were also selected to the all-district team.

Objectives of VICA Automechanics Club Chapters 117 and 362 are to develop leadership abilities and to foster a deep respect for the dignity of work. To become members of these clubs sponsored by Mr. A. G. Edmonson and Mr. John Rusciana, students must be enrolled in a vocational course.

These clubs in cooperation with the Auto Paint and Body Club and the Refrigeration and Airconditioning Club donated a refrigerator to the vocational clinic.

Sweethearts for these chapters, Cindy Newell and Becky Chidester, were two of the twelve girls selected from the two hundred applicants in the district competition. Becky won first runner-up in the contest.

A Full Year for the PHS Band

Because of his outstanding musical ability, Steve Tuggle was chosen for the All-State Band.

The Pasadena Eagle Band under the direction of Mr. James Warren and Mr. Robert Baker has been one of the most active organizations on campus. The marching band began the year early in August. Halftimes, such as the patriotic show performed by the band and choir at the Baytown football game, were evidence of many hours of work. Pep rallies were enlivened by the spirit and music of the pep rally band. The marching band also participated in the Shrine Bowl and the University of Houston Band Day.

The Stage Band then began work for its part in the Most Beautiful Pageant and other campus events.

The annual Christmas party was held in the Band Hall with music by the Love Society. Admission to the party was food or some article of clothing for a needy family. Frances Benner was presented as Band Sweetheart.

During the year, twenty-four band members placed in the All-District Band, twelve in All-Region, and one in All-State. Band members received additional awards at solo and ensemble contest held in March at which 64 medals were earned.

Some earnestly play; some wait to play; some just play.

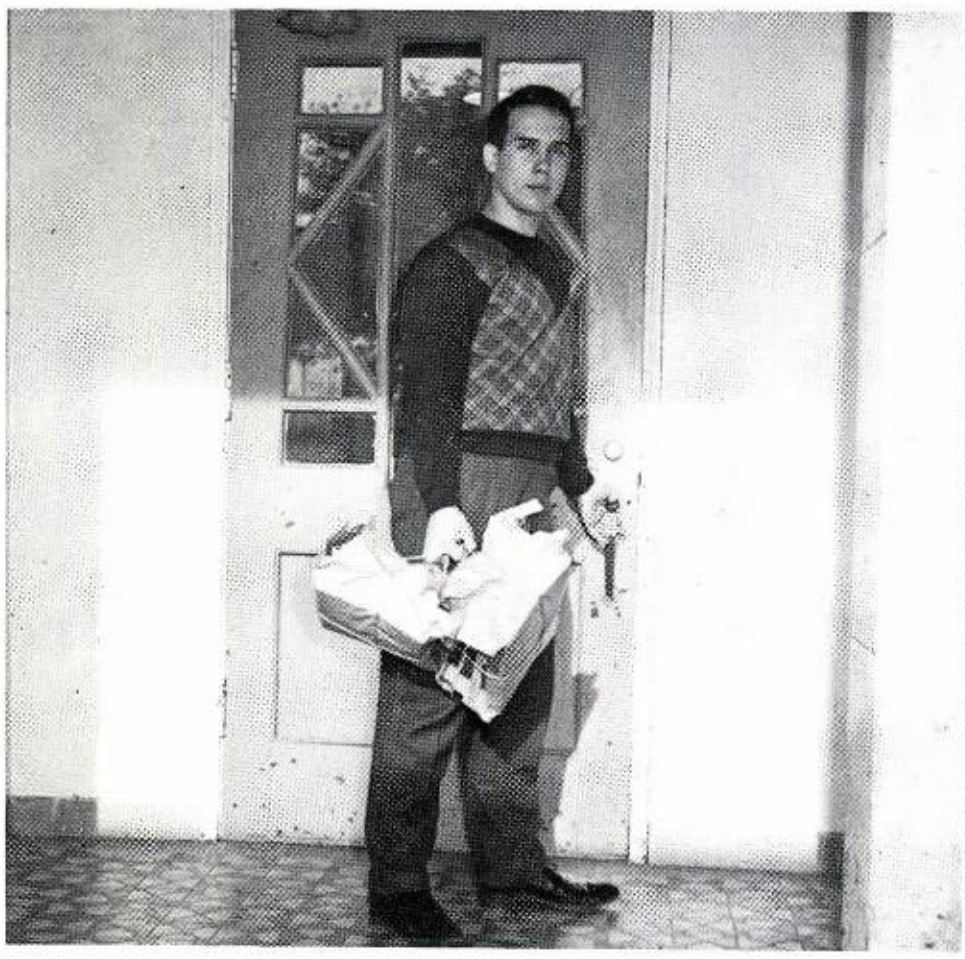
Covering the campus news in copy and pictures takes a great deal of time. **Beacon** staffers type up stories and photographer Jack Reeves covers a picture assignment.

Story of

Earl Smith, circulation manager, carries in a bundle of papers so Gary Reichelderfer and Beverly Elam can finish counting enough papers for each homeroom.



Campus news, sports, fads, clothes fashions, timely editorials—all were brought to the students through the efforts of the Pasadena **Beacon** staff, which operated on a bimonthly basis. The newspaper was sponsored by Miss Ann Berger, English teacher.

Sixteen papers were published this year, and some featured full page one pictures, which the student body seemed to enjoy more than the usual front pages. Several scoops were written on such people as Jean Shrimpton, world's highest paid fashion model, and Anne Toye, Miss London Look. Also included was Pasadena High's new student from Indonesia, Meiling Kwee.

For the first time in the history of the school, four staffers represented Pasadena High at the National Scholastic Press Association, held in Chicago at the famed Edgewater Beach Hotel. Christi Hooper, Sandra McIntosh, Donnie Armitage, and Gary Reichelderfer jetted to the Big City on Thanksgiving Day and returned home the following Sunday evening. Among the noted lecturers was Martin Agronsky, NBC News, Washington.

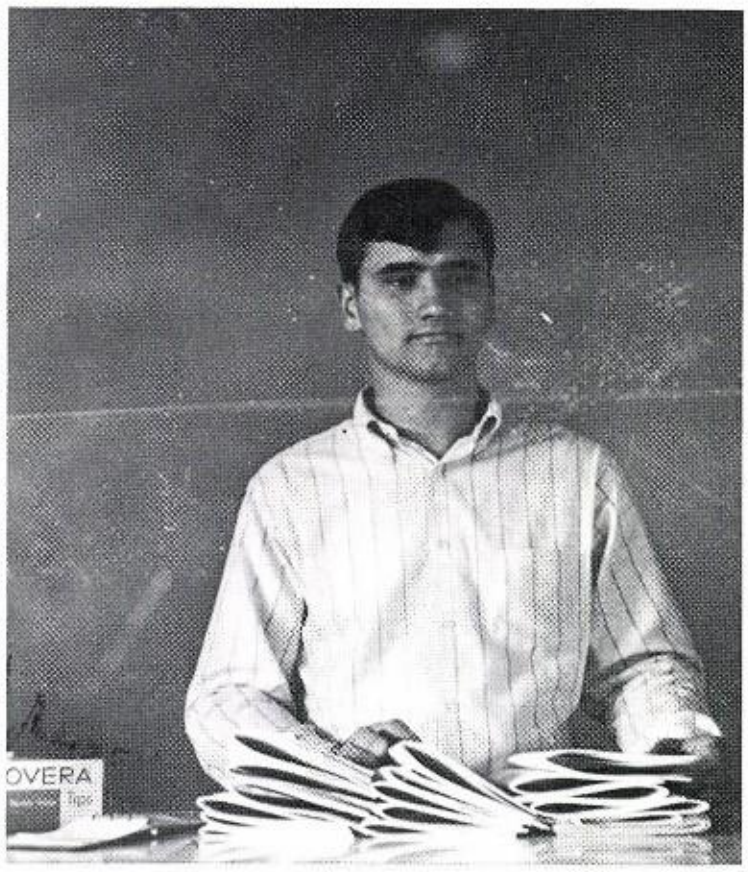
Business Club Members Take District Titles

These Business Club members attended District Convention at San Jacinto Junior College. Danny Sturm was selected as Mr. FBLA of the district.

Activities for the Business Club included sending Christmas cards to soldiers in Viet Nam, a bake sale to raise money to go to the FBLA Convention in Dallas, and a banquet at the Ye Olde College Inn in Houston. At the district convention, Danny Sturm was elected District I President and Mr. FBLA, Susan Farmer was chosen Miss FBLA, and Carolyn Childs was selected as Miss Future Business Teacher. This club, whose purpose was "to prepare people for the world," published the school telephone directory as its service project.

Getting into the spirit of Christmas, Business Club members send Christmas cards to GIs in Viet Nam.



Danny Sturm takes his turn behind the counter selling student directories, the money-making project of the Business Club.

Good Grooming Knowledge Shared With Youth Corps and Girl Scouts

Kathy Brinlee and Judy Griffith, faced with a twelve-minute time limit, practice rolling hair for a permanent.

Good grooming is common practice in PHS Cosmetology classes. These girls are concerned not only with improving themselves, but others as well. Such activities as a skit on healthy grooming for the Youth Corps, a lecture for the Girl Scouts at Sunset Methodist Church, and a Christmas project for a needy family prove their willingness to help others. Classroom work is designed to prepare these girls for careers as beauticians.

As the Christmas assembly begins, Mr. Keller proudly introduces the Acapella Choir.

Acapella Is Synonymous With

Practicing makes for a perfect choir.

A synonym for the Acapella Choir is work. Members of Acapella have done much to entertain many. Everyone remembers with pride their participation in the patriotic program at Baytown Lee game. So many of the school assemblies could never have been as enjoyable without the music of the choir. Christmas brought the music of Handel's "Messiah" and a December concert. PHS could also brag about the placing of seventy-nine first place division medals won at the UIL contest. Another happening was the forming of a new madrigal choir called the Choraliers. They were selected from the Acapella Choir by Mr. Scarcella. Also prominent in memories was the traditional Choir Tour in late April that took them through Huntsville, Beaumont, Nacogdoches, and Fort Worth. One of the prettiest events took the form of a Spring Concert in which the members dressed in formal attire.

One of the oldest traditions of the choir is receiving a lick on your birthday. At the Choir Christmas party, it was proved that even choir directors are not exceptions.

Data Processing 361

Data processors wire the 407 programming computer.

Data Processing 361 is a band of students enrolled in trade and industrial education. Members try to develop their leadership abilities in educational, vocational, civic, recreational, and social activities. In addition to this, they try to promote high standards in trade ethics, workmanship, scholarship, and safety. However, the year wasn't all work and no play. Some of the activities of the year consisted of a picnic at Huntsville Park and one at Frufort, a party in the Snack Bar where a basket was prepared for a needy family, and an organization meeting where slides were shown of Arabia.

Data Processing 371

Data Processing Club members are enrolled in a program designed to acquaint students with the punched card equipment used to take facts and figures and put them into useful information. The first-year course is concerned with the operation of the basic machines including the 024 and 026 Keypunch, 083 Sorter, 548 Interpreter, 085 Collator, 519 Reproducer, and 407 Accounting Machine. Second-year students advance their knowledge of the 407 and study programming using a 1401 Computer. A common expression associated with this course is "Thimk."

First-year students Kenneth Staha, Sandra Murdock, Pam Mills, and Doug Valdetero are correcting this 407 control panel.

Pam Bartula, Brian Geaslin, and Kenneth Staha won awards in speed skills. Kenneth also placed second at the state meet.

DE Members Receive National Recognition

Edith Simpson tells Santa Tommy Watson what she wants for Christmas at the party for the faculty.

DE members enjoy the open house as much as teachers.

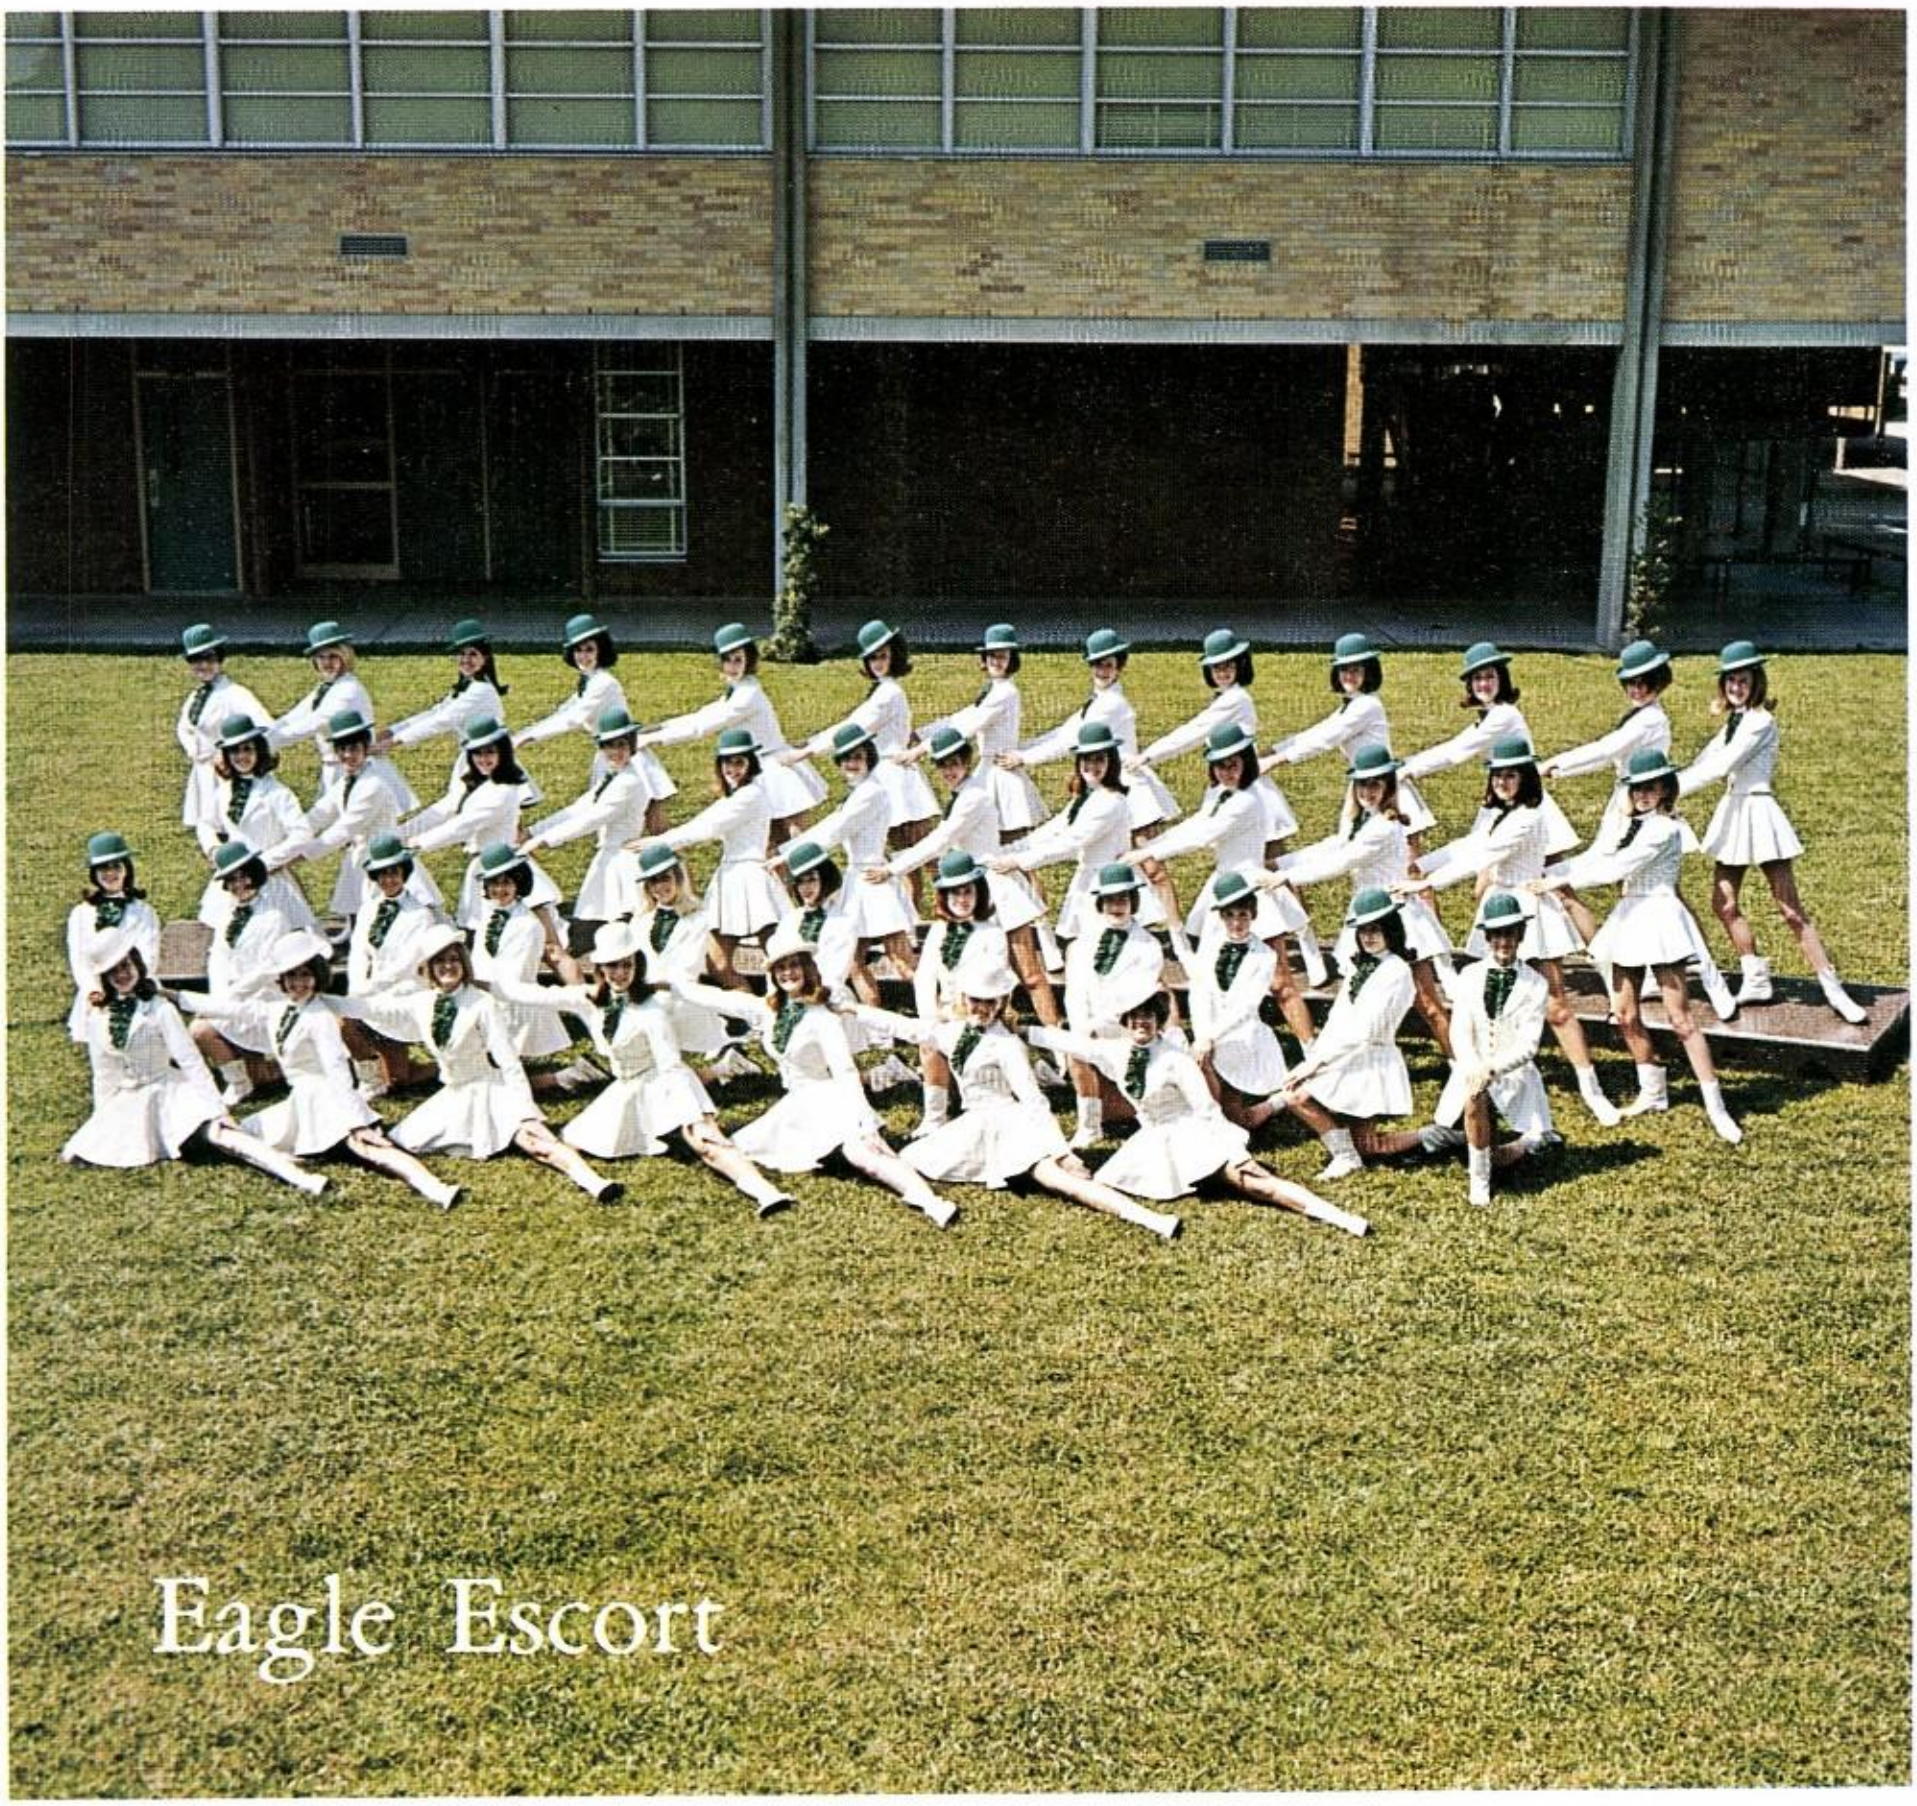
Mike Landolt and Tommy Watson proudly display the "Best Chapter in the State" Certificate of Award and club trophies.

DE members take notes on a "Trade at Home" lecture given by Mr. Verne Lane, chairman of the National Sales Executive Club.

At the beginning of the year, a number of prospective members were given applications for the DE club. They were selected after a screening by the counselors and Mr. C. A. Still, DE sponsor. In September, the DE members presented an open house to welcome all the teachers. December saw another open house for teachers just to say "thank you" from the members of the club. December also brought their Christmas party. This year proved to be the best for the DE club. DECA presented them with a trophy and $900 for their "Trade at Home" project. This was the first time for a DE group or any other youth organization to receive this nation-wide award.

Teachers enjoy an open house given at Christmas time by the club to welcome all teachers.

The 1968



Eagle Escort

Staccato beats of "Mame" are put to good use by the Eagle Escort officers.

Before the school year even begins, the Drill Team is hard at work practicing for the coming year. During this clinic, the girls review marching skills, learn new routines, and work with the band. All of this time, work, and sweat pays off, however, when the girls present their halftime performance at every football game. After football season, the girls start working on their annual talent show held in January. This year the theme was "Happiness Is." The members did their own choreography to such hits as "Walking Happy," and "Mame." Other events in which the Drill Team participated were the Shrine Bowl, dedication of the new stadium, and the San Jacinto Day Parade.

The Pride of PHS:

"Y'all YEEELLLLLLLL!" was frequently uttered by Mrs. Richardson at the early football games.

Happiness is watching the Eagle Escort Review from the start to the appropriate finale of "We Have Entertained You."

Planning a tomato plant sale means a great deal of careful attention by FFA boys.

With the addition of a greenhouse, the Future Farmers of America were able to expand their study of plant growth. PHS is the only school in the district with such an experimental laboratory. The future farmers sold tomato plants to help pay the expenses of the laboratory.

Their services also proved helpful to the Pasadena and Houston Rodeo Committees and to the Interact Club's sale of Golden Raintrees.

At the annual fall FFA Pageant, Arlene Lucas, sophomore, was crowned sweetheart of 1967-68. Cindy Carroll, also a sophomore, was first runner-up.

Pasadena officers perform the opening ceremonies at the annual district Parent-Son Banquet.

Demonstrating an effective technique for handling kindergarten children requires great patience by Mrs. Gary Petit and careful attention by FHA members.

"Toward New Horizons"

The members of the FHA fully realize the importance of creative family life to the individual, community, and world today and to the future. The FHA girls have well demonstrated their concern for the community and school during the 1967-68 school year. Homecoming was a memorable activity with the help of the FHA members who were there to serve the Exes and welcome them back with a smile. The annual Christmas Open House enjoyed by every student of PHS was under the sponsorship of FHA. However, the working girls of FHA not only helped their fellow students at Christmas but also hosted the football banquet and the Mickey McCarty Banquet. As a community service, the girls visited Autumn Leaves Nursing Home.

Foley's fashion coordinators visited an FHA meeting to give the girls a preview of styles to come.

National presidential elections are not the only important elections for 1968, as illustrated by the vigorous FTA campaigners Jimmy Delony and Jackie Hayes.

The Nevada Miller chapter of the Future Teachers of America began an exciting year early with their Hobo Day in August where members washed cars, polished silverware, and washed windows. Programs included a panel of students that questioned teachers about their profession, caroling at two local nursing homes, and the participation of twenty members at the state convention. PHS was the host school for the District I convention. Junior Jackie Hayes was the District Chaplain and Maxine Herndon, junior, placed second in the Miss FTA speech contest.

French Club

French Club Officers: Mary Carrigan, Ken Train, Elizabeth Windham, and Mike McCullen.

Les Gens Jeunes (the Young People) is a group of forty students who want to further their understanding of France, its culture, and its language. To be eligible for membership into this French Club, a student must have completed one credit of French, or be enrolled in a French course. Les Gens Jeunes often participates in other foreign language club activities, such as attending the Spanish Club's Christmas party. This club holds the distinction of giving the first Mardi Gras party and inviting other clubs.

Christmas time in the German Club meant the preparation of food to send to the needy people by club members Janice Christ, Donna Reynolds, Paulette Frady, and Mike Logan.

Club Promotes Study of German Traditions

PHS welcomed the formation of the new German Club this year under the sponsorship of Mr. Arthur Clark. To become a member of the club, a student must be interested in the German people and their culture. Activities for the club included a visit from a woman from Germany who answered questions about German customs and the viewing of colored movies of Germany at Christmas time. The German Air Line "Lufthansa" sponsored a show that the club enjoyed and members donated food for the less fortunate during Christmas. Members attended the foreign language clubs' party sponsored by the Spanish Club and also visited the German Trade Exhibition at Jones Hall. An end-of-school party was held on May 22 where members danced steps ranging from the Polka to the Boogaloo to the Push. German II class members surprised Mr. Clark with their present of a diamond tie pin presented as a farewell gift. The party ended with the singing of several German songs.

Patty Wasek leads a discussion of group plans to attend the German Trade Exhibition.

History Club Promotes Appreciation and Understanding of Local History

Several history students with C or above averages met early this season with Mr. Baccarro and organized the 1967-68 History Club. The club got off to a good start with a dance in the snack bar in September. At the first business meeting they wrote and ratified a new constitution for the club. Club activities during the year included a picnic at San Jacinto Monument, a cake sale and car wash to raise money for the club, and a trip to Austin for the state convention and a visit to the HemisFair. They elected officers for next year's club and ended the year with a picnic at the San Jacinto Monument.

President Mike Barmore conducts a business meeting to make plans for the state convention.

Service Projects Mean Work for Spanish Honor Society

"Clean up Richey Street!" was the cry of Doug Laws, Tom Pickard, and Gary Kimmons, as a service project for the club.

"Capitulo San Jacinto de la Sociedad Honoraria Hispanica" is a local chapter of a national organization, the purpose of which is to recognize high academic achievement in Spanish.

The Spanish National Honor Society is not a club, but PHS has an outstanding Spanish Club for students interested in club activities. Initiation of members is attended by a qualified guest speaker recognized as a professional leader in the teaching or administration of high school or college Spanish.

The club participated in two service projects. Three members, Tom Pickard, Doug Laws, and Gary Kimmons, conducted a "Clean Up Richey Street Campaign," and these boys also planted a tree on the PHS campus for Mr. Keller in memory of Jack Delane Pace.

Miss Verser explains the Constitution of the club to a newly initiated member, Glenda Kingsbury.

Any student enrolled in a public school offering Vocational Industrial Education can become a member of ICT. Students interested in trade, industrial, or technical fields belong to ICT. This club believes that man progressed to his present culture through the intelligent use of his hands and mind. ICT activities included a bowling game with Rayburn and an installation ceremony for VICA officers and sweetheart.

Club secretary Linda Soape participates in the opening ceremony of the installation of the Galena Park officers.

Interact Aids Poor of Central America

Officers for 1967-68 were Billy Epstein, Tom Pickard, Glenn Bondy, Jeff Shrader, Jimmy Parker, Kent Nicholson, Mike McCullen, Ronnie Willingham; Mr. Faseler, sponsor; Cindy Newell, sweetheart; and Mr. Mann, sponsor.

In the words of the noted scholar, Gordon Hyde, "Perhaps the greatest boost to the Interact Club treasury began with 'Mama Rain Tree'." She lives in Mr. Calvin Mann's backyard, and from the tender care of her offspring by club members, her sales sent the rates to a soaring high. All the members took part in the different jobs associated with planting one thousand trees. After they began to grow, the boys swamped neighborhoods and Rotary members to sell the trees.

At Christmas, Interact "manned the kettles" for the Salvation Army by ringing bells at Montgomery Ward. Club visits included a painting and cleaning job for an old folks' home and taking candy to the children in Crippled Children's Hospital on Halloween. The selling of Houston Boat Show tickets proved successful, and as a special finale to a full year, a "Slave Day" was held in June.

For another project, Interact boys started out to buy an ambulance for the purpose of a foreign aid program. Luckily, they were donated two ambulances. Much time and money were spent by the boys in cleaning up and refinishing the vehicles. The Auto Mechanics and Paint and Body classes lent a helping hand in this project, and the finished products were worth several thousands of dollars. These ambulances were sent to Central America as part of the "Amigos de las Americas" program, to help the people of Honduras and Guatemala in caring for their ill and helpless people. On the side of these ambulances is written in Spanish, "Donation of the Interact Club, Pasadena High School, Pasadena, Texas, U.S.A." So that wherever the ambulances go, everyone, including the poorest people, knew that they were a friendly donation of the PHS Interact Club. Three boys will accompany the cars to Guatemala and Honduras. Mike McCullen, Billy Epstein, and Dave Rossi have been trained especially to help these people learn to help themselves.

Delicious food, a speaker Wesley Ragan, the installment of next year's officers, and the announcing of the new sweetheart constituted the annual banquet at Bill Bennett's "Steak House in the Sky."

Key Club officers for 1967-68 were Bobby Bishop, Darrell McNatt, Richard Randall, and Ricky Worthington.

Plans for a future visit to an old folks home is the topic of discussion at this Key Club meeting.

Key Club Builds Stronger Community

The objectives of the Key Club are to provide initiative and leadership, to provide experience in living and working together, to co-operate with the school principal, and to prepare for useful citizenship.

The club's first year was filled with many and varied activities. The members target shot White Wing at the Skeet Range and helped the Kiwanis Club at the Pasadena Rodeo by taking up money. They also sold tickets to the Kiwanis Pancake Supper and to the Charter Night Banquet at the King's Inn. The finale of the year for this civic club was visiting an old folks home.

GRA Encourages Teamwork

In September, a number of girls were interested in sports of all kinds and decided to organize the 1968 PHS chapter of GRA. Once a week during the fair weather months, these girls could be found outside on the football field playing softball or on the school court playing tennis. They developed speed and agility in indoor sports such as basketball, ping pong, and volleyball. Sponsor, Mrs. Earnestine Gerald, supervised the club's activities.

Leadership, Scholarshi
Embodie

Each year a Chapter Council elects students to the membership of the National Honor Society. Juniors and seniors who have maintained at least a B average, and who have attended PHS for one semester are eligible. The main objectives are to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in students.

This year the NHS consisted of 27 members. Chapter activities included helping a needy family during Christmas time and a picnic near the end of the school year. New members helped graduation exercises by preparing diplomas. Ribbons signifying membership were awarded to the members of the National Honor Society.

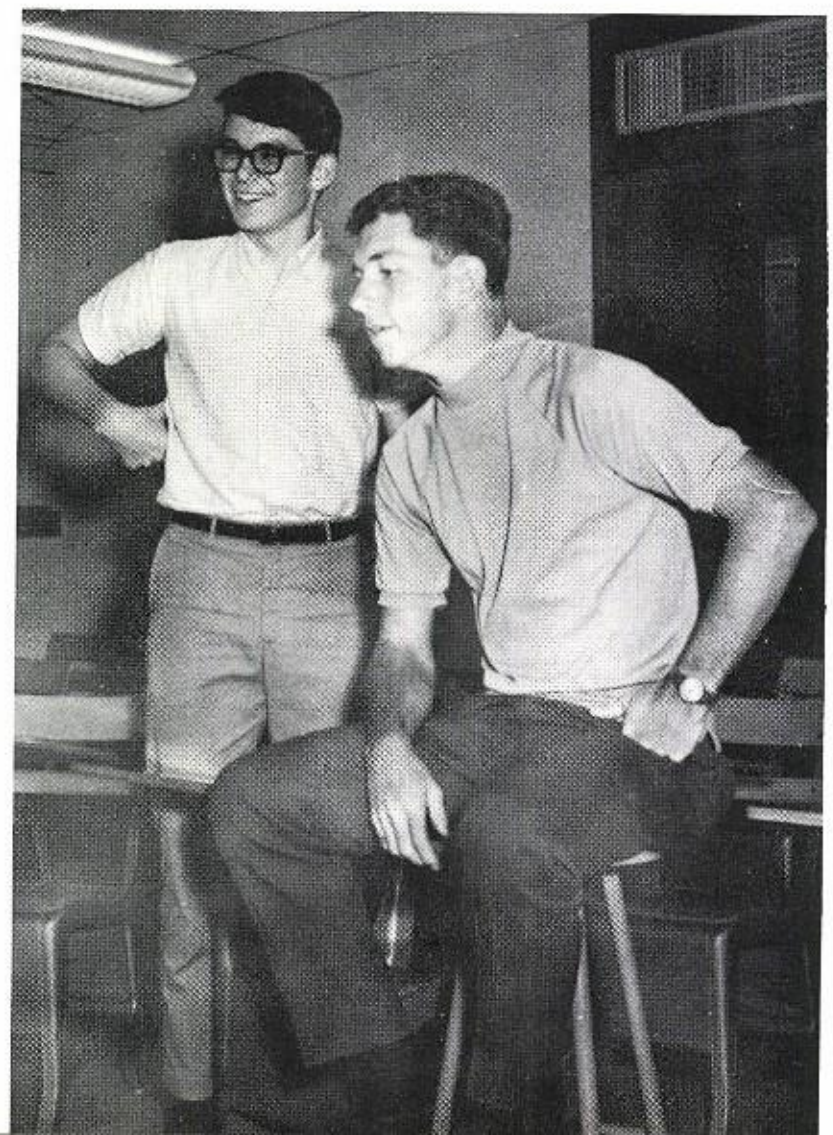
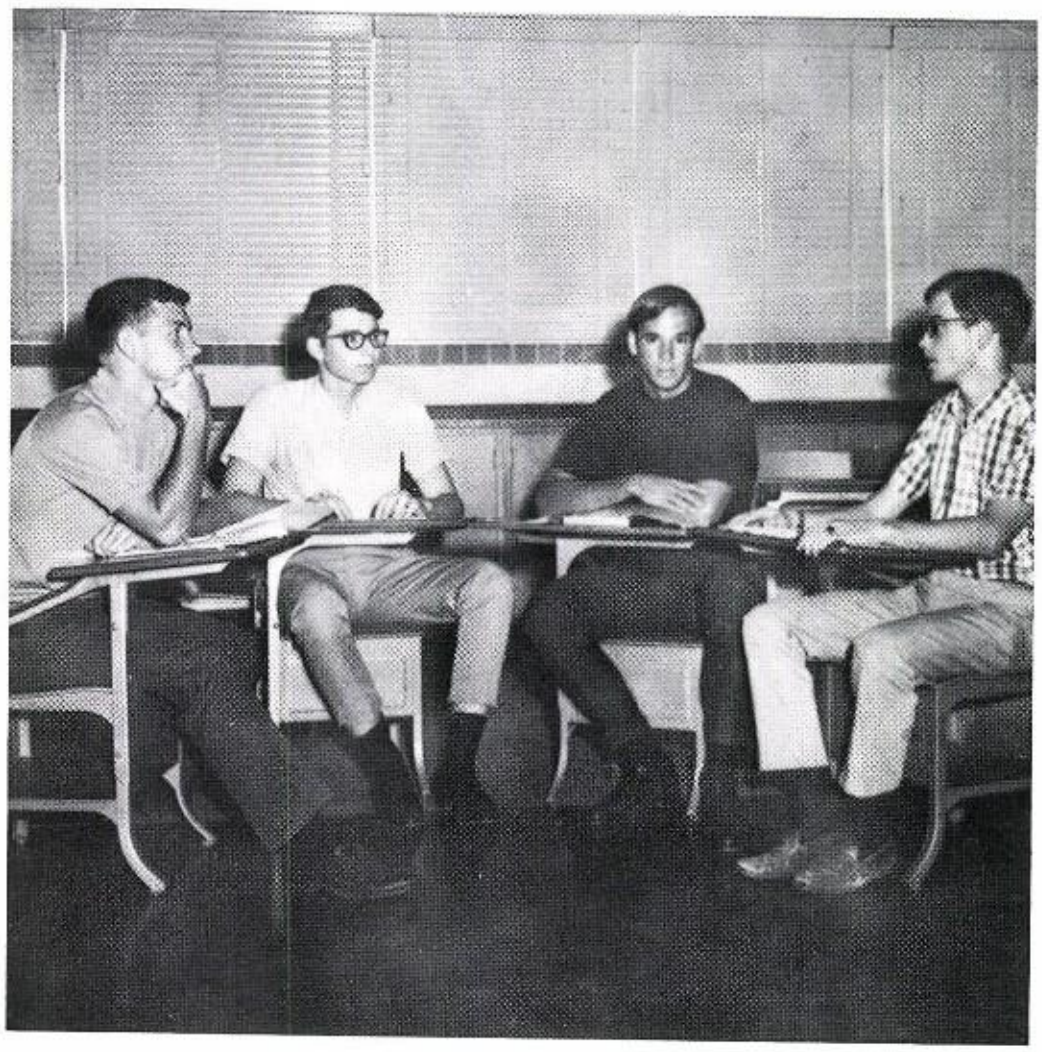
Rehearsing for extemporaneous speaking brings different reactions from junior Jeff Shrader and senior Frank Isaac.



The purpose of the National Forensic League is to promote speech activities. This year the league won numerous speech honors. Jeff Shrader won first place in extemporaneous speaking at the Lamar Tech Speech Tournament. Bill Epstein won second place in speech at the Robert E. Lee Tournament and Gordon Hyde won first place in prose reading and second place in extemporaneous speaking at the Milby Tournament. Debaters Gordon Hyde, Bill Epstein, and Jeff Shrader placed in the top five teams in over six tournaments this year.



Preparing for competition in debate means after school work for NFL members.

Applicants listen to Mrs. Phillip's instructions on how to become O.E.A. members.

Office Education Association

Although the Office Education Association classes are held at Pasadena High School, the program is composed of students from Sam Rayburn and South Houston High Schools also. Among the several activities of the club is the sponsoring of an Employer-Employee Banquet, held this year at the Sheraton-Kings Inn with speaker Jack Binion, attorney and member of the Governor's Educational Committee. At the O.E.A. State Convention and Contest, Debbie Moss was selected as one of the six finalists out of 114 applicants in the Best Interview Contest. O.E.A.'s most publicized activities have been their fund-raising and charity activities, such as the Thanksgiving party given for the residents of Autumn Leaves Nursing Home. However, the main activity of O.E.A. is to organize a club in which to be proud; a club where one may join in the activity and strengthen the club as a whole.

Linda Franklin, Glenda Wilkinson, Debbie Daffin, and Lynn Shough were the recipients of scholarships given by the O.E.A. advisory committee.

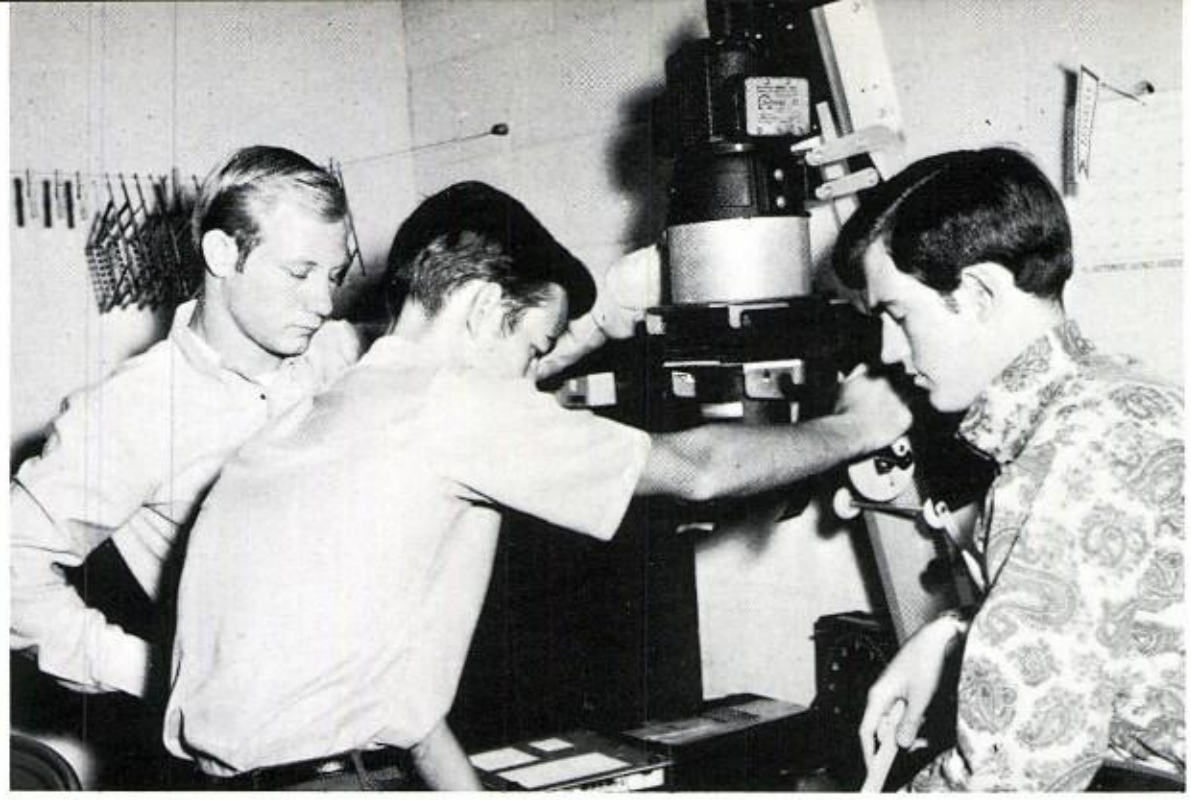
Thanksgiving meant something special to the ladies at the Autumn Leaves Nursing Home who were visited by O.E.A. members Linda Morgan and Linda Farris.

Making just the right choice for cover plans requires much thought and discussion on the part of the staff.

Pasadenian Takes a Magical Mystery Tour

Mrs. Hurley tries to bring order to the staff during deadline chaos.

That big day finally arrives when a whole summer of impatient waiting is over and the masses flock back to Ye Olde School House to grab at last that trusty book of memories. Exhausting? Indeed. Yet few realize just how exhausting it really is. Inside that peaceful-looking publications room can be heard shrieks of ulcer-producing agony over lost negatives, blank cutlines, broken battery packs, occupied typewriters, and ruined film. (Not to mention the touchy subject of deadlines.) Annual saff members (commonly referred to as "house apes" by annual staff sponsors) must be willing to devote a great amount of time toward creating a record of all those sad, embarrassing, magical, and exciting moments that fill a school year to overflowing. Besides the work on the yearbook itself, the Most Beautiful Pageant, with its weeks of preparations, and the April class favorites party are included on the agenda of the **Pasadenian** staff. However, above the din and hubbub can be seen the much appreciated annual staff sponsor, without whose helpful advice, complete devotion, and strong vocal cords, there could never have been this book of memories.



Hard-working photographers Eddie Haselbarth, Lynn Johnson, and Tom Pickard worry over perfect development of prints.

Linda Muecke, Jo-Anne Wehunt, and Linda Etheridge rehearse a scene in "Arsenic and Old Lace."

School assemblies and programs could never succeed without the supervision and hard work of Performing Arts Club members. During this year, the PAC sponsored the second annual "Battle of the Bands" and presented "Arsenic and Old Lace." Members helped with the lights, sound, and make-up for the Eagle Escort Review, Senior Talent Show, and awards assemblies.

Club members also have other duties to carry out. Summer activities include helping with the lighting when the auditorium is rented for other organizations.

Auto Paint and Body

Having an auto paint and body shop on campus is the advantage PHS students and faculty have over other schools in the district. The nineteen members of the club turned out a volume of shiny repair jobs to dented fenders, doors, etc. Their charitable deeds included painting the ambulances donated by Interact to the poor people in Central America and donating food to a needy family at Christmas.

Finishing touches are supplied by Danny Oliver, Kenneth Moore, and Robert Wason as they buff the paint job.

Mixing punch for the Fall Fiesta party are John Harrison and Sunne Cope.

Activities this year included two bake sales to raise club funds, a fall fiesta with a local band, and the second annual "Cinco de Mayo". This was a very colorful event with two guest speakers, a dinner catered by "Little Mexico Restaurant," and afterwards the presentation of awards to the Most Outstanding Foreign Language Student, Mary Espinoza, and to the Sweetheart Sunne Cope.

at PHS

Mary Espinoza was chosen the Most Outstanding Foreign Language Student.

Officers for 1967-68 were Sue Hollis, Jeff Hubbard, John Harrison, Margie McGrew, Jeff Shrader, and Peggy Pack.

The Student Council

One of the most important and hardest working organizations at PHS is the Student Council. Under the sponsorship of Miss Agnes McKinley, this organization has done so much for so many. It is a representative body of students from all areas of interest in high school. This year, the **Pasadenian** has divided the Student Council into five sections —the Balance, the Brain, the Brave, the Brawn, and the Beauty. The backbone of the Student Council, the Balance, consists of those students who are versatile and can handle any job with ease. The Brain are those who achieved excellence in scholarship. Class officers and presidents of clubs are titled the Brave, and the Brawn are the athletes who brought honors to PHS. The Beauty are the club sweethearts and favorites. Activities for Student Council included the selling of football banners and the handling of ticket sales for assembly programs. Christmastime around campus was made brighter with the Student Open House where students got cookies and punch during lunch. The John Black Scholarship was given for the second consecutive year and members displayed their ability to show well under short notice when they brought food and clothing for the Beulah victims. Keeping a clean cafeteria has been the promotion job of Student Council members. Helping others has been the object of several projects of this club, as seen through its donation to the **USS Hope** and its gathering of food and clothing for needy families during Christmas.

THE BALANCE

Jo Blaine, Rebecca Means, Karen Alger, Rhonda Rand, Sandra Nelson, Margie Woener, Joan Moon, Toni Casey, Barbara Long, Shirley Henderson, Tim Williams, Bernadette Rossi, Charles Quinn, Cynthia Stein, Mark Masters, Margaret Cloninger, Bruce Peace, Renee Rodgers, Donnie Kimes, Christi Hooper, Kip Lagler, Anita Lee, Debbie Johnson, Debrough Bourke, Janice Hall.

THE BRAIN

Standing: Lee Thompson, Kenneth Train, Camilla Wirght, Marla Smith, Janet Wells, Becky Williams, Elizabeth Conces, Judy Porter, Ronald Johnson. **Seated:** Ruth Ann Jones, Emily Brown, Janet Moore, John Hull, Steve Shuttlesworth, Debbie Laird.

THE BRAVE

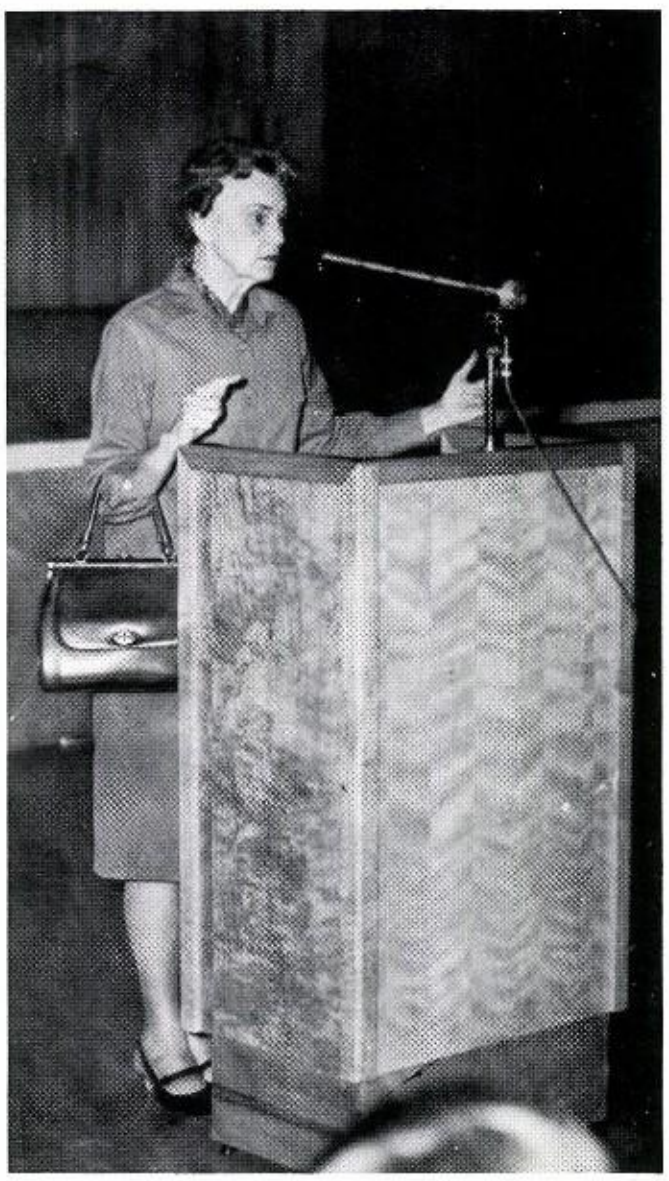
. . . The Beauty

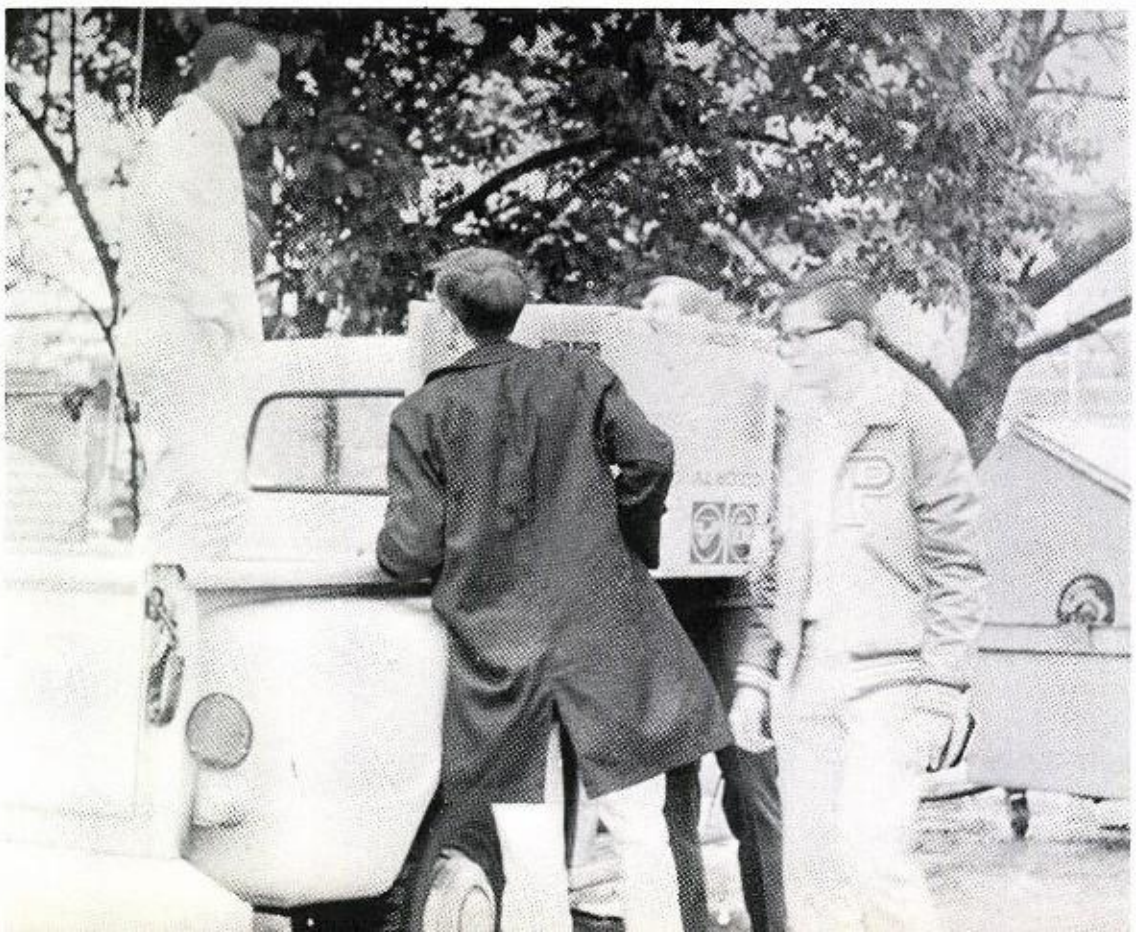
THE BEAUTY

Front Row: Diane Lusk, Linda Morgan, Sharon Crouch, Arlene Lucas. **Second Row:** Bettye Todd, Sandy Ward, Donna Bennett, Jackie Tuttle, Cindy Carroll. **Third Row:** Patti Acuna, Joan Abbott, Cindy Newell.



"Be an Eagle—not a pig." The words of Miss McKinley warn them of increasing laziness about cafeteria neatness.

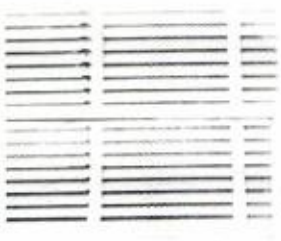
Jimmy DeLony, Kent Nicholson, and Ricky Shuman load materials sent to needy families at Christmas.



Officers for 1967-68 were Mike Adrian, Patti Acuna, Kent Nicholson, Ricky Shuman, and Dollie Huffman.

SC members like Haselbarth handle ticket sales.

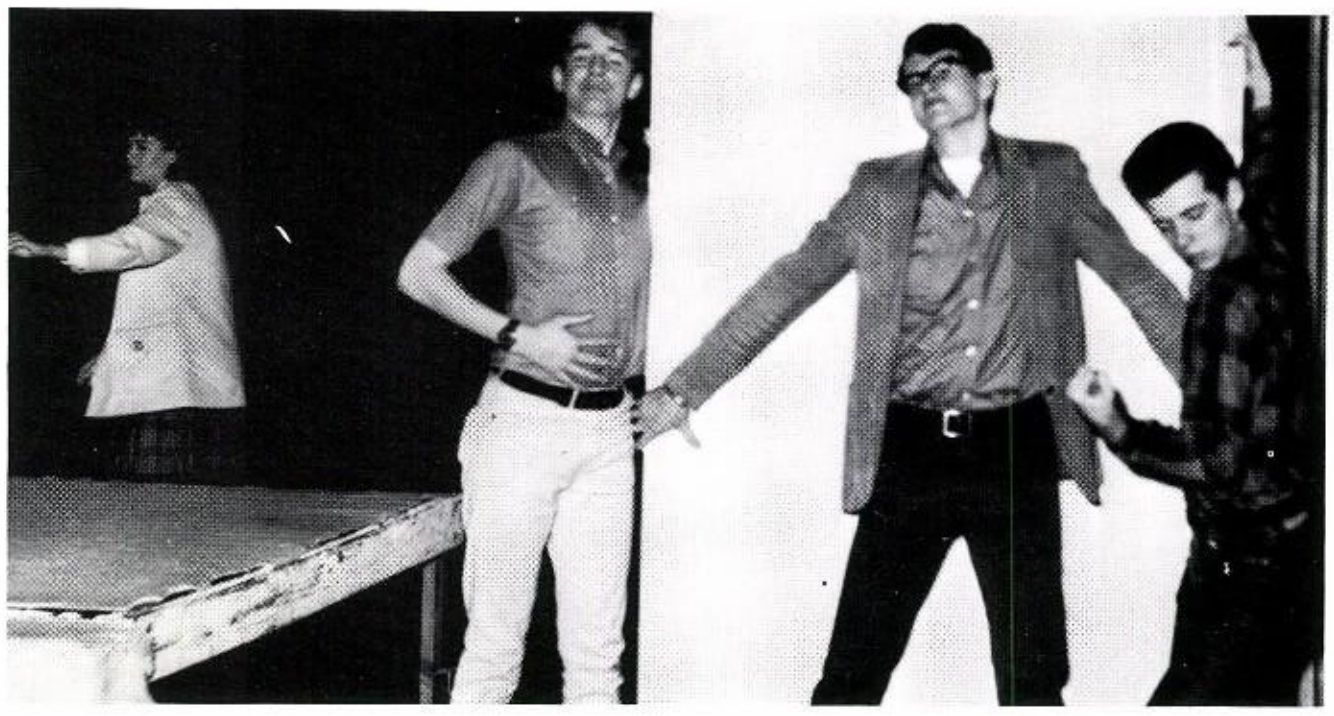
. . . The Brawn



The Student Council succeeded once again by coming quickly to the aid of Beulah victims in the valley.

THE BRAWN

Front Row: Robert Speight, Robert Stack, and Carroll Avant. **Second Row:** Kelly Hazen, Steve Smith, Larry Leuthke, Bobby Morris, Mike Adrian, Frank Pierce.



With back-breaking strength, these great actors can bear the stress and strain of rehearsals.

If the critics shun the camera-shy, Thespians have it made!

After earning a required number of points from school activities, a student is eligible to become a member of the National Thespian Society. Pasadena High School's Thespian Troupe 579 assisted this year in the production of "Arsenic and Old Lace," the Senior Talent Show, and numerous other assemblies.

Youth for Christ is a nondenominational devotional group. The club met each Thursday morning in the auditorium from 7:50 to 8:20 a.m.

Pastors, laymen, evangelists, skits, and comedy teams were on the weekly programs. Approximately once a month the club sponsors "Insight Meetings." These meetings, usually held in members' homes, included Bible study and entertainment.

As a service to the school and the student body, the president and devotional leader from YFC moderate the devotional each morning in homeroom. Youth for Christ has no formal membership. Anyone who is interested may attend the meetings.

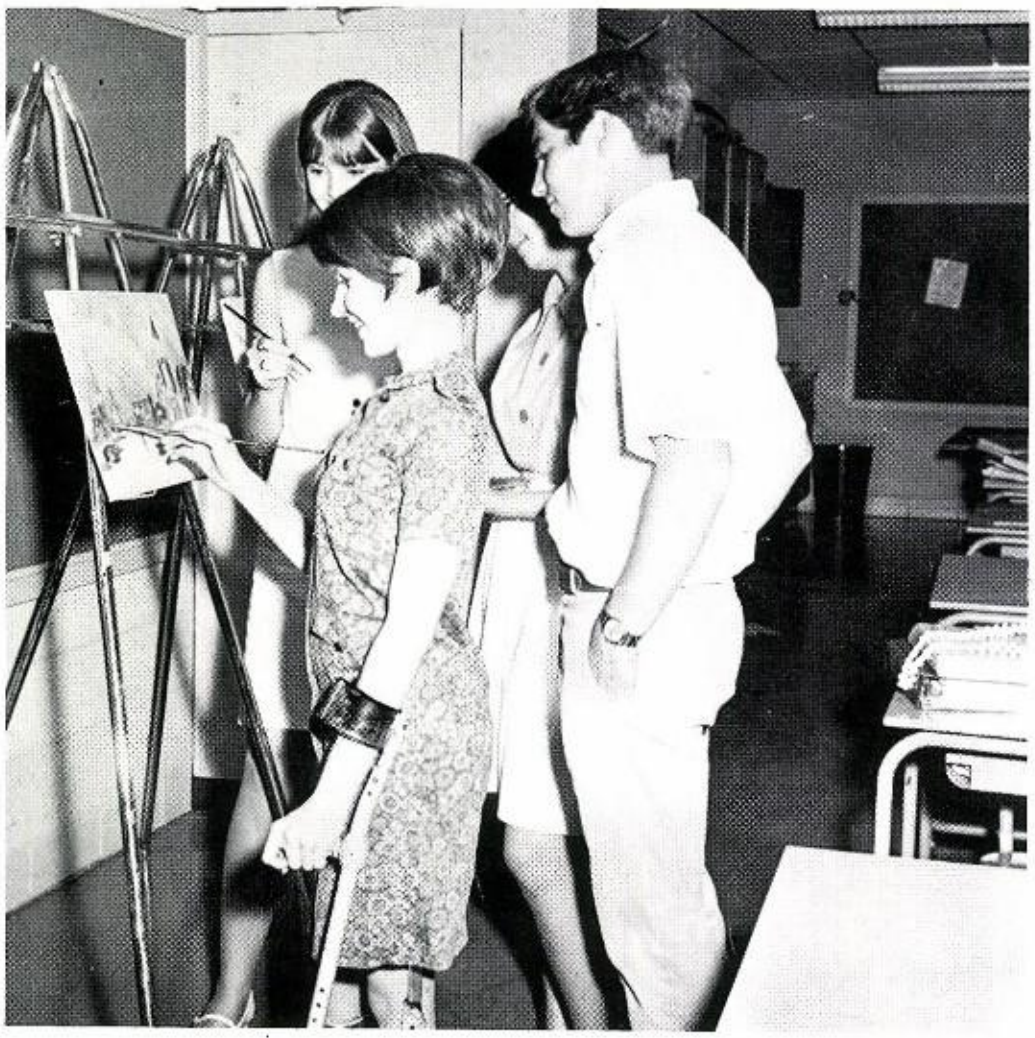
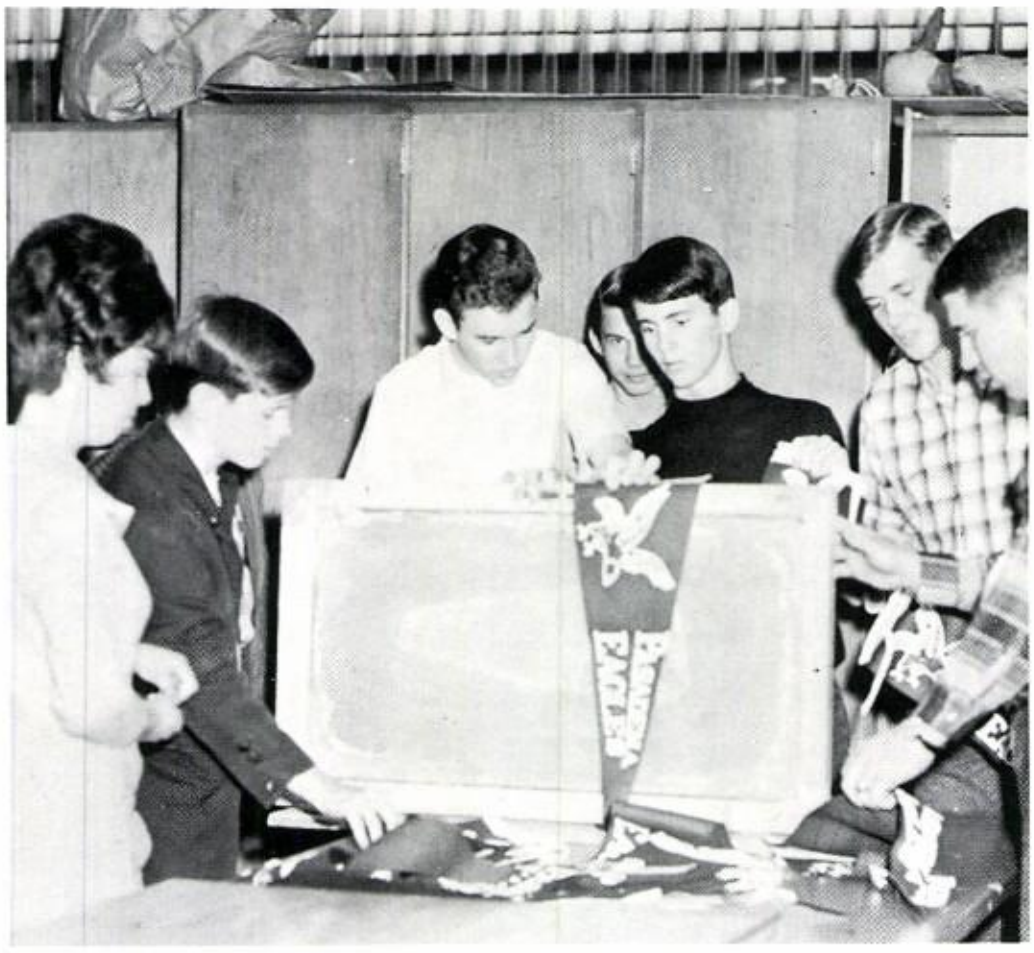
Art Club Boosts

Teresa Smathers, Pat Patnesky, Mike McCleery, and Beverly Wagstaff won many awards in the Pasadena Plaza art show.



The Art Club began the year with that same burst of enthusiasm it has long exhibited. Publicity of the club began early in September under the guidance of sponsor Mrs. Lolene Smith and received marvelous results with a total of sixty members at the first meeting. The Art Club began a series of meetings in October to work on school banners which they sold at football games and around campus to promote school spirit. Activities of the Art Club included several field trips to museums in the Houston area, one of which took place at an antique art show sponsored by the Pilot Club at the Pasadena Elks Lodge. Members also visited the Kiko Art Museum, University of Houston, and the Houston Museum of Fine Arts. Participation in the Van Trese Art Show in Deer Park proved successful and many students placed their paintings on exhibit at the Pasadena Public Library. The Art Club also sponsored student work at the Pasadena Plaza art exhibit. This busy organization ended the year with a beach party at Galveston.



Members of the Art Club work on the making of banners.

The Pathway

You stand so tall on the crest of the hill
Looking down at the valley, peaceful and still,
Tracing the pathway of your ascent,
Feeling the joy of accomplishment;
Recalling the friends you met on the way
As onward you journeyed with each new day.

Then lifting your gaze from this happy sight
You look up to a mountain bathed in light
And feel the urge to go forward and seek
Another pathway to reach that peak.
One you have conquered before in dreams
What does it matter how far it seems?
Just as you found in your previous climb
You can do it by taking one step at a time!
